This product is suitable for investors who are seeking*:

Large companies are considered to be the "Leaders" in their respective businesses in terms of scale and size, which is one reason why their stocks are less volatile. Canara Robeco Blue Chip Equity Fund invests in these large-cap* companies and seeks to provide capital appreciation. The fund invests predominantly in large caps. Indian large caps are evergreen stocks with a potential to grow along with the growth in Indian economy. Large caps tend to perform in line with the broader markets during the bull phase and are better equipped to withstand the slowdown when the tide turns.

* As defined by SEBI Circular No. SEBI / HO / IMD / DF3 / CIR / P / 2017 / 114 dated October 06, 2017 and SEBI/HO/IMD/DF3/CIR/P/2017/126 dated December 04, 2017 and as amended from time to time (currently it defines Large Cap Companies as those which are ranked from 1 to 100 based on their full market capitalization)
