Review

Final Portfolio

Proactive Credit Risk Management

It is to be noted that as a Fund House, Canara Robeco AMC did not have any exposure to the issuers at the time of their default during the credit crisis period of 2018-2020.

Stringent Risk Management – Key to superior risk adjusted return across interest rate cycles

Risk control process to manage risks through tools such as **issuer/sector limits, Liquidity tracking, managing portfolio concentration** and **Weighted average maturity** to ensure that the portfolio liquidity is maintained.

Maintaining a **conservative portfolio** through exposure to **high credit quality issuers** with **low credit risk profile**.

Optimal Diversification among sectors to achieve **consistency in returns**.

Given our **expertise** in managing debt portfolios with **high credit quality papers** and with **low credit risk**, we plan for a **New Fund Offer** in the **Banking & PSU Category**.

Presenting :

Canara Robeco Banking and PSU Debt Fund

(An open-ended debt scheme predominantly investing in debt instruments of banks, public sector undertakings, public financial institutions and municipal bonds. Relatively high interest rate risk and moderate credit risk)

Why invest in a Banking & PSU themed debt fund?

Note: The opinions expressed on this slide are the fund management views of Canara Robeco Asset Management regarding the Current economic situation. The view of the Fund Managers should not be construed as investment advice. Investors should consult their financial advisers if in doubt about whether an investment recommendation is suitable for them.

Canara Robeco Banking and PSU Debt Fund

The fund seeks to generate **optimal returns** by investing in debt & money market instruments issued primarily by **banks, public financial institutions (PFIs), public sector undertakings (PSUs) and municipal bonds**.

An **actively managed fund** that aims to **manage duration** and **capture opportunities** in the interest rate cycle and mispricing on the yield curve.

Canara Robeco Banking and PSU Debt Fund intends to maintain **high credit quality and liquidity** in the portfolio.

The fund aims to invest **~80% of the portfolio** in bonds & money market instruments issued by **Banks, PSUs & Public Financial Institutions and Municipal Bonds** and remaining **~20% in G-Secs/SDLs and other AAA or equivalent debt/ money market securities**.

How the Fund will Invest?

Instruments	Indicative Asset Allocation (% of total assets)		Risk Profile
	Minimum	Maximum	High/Medium/Low
Debt and Money Market Instruments issued by Banks, Public Financial Institutions (PFIs), Public Sector Undertakings (PSUs) and Municipal Bonds	80%	100%	Low to Medium
Debt (including securities issued by Central and State Governments) and Money Market Instruments issued by entities other than Banks, PFIs, PSUs and Municipal Bonds	0%	20%	Low to Medium
Units issued by REITs and InvITs	0%	10%	Medium to High

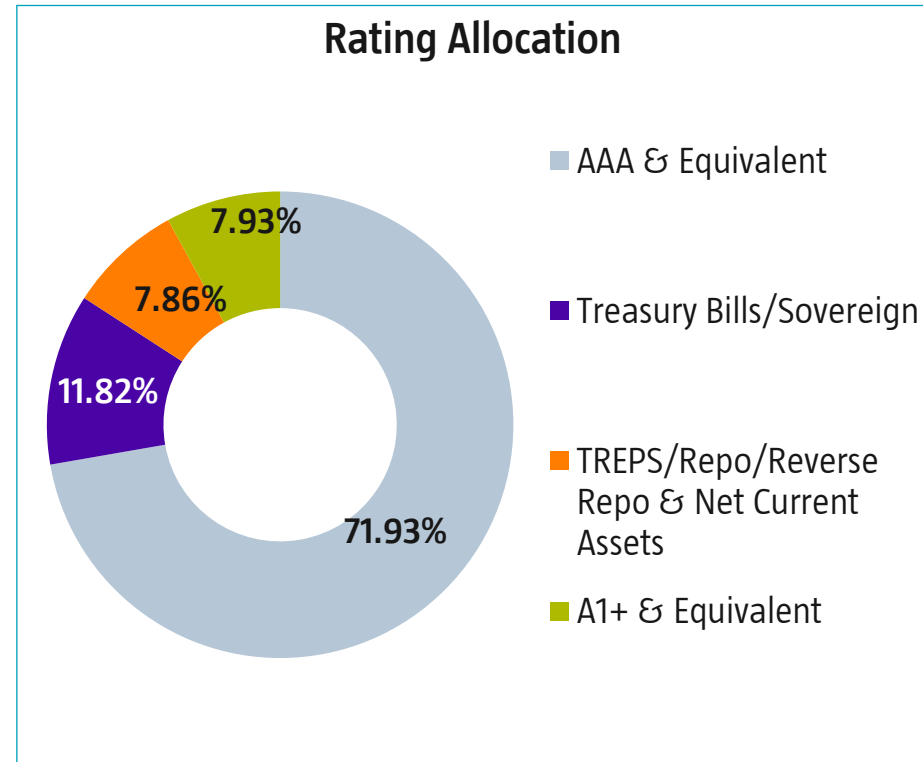

The risks associated with issuances by Banks and PSUs are lower due to:

- ✓ Comprehensive Regulatory framework for Banks by the Reserve Bank of India.
- ✓ Government Ownership in case of PSUs/PFIs.

Portfolio Analysis

Portfolio Analysis

Why Invest in Canara Robeco Banking & PSU Debt Fund?

CR AMC is **India's second oldest asset manager**, in existence **since 1993**, tied into the JV since September 2007

Canara Robeco Banking & PSU Debt Fund would focus on a portfolio primarily of **"AAA rated bonds issued by Banks and PSU"**.

The Fund would be a **"High Credit Quality"** portfolio; thus, providing a higher liquidity benefit.

Fund would invest in **"High Grade Assets"** that are either government – backed entities or systemically important private banks/entities. This potentially provides lower credit risk.

The Fund would be an **"Actively Managed Fund"** that aims to capture opportunities in the interest rate cycle and mispricing on the yield curve.

Who should Invest in this fund?

Investors who wish to take exposure towards bonds issued by Banks, Public Sector Undertakings and other government backed securities

Investors with a medium-term investment horizon of 2-3 years

Investors having relatively low to medium risk appetite looking to invest in high credit quality bonds with good liquidity

Investors seeking to gain from accrual and duration calls by investing in short to medium term maturity bonds
