Parameter Selection and Reason for the Selection

Earnings Based

Growth-centric earnings led approach

- Captures the future possible opportunities and challenges in the business.
- Price-to-earnings ratio promptly responds to the intermediate change in the economic value.

Balance Sheet Based

Financial health led approach

- Price-to-book captures the inherent strength and changes in the economic value of the underlying business.
- Better positioned to adjust the cyclical volatility in earnings and sways lesser to market price movements.

Relative Allocation Based

Opportunity cost led approach

- Relative attractiveness between earnings yield and bond yield.
- Helps in deciding appropriate allocation between equity & debt.
