## CANARA ROBECO MUTUAL FUND

### TRUSTEES REPORT

Dear Unitholder,

It gives us great pleasure to communicate with you and present to you the scheme-wise audited accounts as on March 31, 2024.

Trustees have reviewed the report of the investment manager on the performance of the schemes, future outlook and operations of the schemes and the same is annexed.

## **I. FUND PERFORMANCE, FUTURE OUTLOOK, AND OPERATIONS OF THE FUNDS**

### **OPERATIONS OF THE FUND:**

As on 31<sup>st</sup> March, 2024, Canara Robeco Mutual Fund has 24 schemes of which 10 are debt oriented schemes, 12 are equity oriented schemes and 2 are hybrid schemes.

The average assets under management (AAUM) for the financial year ended 31<sup>st</sup> March, 2024 was Rs. 77,217.36 crore as against Rs. 56,818.22 crore for the financial year ended 31<sup>st</sup> March, 2023.

The total number of investors as on 31<sup>st</sup> March 2024 was 47,07,694 as against 43,08,116 as on 31<sup>st</sup> March 2023

Two new Schemes were launched during the year by Canara Robeco Mutual Fund viz.

Name	Type	Month of Launch of Scheme
Canara Robeco Multi Cap Fund	Multi Cap Fund - An open-ended equity scheme investing across large cap, mid cap, small cap stocks	July 2023
Canara Robeco Manufacturing Fund	Thematic - Manufacturing - An open-ended equity scheme following Manufacturing theme	March 2024

### **FUND PERFORMANCE as on 31.03.2024**

#Scheme Benchmark

##Additional Benchmark

- Load is not taken into consideration for computation of returns.
- Returns of dividend option under the scheme for the investor would be net of tax deducted at source as applicable.

### **A) EQUITY FUNDS**

#### **1. Canara Robeco ELSS Tax Saver**

Canara Robeco ELSS Tax Saver, an open-ended equity linked savings scheme with a statutory lock in period of 3 years and tax benefit, seeks to provide long term capital appreciation by predominantly investing in equities to facilitate the subscribers to seek tax benefits as provided under Section 80 C of the Income Tax Act, 1961.

**Current Fund Managers:** (1) Mr. Vishal Mishra since 26-June-21 jointly with (2) Mr. Shridatta Bhandwaldar since 01-October-19.

Fund Performance as on 31.03.2024

## MARKET OUTLOOK:

### Equity Markets Outlook for Financial Year 2024

FY2024 is likely to be remembered as a pivotal moment in global history, marking the conclusion of one era and the commencement of another. This year witnessed significant geopolitical and economic events that had a profound impact on the international relations and economies of various nations.

Initially, there were global concerns about a potential recession as interest rates were increased in 2022, and inflation remained uncontrolled. The transition from Quantitative Easing (QE) to Quantitative Tightening (QT) in the banking sector, accompanied by a worldwide deceleration in money supply, added to the apprehensions.

The global landscape experienced upheaval when the Israel-Palestine conflict intensified while there seems no end to Russia-Ukraine war, triggering a substantial energy crisis.

Factors that were anticipated to exert downward pressure on Indian stock market indices included the Israel-Gaza and Russia-Ukraine conflict leading to fluctuations in crude oil prices, the depreciation of the rupee, disruptions in the global supply chain and elevated inflation surpassing the Reserve Bank of India's targeted consumer price index. Contrary to these expectations, the outcome has been quite different.

With all that being said, the Global macro environment seems to be stabilizing on the economic front, even though it remains complex on geopolitical front. US growth is stabilizing, employment data remains healthy, and inflation is moderating gradually. This is leading to a possible goldilocks scenario where you might get lower inflation without hurting growth too much.

Having said this, inflation remains higher at around 3-3.5% and growth and employment data too strong – a recipe for delayed timelines for interest rate cuts. We are now expecting interest rates cuts only post August'24. Europe is gradually stabilizing at lower growth /degrowth state, but not deteriorating further, as inflation and interest rates peak in most economies there. China continues to have challenges on growth revival due to ageing population and leverage in households/Real estate, which are structural in our view and thus commodities in general will remain muted for extended period, given >30-40% of every commodity is consumed by China. Geopolitical tensions are taking time to abate and are only getting complex. Given these tensions, supply chains and global trade has become vulnerable to new dimension now, missing till pre-covid. India remains one of the differentiated markets in terms of growth and earnings.

In our worldview, 1) the Liquidity, 2) Growth and 3) Inflation surfaced post monetary and fiscal expansion in CY20-21 in that order and they will reverse in the same order during CY23-24. We have seen an initial downtick in inflation, which will accelerate in our view over next few quarters. Inflation is taking more time than usual to recede given healthy household savings in US, elevated energy prices, tight labor markets and challenged supply chains.

Having said this on near term earnings /market context, we believe that Indian economy is in a structural upcycle which will come to fore as global macroeconomic challenges recede over next few quarters. Our belief on domestic economic up-cycle stems from the fact that the enabling factor are in place viz. 1) Corporate and bank balance sheets are in best possible shape to drive capex and credit respectively, 2) Consumer spending remains resilient through cycle given our demographics, 3) Govt is focused on growth through direct investments in budget as well as through reforms like GST(increasing tax to GDP), lower corporate tax and ease of doing business (attracting private capex), PLIs( private capital through incentives for import substitution or export ecosystem creation) and 4) Accentuated benefits to India due to global supply chain re-alignments due to geopolitics. This makes us very constructive on India equities with 3years view. We believe that India is in a business cycle / credit growth cycle through FY24-27E – indicating starting of healthy earnings cycle from medium term perspective.

Markets are unpredictable and it may result in some short-term aberrations in the performance, however, time and again, through our Investment Process and prudent stock selection process, we have prioritized the objective of

investors having a good experience during their investment journey with Canara Robeco MF Schemes over the longer run.

The heightened volatility in FY 2024 resulted in the Fund Managers facing an extremely challenging year. It is a year which has demanded a lot from the Fund Managers to keep their head above water. Canara Robeco MF continued to follow its robust Investment and Risk Management processes which it has built over so many years and that has helped the Schemes deliver consistent returns over the long-term

## **Fixed Income Markets Outlook for Financial Year 2024**

In FY2024, the focus was expected to shift away from equities to bonds, as growth was expected to deteriorate with higher probability of US recession in 2023, amid rapid monetary tightening. Greed gave way to fear, prompting investors to seek refuge in the shelter of fixed income in early part of 2023 on US regional bank crisis. However, as the crisis was managed adroitly by regulatory authorities, rates pushed higher. In 2H CY 2023, “higher than longer” narrative for rates and US treasuries supply pressure, took the 10Y US yield to 5% amidst bond markets volatility. December policy “pivot” by the US FED Chairman Powell gave a Christmas gift to markets, with all global asset markets rallying. 10Y yield crashed to below 4%, equities rallied, and gold prices rose amid overall USD weakness.

However global rate volatility, driven by data oscillating between strong and weak, and resilience of the US economy despite historical high rates, kept Indian rate markets on its toes. Indian debt markets remained volatile as well, despite RBI Monetary Policy Committee (RBI MPC) remaining on pause since start of FY2024, due to a hawkish RBI, and tighter-than-expected liquidity conditions (in latter part of the 2023). Policy pivot by the US FED did not enthuse markets as RBI policy makers pushed against any immediate relief of rate front on concerns of volatile food inflation, which remains on higher side.

Despite these challenges, falling global bond yields and robust buying by Foreign Institutional Investors (FIIs) provided support to debt markets FII flows in debt have been strong ahead of Index inclusion with USD 7.14 billion in 1QCY2024 and would mark a turnaround in debt FII flows, which had been meagre in past few years.

On the geopolitical front, conflicts persist worldwide, with the Israel-Hamas and Russia-Ukraine wars continuing. The ongoing slowdown in China remains a drag on the global economy. In contrast to the post-Global Financial Crisis world, the absence of a resurgent China is expected to have a more significant impact this time.

The Indian economy appears to be in a relatively better position as we approach the end of FY2024. Growth remains strong with 1HFY2023 GDP printing 7.7%, comfortably beating all economist estimates. High frequency indicators continue to remain strong. RBI is now forecasting 7% growth for FY24.

Market dynamics are likely to be influenced by RBI MPC as well as global factors, with a 50 bps rate cut from RBI expected in FY2025. With the US rate easing cycle likely in 2024, the question remains only on timing of rate cuts. The RBI MPC decided to remain focused on withdrawal of accommodation to ensure that inflation progressively aligns to the target, while supporting growth. The Policy outcome was as per expectations as no sharp rate cuts were expected from RBI MPC, as inflation continues to remain above target of 4% and growth remains robust.

Fiscal consolidation in the interim Budget is likely to provide further positive impetus to bond markets. Coupled with anticipated rate moves from the US FED, RBI may change to neutral stance in next few policies. Liquidity has improved in the recent past probably on account of Government spending. RBI had further injected short term liquidity via VRR (variable rate repo auctions). We anticipate that over the next few months, 10-year yields may gradually fall below 7%.

The influx of foreign funds is anticipated to be liquidity-positive, further contributing to the positive sentiment surrounding bonds. Looking ahead to the medium and long term, the effect on bonds is expected to be positive due

to inclusion in JP Morgan Bond Index, as the demand for Government Securities (G-Sec) is likely to drive yields downward.

Investors have the opportunity to invest across yield curve at similar yields depending on their investment horizon.

However, there can be no assurance that the investment objective of the scheme will be realized.
13. **Canara Robeco Overnight Fund:** The investment objective of the Scheme is to generate returns commensurate with low risk and providing high level of liquidity, through investments made primarily in overnight securities. However, there can be no assurance that the investment objective of the Scheme will be realized.
14. **Canara Robeco Liquid Fund:** The scheme has been formulated with the objective of enhancement of income, while maintaining a level of high liquidity, through investment in a mix of Money Market Instruments & Debt Securities. However, there can be no assurance that the investment objective of the Scheme will be realized.
15. **Canara Robeco Ultra Short Term Fund:** To generate returns by investing in a wide range of debt securities and money market instruments of various maturities and risk profile. However, there is no assurance that the objective of the Fund will be realised.

16. **Canara Robeco Savings Fund:** To generate income / capital appreciation by investing in a portfolio comprising of low duration debt instruments and money market instruments. However, there can be no assurance that the investment objective of the scheme will be realized.
17. **Canara Robeco Short Duration Fund:** To generate returns by investing in a wide range of debt securities and money market instruments of various maturities and risk profile. However, there is no assurance that the objective of the Fund will be realised.
18. **Canara Robeco Income Fund:** The Scheme seeks to generate income and capital appreciation through a portfolio constituted of medium to long term debt and money market securities and issuers of different risk profiles. However, there can be no assurance that the investment objective of the scheme will be realized.
19. **Canara Robeco Dynamic Bond Fund:** The objective of the fund is to seek to generate income from a portfolio of debt and money market securities. However, there can be no assurance that the investment objective of the scheme will be realized and the Fund does not assure or guarantee any returns.
20. **Canara Robeco Corporate Bond Fund:** The Scheme seeks to generate income and capital appreciation through a portfolio constituted predominantly of AA+ and above rated Corporate Debt across maturities. However, there can be no assurance that the investment objective of the scheme will be realized.
21. **Canara Robeco Gilt Fund:** To provide risk free return (except interest rate risk) while maintaining stability of capital and liquidity. Being a dedicated Gilt Scheme, the funds will be invested in securities as defined under Sec. 2 (2) of Public Debt Act, 1944. However, there can be no assurance that the investment objective of the Scheme will be realized.
22. **Canara Robeco Banking and PSU Debt Fund:** To generate income and/or capital appreciation through a portfolio of high quality debt and money market instruments issued by entities such as Banks, Public Sector Undertakings (PSUs), Public Financial Institutions (PFIs) and Municipal Bonds. However, there is no assurance that the objective of the fund will be realised.
23. **Canara Robeco Conservative Hybrid Fund:** To generate income by investing in a wide range of Debt Securities and Money Market instruments of various maturities and small portion in equities and Equity Related Instruments. However, there can be no assurance that the investment objective of the scheme will be realized.
24. **Canara Robeco Equity Hybrid Fund:** To seek to generate long term capital appreciation and/or income from a portfolio constituted of equity and equity related securities as well as fixed income securities (debt and money market securities). However, there can be no assurance that the investment objective of the scheme will be realized.

#### IV. SIGNIFICANT ACCOUNTING POLICIES

The Accounting policies of the Fund are in accordance with Securities Exchange Board of India (Mutual Fund) Regulations 1996 as amended from time to time and are disclosed as part of the Scheme Audited Financials.

## VII. CORPORATE GOVERNANCE

As per the requirements of SEBI circular no. SEBI/IMD/CIR no. 18/198647/2010 dated March 15, 2010 and subsequent clarifications/circulars issued by SEBI, CRMF has formulated the Voting Rights Policy ("Policy") for exercise of voting rights in investee companies (i.e. companies in whose securities the schemes of the CRMF have invested).

### Summary of proxy votes cast by CRMF/ CRAMC across all the investee companies during F.Y. 2023-24

F.Y.	Quarter	Total no. of resolutions	Break-up of Vote decision		
			For	Against	Abstained
2023-24	April 2023 to March 2024	1653	1577	76	0

The Voting Rights Policy and the detailed report on the votes exercised during FY 2023-24 on a quarterly and annual basis alongwith Scrutinizer's certification is disclosed as part of the Annual Report of the Schemes and also on website of CRAMC at <https://www.canararobeco.com/statutory-disclosures/voting-right-policy>.

## VIII. STEWARDSHIP CODE

In terms of the Securities and Exchange Board of India ("SEBI") circular no. CIR/CFD/CMD1/ 168/2019 dated December 24, 2019, the report on implementation of every principle of Stewardship Code is disclosed as part of the Annual Report of the Schemes and on website of CRAMC at <https://www.canararobeco.com/statutory-disclosures/cr-stewardship-code>

## IX. SCHEME WISE CHANGES IN RISK-O-METER OF THE SCHEMES OF CANARA ROBECO MUTUAL FUND DURING FY 2023-24

As per the requirements of SEBI Circular no. SEBI/HO/IMD/DF3/CIR/P/2020/197 dated October 05, 2020 the changes carried out in the risk-o-meter of the schemes of Canara Robeco Mutual Fund during FY 2023-24 is disclosed as part of the Annual Report of the Schemes.

## X. DISCLOSURES PERTAINING TO NAV ADJUSTED DURING THE FINANCIAL YEAR FOR SWING FACTOR ALONG WITH THE PERFORMANCE IMPACT

Sr No.	Period of applicability of swing pricing	Scheme name	Unswung NAV	Swing factor applied	Whether optional or mandatory
NIL					

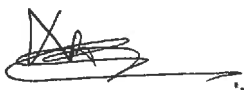

## XI. STATUTORY INFORMATION

- a) Canara Bank and ORIX Corporation Europe N V (*formerly known as Robeco Groep N. V.*), being the Sponsors are not responsible or liable for any loss resulting from the operation of the schemes of the Fund beyond their initial contribution (to the extent contributed) of Rs. 10 lakhs for setting up the Fund, and such other accretions / additions to the same.
- b) The price and redemption value of the units, and income from them, can go up as well as down with fluctuations in the market value of its underlying investments.
- c) The full Annual Report/scheme-wise abridged Annual Report shall be disclosed on the website of the Fund i.e. [www.canararobeco.com](http://www.canararobeco.com) and shall be available for inspection at the Principal Office of the Canara Robeco Mutual Fund. Present and prospective unit holders can obtain a physical copy of the trust deed and the abridged summary of the Annual Report, without any cost, from the Registered Office of CRAMC.

## XII. ACKNOWLEDGEMENTS

The Trustees take this opportunity to thank SEBI, AMFI, Exchange(s), Depositories, the investors, Investor Service Centers, distributors, key partners, service providers, Canara Robeco AMC and its employees for their commitment and look forward to their continued support.

For Canara Robeco Mutual Fund

Trustee

**INDEPENDENT AUDITORS' REPORT**

**Board of Trustees,  
Canara Robeco Mutual Fund**

**Report on the audit of Financial Statements**

**Opinion**

We have audited the accompanying financial statements of Canara Robeco Flexi Cap Fund ("the scheme") which comprises the Balance Sheet as at March 31, 2024, the Revenue Account, the statement of changes in net assets attributable to unitholders and the Cash Flow Statement for the year April 01, 2023 or the launch date of the respective schemes to March 31, 2024 ("the year/the period") and notes to financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- a) in the case of the Balance Sheet, of the state of affairs of the Scheme as at 31<sup>st</sup> March 2024;
- b) in the case of the Revenue Account, of the Surplus/(deficit) of the Scheme for the period/year ended 31<sup>st</sup> March 2024;
- c) statement of changes in net assets attributable to unitholders of scheme for the year ended 31<sup>st</sup> March 2024; and
- d) in the case of the Cash Flow Statement, of the cash flows of the Scheme for the period/year ended 31<sup>st</sup> March 2024.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the accounting standards issued by the ICAI, as applicable, and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled

our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr. No.	Key Audit Matter	Auditor's Response
1	<p><b>Valuation and existence of Investments:</b></p> <p>The valuation and existence of the portfolio of investments is considered as a key audit matter due to the magnitude of potential misstatement as the portfolio of investments represents the principal element of the net asset of the Scheme.</p>	<p><b>Principal audit procedures performed:</b></p> <p>We gained an understanding of the internal control structure and operating effectiveness of key controls surrounding valuation and existence of investments.</p> <p>We tested the valuation of the investments by comparing the prices used in the calculation of the Fund NAV from prices obtained from independent sources.</p> <p>We tested the existence of the Investments by obtaining and reconciling the direct confirmations of the holdings from following sources:</p> <ul style="list-style-type: none"> <li>• Custodians of the Scheme</li> <li>• Reserve Bank of India</li> <li>• Clearing Corporation of India Limited</li> </ul> <p>We matched the holdings as per above confirmations with the Scheme's accounting records. We have obtained the reconciliations and reviewed the differences, if any.</p>
2	<p><b>Multiple Information Technology (IT) Systems</b></p> <p>The controls over IT Systems and the operating effectiveness thereof is considered as a key audit matter as the Scheme is highly dependent on</p>	<p><b>Principal audit procedures performed:</b></p> <p>We obtained an understanding of the entity's IT related control environment. We identified key IT applications, databases and operating systems that</p>

Sr. No.	Key Audit Matter	Auditor's Response
	<p>technology due to the significant number of transactions that are processed daily and discrete IT Systems used. The audit approach relies extensively on automated controls and therefore on the effectiveness of controls over IT systems.</p> <p>IT application controls are critical to ensure that changes to applications and underlying data are made in an appropriate manner.</p>	<p>are relevant to our audit and have identified key applications relevant for financial reporting.</p> <p>We obtained an understanding of the entity's IT control environment and key changes during the audit period that may be relevant to the audit.</p> <p>We tested the design, implementation, and operating effectiveness of the Entity's General IT controls over the key IT systems that are critical to financial reporting. This included evaluation of entity's controls to evaluate segregation of duties and access rights being provisioned / modified based on duly approved requests, access for exit cases being revoked in a timely manner and access of all users being re-certified during the period of audit.</p> <p>We also tested key automated and manual business cycle controls and logic for system generated reports relevant to the audit; including testing of compensating controls or performed alternate procedures to assess whether there were any unaddressed IT risks that would materially impact the financial statements.</p> <p>We have also placed reliance on System and cyber security audit reports of AMC and other service providers.</p>

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees of Canara Robeco Mutual Fund are responsible for the other information. The other information comprises the information included in the Scheme's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The other information is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent

with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management for the Financial Statements**

The Management of Canara Robeco Asset Management Company Limited (the “Investment Manager”) and the Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Board of Trustees are responsible for assessing the Scheme’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management of the Investment Manager and the Board of Trustees are responsible for overseeing the Scheme’s financial reporting process.

**Auditors’ Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a

material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2024, and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by SEBI Regulation 55(4) and Clause 5(ii)(2) of the Eleventh Schedule to the SEBI Regulations, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, the Balance Sheet, the Revenue Account, and the Statement of Changes in net assets attributable to unit holders of scheme, the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Scheme; and
  - (c) The balance sheet, the revenue account, the Statement of Changes in net assets attributable to unit holders of scheme and the cash flow statement, dealt with by this report are in agreement with the books of accounts of the Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2024 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Trustees of Canara Robeco Mutual Fund and are fair and reasonable.

**INDEPENDENT AUDITORS' REPORT**

**Board of Trustees,  
Canara Robeco Mutual Fund**

**Report on the audit of Financial Statements**

**Opinion**

We have audited the accompanying financial statements of Canara Robeco Emerging Equities Fund("the scheme") which comprises the Balance Sheet as at March 31, 2024, the Revenue Account, the statement of changes in net assets attributable to unitholders and the Cash Flow Statement for the year April 01, 2023 or the launch date of the respective schemes to March 31, 2024 ("the year/the period") and notes to financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- a) in the case of the Balance Sheet, of the state of affairs of the Scheme as at 31<sup>st</sup> March 2024;
- b) in the case of the Revenue Account, of the Surplus/(deficit) of the Scheme for the period/year ended 31<sup>st</sup> March 2024;
- c) statement of changes in net assets attributable to unitholders of scheme for the year ended 31<sup>st</sup> March 2024; and
- d) in the case of the Cash Flow Statement, of the cash flows of the Scheme for the period/year ended 31<sup>st</sup> March 2024.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the accounting standards issued by the ICAI, as applicable, and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in

accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees of Canara Robeco Mutual Fund are responsible for the other information. The other information comprises the information included in the Scheme's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The other information is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a

material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibilities of Management for the Financial Statements**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Board of Trustees are responsible for assessing the Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management of the Investment Manager and the Board of Trustees are responsible for overseeing the Scheme's financial reporting process.

#### **Auditors' Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered

material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2024, and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the

matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by SEBI Regulation 55(4) and Clause 5(ii)(2) of the Eleventh Schedule to the SEBI Regulations, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, the Balance Sheet, the Revenue Account, and the Statement of Changes in net assets attributable to unit holders of scheme, the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Scheme; and
  - (c) The balance sheet, the revenue account, the Statement of Changes in net assets attributable to unit holders of scheme and the cash flow statement, dealt with by this report are in agreement with the books of accounts of the Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2024 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Trustees of Canara Robeco Mutual Fund and are fair and reasonable.

#### **Responsibilities of Management for the Financial Statements**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Board of Trustees are responsible for assessing the Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management of the Investment Manager and the Board of Trustees are responsible for overseeing the Scheme's financial reporting process.

#### **Auditors' Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a

material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2024, and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by SEBI Regulation 55(4) and Clause 5(ii)(2) of the Eleventh Schedule to the SEBI Regulations, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, the Balance Sheet, the Revenue Account, and the Statement of Changes in net assets attributable to unit holders of scheme, the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Scheme; and
  - (c) The balance sheet, the revenue account, the Statement of Changes in net assets attributable to unit holders of scheme and the cash flow statement, dealt with by this report are in agreement with the books of accounts of the Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2024 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Trustees of Canara Robeco Mutual Fund and are fair and reasonable.

**INDEPENDENT AUDITORS' REPORT**

**Board of Trustees,  
Canara Robeco Mutual Fund**

**Report on the audit of Financial Statements**

**Opinion**

We have audited the accompanying financial statements of Canara Robeco Multi Cap Fund("the scheme") which comprises the Balance Sheet as at March 31, 2024, the Revenue Account, the statement of changes in net assets attributable to unitholders and the Cash Flow Statement for the year April 01, 2023 or the launch date of the respective schemes to March 31, 2024 ("the year/the period") and notes to financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- a) in the case of the Balance Sheet, of the state of affairs of the Scheme as at 31<sup>st</sup> March 2024;
- b) in the case of the Revenue Account, of the Surplus/(deficit) of the Scheme for the period/year ended 31<sup>st</sup> March 2024;
- c) statement of changes in net assets attributable to unitholders of scheme for the year ended 31<sup>st</sup> March 2024; and
- d) in the case of the Cash Flow Statement, of the cash flows of the Scheme for the period/year ended 31<sup>st</sup> March 2024.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the accounting standards issued by the ICAI, as applicable, and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled

our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr. No.	Key Audit Matter	Auditor's Response
1	<p><b>Valuation and existence of Investments:</b> The valuation and existence of the portfolio of investments is considered as a key audit matter due to the magnitude of potential misstatement as the portfolio of investments represents the principal element of the net asset of the Scheme.</p>	<p><b>Principal audit procedures performed:</b> We gained an understanding of the internal control structure and operating effectiveness of key controls surrounding valuation and existence of investments. We tested the valuation of the investments by comparing the prices used in the calculation of the Fund NAV from prices obtained from independent sources. We tested the existence of the Investments by obtaining and reconciling the direct confirmations of the holdings from following sources:</p> <ul style="list-style-type: none"> <li>• Custodians of the Scheme</li> <li>• Reserve Bank of India</li> <li>• Clearing Corporation of India Limited</li> </ul> <p>We matched the holdings as per above confirmations with the Scheme's accounting records. We have obtained the reconciliations and reviewed the differences, if any.</p>
2	<p><b>Multiple Information Technology (IT) Systems</b> The controls over IT Systems and the operating effectiveness thereof is considered as a key audit matter as the Scheme is highly dependent on</p>	<p><b>Principal audit procedures performed:</b> We obtained an understanding of the entity's IT related control environment. We identified key IT applications, databases and operating systems that</p>

Sr. No.	Key Audit Matter	Auditor's Response
	<p>technology due to the significant number of transactions that are processed daily and discrete IT Systems used. The audit approach relies extensively on automated controls and therefore on the effectiveness of controls over IT systems.</p> <p>IT application controls are critical to ensure that changes to applications and underlying data are made in an appropriate manner.</p>	<p>are relevant to our audit and have identified key applications relevant for financial reporting.</p> <p>We obtained an understanding of the entity's IT control environment and key changes during the audit period that may be relevant to the audit.</p> <p>We tested the design, implementation, and operating effectiveness of the Entity's General IT controls over the key IT systems that are critical to financial reporting. This included evaluation of entity's controls to evaluate segregation of duties and access rights being provisioned / modified based on duly approved requests, access for exit cases being revoked in a timely manner and access of all users being re-certified during the period of audit.</p> <p>We also tested key automated and manual business cycle controls and logic for system generated reports relevant to the audit; including testing of compensating controls or performed alternate procedures to assess whether there were any unaddressed IT risks that would materially impact the financial statements.</p> <p>We have also placed reliance on System and cyber security audit reports of AMC and other service providers.</p>

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees of Canara Robeco Mutual Fund are responsible for the other information. The other information comprises the information included in the Scheme's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The other information is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent

with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management for the Financial Statements**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Board of Trustees are responsible for assessing the Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management of the Investment Manager and the Board of Trustees are responsible for overseeing the Scheme's financial reporting process.

**Auditors' Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a

material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2024, and are therefore the key audit matters. We describe these

matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by SEBI Regulation 55(4) and Clause 5(ii)(2) of the Eleventh Schedule to the SEBI Regulations, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, the Balance Sheet, the Revenue Account, and the Statement of Changes in net assets attributable to unit holders of scheme, the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Scheme; and
  - (c) The balance sheet, the revenue account, the Statement of Changes in net assets attributable to unit holders of scheme and the cash flow statement, dealt with by this report are in agreement with the books of accounts of the Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2024 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Trustees of Canara Robeco Mutual Fund and are fair and reasonable.

**CANARA ROBECO MUTUAL FUND**  
**ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS**

**Note 20 Additional disclosures forming part of financial statements**

**1. BACKGROUND**

Canara Bank had entered into a joint venture with Orix Corporation Europe N.V. (formerly known as Robeco Groep N.V.) of Netherlands on 19th March 2007. Upon completion of all the necessary formalities, w.e.f. 10th October 2007, the sponsors of the Canara Robeco Mutual Fund (the "Fund") are Orix Corporation Europe N.V. (formerly Robeco Groep N.V.) and Canara Bank. Accordingly, Canbank Investment Management Services Ltd, the asset management company of Canbank Mutual Fund has been renamed as Canara Robeco Asset Management Company Ltd (CRAMC) and Canbank Mutual Fund has been renamed as Canara Robeco Mutual Fund. In terms thereof, Canara Bank holds 51% and OCE India Holding B.V. (formerly Robeco India Holding B.V.) holds 49% of the issued, subscribed and paid up capital of CRAMC.

KFin Technologies Pvt Limited is the Registrar and Transfer Agent for the Schemes of Canara Robeco Mutual Fund. ( Formerly known as Karvy Computershare Private Ltd )

The Hongkong and Shanghai Banking Corporation and HDFC Bank Ltd are the Custodian and Sub-Custodian respectively of the Schemes of Canara Robeco Mutual Fund.

Canara Robeco Mutual Fund (Board of Trustees) are the trustees for the Schemes of Canara Robeco Mutual Fund.

The brief details of following Canara Robeco Mutual Fund schemes are as below:

Scheme Name	Type of Scheme	Investment objective of the scheme	Plans (Available for Subscription)	Fund Manager
Canara Robeco Flexi Cap Fund	An open-ended equity scheme investing across large cap, mid cap, small cap stocks.	To generate capital appreciation by investing in equity and equity related securities. However, there can be no assurance that the investment objective of the scheme will be realized.	Regular Plan - Growth Option Regular Plan - IDCW Direct Plan - Growth Option Direct Plan - IDCW	Shridatta Bhandwaladar Pranav Gokhale
Canara Robeco Emerging Equities	An open-ended equity scheme investing in both large cap and mid cap stocks.	To generate capital appreciation by investing in a diversified portfolio of large and mid-cap stocks. However, there can be no assurance that the investment objective of the scheme will be realized.	Regular Plan - Growth Option Regular Plan - IDCW Direct Plan - Growth Option Direct Plan - IDCW	Shridatta Bhandwaladar Amit Nadekar
Canara Robeco Blue Chip Equity Fund	An open-ended equity scheme predominantly investing in large cap stocks.	To provide capital appreciation by predominantly investing in companies having a large market capitalization. However, there can be no assurance that the investment objective of the scheme will be realized.	Regular Plan - Growth Option Regular Plan - IDCW Direct Plan - Growth Option Direct Plan - IDCW	Shridatta Bhandwaladar Vishal Mishra
Canara Robeco Consumer Trends Fund	An open-ended equity scheme following the consumption and financial theme	The objective of the Scheme is to provide long-term capital appreciation by primarily investing in equity and equity related securities of companies which directly or indirectly benefit from the growing consumer demand in India. However, there can be no assurance that the investment objective of the scheme will be realized	Regular Plan - Growth Option Regular Plan - IDCW Direct Plan - Growth Option Direct Plan - IDCW	Shridatta Bhandwaladar Ennette Fernandes
Canara Robeco Multi Cap Fund	An open-ended equity scheme investing across large cap, mid cap, small cap stocks	The fund aims to generate long-term capital appreciation through diversified investments in equity & equity related instruments across large cap, mid cap, and small cap stocks. However, there can be no assurance or guarantee that the investment objective of the Scheme would be achieved.	Regular Plan - Growth Option Regular Plan - IDCW Direct Plan - Growth Option Direct Plan - IDCW	Vishal Mishra Shridatta Bhandwaladar

Presentation of these separate Balance sheets and Revenue accounts in a columnar form is not intended to indicate that they bear any relation to each other, or are interdependent or comparable in any way.

All the above schemes have been collectively referred as "Schemes".

**2. Basis of preparation of the financial statements**

The financial statements of the Scheme have been prepared on a going concern basis in accordance with Indian Accounting Standards ('IND AS') and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, to the extent it is not in conflict with the SEBI Regulations and guidelines issued thereunder.

The Scheme maintains accounts on accrual basis following the historical cost convention, except for the following items:

- certain financial instruments – fair value

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

\* Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

\* Level 2 — Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

\* Level 3 — Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The Balance Sheet and the Revenue Account have been prepared and presented in the format prescribed in the SEBI Regulations. The Scheme has elected to present cash flows from operating activities using the indirect method and items of income or expense associated with investing or financing cash flows are presented as per the requirements of Ind AS 7 'Statement of Cash Flows'. The disclosure requirements with respect to items in the Balance Sheet and the Revenue account, as prescribed in the SEBI Regulations and Ind AS, are presented by way of notes forming part of the financial statements.

The transition from Previous GAAP to Ind AS has been accounted for in accordance with Ind AS 101 "First Time Adoption of Indian Accounting Standards", w.e.f. April 01, 2023 being the transition date.

**Functional and presentation currency**

AMC has determined that the functional currency of the Scheme is INR. All amounts have been rounded off to the nearest lakh unless otherwise indicated.

**CANARA ROBECO MUTUAL FUND**  
**ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS**

**3 Use of estimates and judgements**

The preparation of the financial statements in conformity with Ind AS requires that the AMC make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures of contingent assets and liabilities as of the date of the financial statements and the income and expense for the reporting period. The actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis.

Estimates and underlying assumptions are reviewed on an ongoing basis.

The Scheme makes certain judgments and estimates for valuation of financial instruments. The AMC believes that the estimates used in the preparation of the financial statements are prudent and reasonable.

Changes in estimates are reflected in the financial statements in the period in which the changes are made and, if material, their effects are disclosed in the notes to the financial statements.

**Assumptions and estimation uncertainties:**

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending March 31, 2025 included in the following notes:

**a. Fair value measurement of financial instruments**

When the fair value of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques as per the valuation policy. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of the financial instruments.

**b. Provisions and contingent liabilities**

The Scheme estimates the provisions that have present obligations as a result of past events, and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates. The Scheme uses significant judgements to disclose contingent liabilities. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Scheme or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognised nor disclosed in the financial statements.

**4 Financial Instruments**

**Recognition and initial measurement of financial assets and financial liabilities**

All financial assets and financial liabilities are initially recognised when the Scheme becomes a party to the contractual provisions of the instrument.

All the financial assets and financial liabilities are initially recognised at fair value. A financial asset or financial liability which is not recognised at FVTPL, is initially measured at transaction price. Transaction costs of financial assets carried at FVTPL are expensed in the revenue account.

Classification and subsequent measurement of financial assets and financial liabilities

Evaluation of Business Model - classification and measurement of financial assets depends on the results of business model and the solely payments of principal and interest ("SPPI") test.

As per Clause 47 of the SEBI Regulations, every mutual fund shall ensure that the AMC computes and carries out valuation of investments made by its scheme in accordance with the investment valuation norms specified in Eighth Schedule. As per Eighth Schedule, the valuation of investments shall be based on the principles of fair valuation i.e. valuation shall be reflective of the realizable value of the securities. The valuation shall be done in good faith and in true and fair manner through appropriate valuation policies and procedures.

The Scheme's portfolio of financial assets is managed, and its performance is evaluated on a fair value basis in accordance with the Scheme's documented investment strategy, together with other related financial information.

The Scheme is required to fair value investment as per SEBI Regulations. Hence, the Scheme has not performed the SPPI Test.

**Investments at fair value through profit or loss (FVTPL)**

All investments are measured at FVTPL. Investments at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognized in the Revenue account. The gain recognized in the Revenue account is included in the 'Gain on Fair Value Change' line item and in case of loss recognized in the Revenue account is included in the 'Loss on Fair Value Change' line item.

**Financial liabilities**

Derivative contracts that have a negative fair value are presented as liabilities at FVTPL. Interest expense and foreign exchange gains and losses are recognised in the Revenue account.

**Financial instruments not measured at fair value**

The carrying value less expected credit loss provision of other financial assets and other financial liabilities are assumed to approximate their fair values due to their short-term nature.

**De-recognition**

The Scheme derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Scheme neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Scheme enters into transactions whereby it transfers assets recognised on its Balance Sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

The Scheme derecognises a financial liability when its contractual obligations are discharged or cancelled or expired.

**Off-setting financial instruments**

Financial assets and liabilities are offset, and the net amount is presented in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

**Expected Credit Loss**

The Scheme assesses at each date of Balance Sheet whether a financial asset or a group of financial assets is impaired. The Fund recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not classified as FVTPL. ECLs are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the entity in accordance with the contract and the cash flows that the Fund expects to receive). ECLs are discounted at the effective interest rate of the financial asset.

**CANARA ROBECO MUTUAL FUND**  
**ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS**

**5 Significant accounting policies**

**a. Determination of net asset value (NAV):**

NAV of the Scheme is computed separately for units issued under the various plans / options. The Scheme's investments and other net assets are managed as a single portfolio. For computing the NAV's for various plans / options, daily income earned, including realized and unrealized gains or losses in the value of investments and derivatives and expenses incurred by the corresponding scheme are allocated to the plans / options in proportion to the net assets of immediately preceding day plus subscriptions less redemptions for the day of the respective plan / options.

Commission to distributor expenses are not allocated to the NAV of Direct Plans.

**b. Unit capital:**

Unit capital represents the net outstanding units at the balance sheet date, thereby reflecting all transactions relating to the period ended on that date.

**c. Unit Premium Reserve**

When units are issued or redeemed, the net premium or discount to the face value of unit is transferred / charged to the unit premium reserve, after an appropriate portion of the issue proceeds and redemption payout is credited or debited respectively to the equalization reserve.

**d. Equalization Reserve**

In case of open-ended schemes, when units are issued or redeemed, distributable surplus per unit (net of unit premium reserve) as on date of the transaction (including distributable surplus at the beginning of the year) is determined. The per units so determined is credited or debited to the equalization account on issue/redemption of each unit respectively.

**e. Investments**

**Accounting for Investment transactions**

As per the SEBI Regulations, brokerage and transaction costs (including all taxes) incurred for the purpose of execution of trade is expensed out i.e. charged to Revenue Account instead of Capitalisation. Any payment towards brokerage and transaction costs in excess of 0.12% in case of cash market transaction and 0.05% in case of derivatives transactions is charged to the Revenue account within the maximum limits of Total Expense Ratio of the Scheme. Securities transaction tax paid at the time of execution of trades is not considered to be part of the above limits.

Interest paid / received from the last interest payment date till the date of purchase / sale of investments by the schemes is not included in the cost of purchase / sale of investments. For purchase, the interest is debited to interest accrued but not due account. Similarly, for sale, interest from the last interest payment date up to the date of sale is not treated as an addition to sale value but credited to interest accrued but not due account.

Change in fair value of investments is determined separately for each category of investments. The change in the fair value, if any, between two balance sheet dates is recognised in the revenue account. However, gain in fair value change, if any, is transferred to unrealized appreciation reserve in statement of net asset attributable to unit holders.

\* Right entitlements are recognised as investments on the ex-rights date.

\* Bonus entitlements are recognised as investments on the ex-bonus date.

\* Other Corporate Action entitlements are recognised on the ex-date.

**f. Derivative transactions**

Initial Margin paid against equity derivatives is accounted as current assets. Realized gain / loss on square off of equity derivatives are accounted as realized gain / loss on derivate transaction. If the position is not squared off or roll over until the expiry date, the outstanding derivative position is physically settled at the price at which the derivative transaction was initiated.

**g. Foreign Currency Transactions**

**Initial recognition**

Transactions in foreign currencies are translated into INR at the spot exchange rate at the dates of the transactions.

**Conversion / Remeasurement**

Monetary assets and liabilities denominated in foreign currencies are translated into INR at the closing spot exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in foreign currencies are also translated into INR at the spot exchange rate at the reporting date.

**Exchange differences**

Foreign currency differences arising on translation are recognised in profit or loss as net foreign exchange gains/losses, except for those arising on financial instruments at Fair Value through Profit or Loss ('FVTPL'), which are recognised as a component of net income from financial instruments at FVTPL.

All the assets and liabilities in foreign currency are converted in Indian Rupees on the basis of Foreign Exchange rate quoted on <<mention the source name>> around the time such assets and liabilities are valued (which is currently around <<Time>>).

**CANARA ROBECO MUTUAL FUND**  
**ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS**

**h. Valuation of investments (including derivatives)**

**i) Equity and related securities**

All traded investments are valued at the last quoted closing price on the National Stock Exchange Limited (NSE)/ BSE Limited (BSE) or other stock exchange, where such security is listed. If not traded on the primary stock exchange, the closing price on the other stock exchange is considered. NSE is the primary stock exchange.

When a security is not traded on any stock exchange, on the date of valuation, then the previous closing price on NSE / BSE or any other Stock Exchange is used, provided such closing price is not exceeding a period of 30 calendar days.

When trading in an equity/equity related security in a calendar month is both less than INR 5 lacs and the total volume is less than 50,000 shares, it shall be considered as a thinly traded security.

All non-traded and thinly traded equity investments are valued in accordance with the norms prescribed in the SEBI guidelines for valuation, i.e., valuation is computed on the basis of average of book value and the price computed on the basis of the PE ratio (after appropriate discount for lower liquidity), and using the last traded price if available.

All non-traded convertible preference share investments are valued based on underlying equity, discounted for illiquidity, if required as decided by the Valuation Committee. Redeemable Preference Shares are valued by discounting the future cash flows based on discounting rate decided by the Valuation Committee.

All equity warrants / rights entitlement / partly paid up rights shares are valued after applying appropriate discount, after reducing the exercise price / issuance price from the closing price of the underlying equity security.

**ii) Futures & Options**

Options are valued on the basis of Options premium received/paid which is marked to market based on the closing price provided by the respective stock exchanges. Futures contracts are valued at the last quoted closing price provided by the respective stock exchanges.

When a contract is not traded on the respective stock exchange on the date of valuation, then valuation is at the settlement price provided by the respective stock exchange.

**iii) Debt, Money Market and related securities**

All traded and non-traded investments are valued at average of scrip level prices provided by CRISIL & ICRA LTD for individual securities.

All non-traded bonus debentures are valued at face value till receipt of scrip level valuations from CRISIL & ICRA LTD.

**i. Revenue recognition:**

Dividend income is recognized on the ex-dividend date. Dividend income on foreign securities are recognized net of applicable taxes withheld in the respective countries.

Interest income is recognized on an accrual basis.

Further, in accordance SEBI Circular, the treatment of accrued interest and future accrual of interest in case of money market and debt securities classified as below investment grade or default is detailed below:

\* For accrued interest - Indicative haircut that has been applied to the principal is applied.

\* For future interest accrual - In securities classified as below investment grade - Interest accrual is continued with the same haircut applied to the principal.

In securities classified as default - No further interest accrual.

Profit or loss on sale / inter scheme transfer / redemption of investments represents sale proceeds less weighted average cost is recognized on a trade date basis.

The discount or premium, if any, to the maturity value of debt securities is amortized and recognized as interest amortized income or expense, as the case may be, over the period of maturity.

**j. Load charges:**

In accordance with the SEBI Regulations, entire amount of Exit load collected is credited to the respective Scheme net of taxes as "Other Income".

**k. Investor education and awareness initiatives:**

In accordance with the SEBI Regulations, the Scheme is accruing 0.02% p.a. on daily net assets towards investor education and awareness initiatives. Of the total, 0.01% is transferred to AMFI on a monthly basis and the remaining 0.01% is utilized for meeting the investor education expenses. Any unutilized amount is carried forward to the subsequent period. Interest earned, if any, by investment of unutilized amount in Fixed deposits, is credited to the investor education liability.

**CANARA ROBECO MUTUAL FUND**  
**ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS**

**i. Expenses:**

Fees and commission expenses are recognised in Revenue account as the related services are received. All expenses are accounted for on an accrual basis as per approved expenses structures of respective schemes. As per the SEBI Regulations, all scheme related expenses including commission paid to distributors are paid from the schemes within the regulatory limits defined under the SEBI Regulations and as specified in the Scheme Information Document read with Statement of Additional Information.

New fund offer expenses are borne by the AMC as per the SEBI Regulations.

Scheme are charged additional expenses not exceeding of 0.30 per cent of their daily net assets based on the new inflows from such cities as specified by SEBI. Additional expenses charged are utilized for distribution expenses incurred for bringing inflows from such cities. Effective March 1, 2023, based on AMFI directive, no expenses under this head have been accrued, for inflows received, post February 28, 2023. In case the said inflows are redeemed within a period of one year from the date of investment, the amount incurred as commission to distributor on account of inflows from such cities is credited back to the Scheme as "Other income".

**m. Tri Party Repo (TREP's).**

TREP's are valued at cost and interest is accrued on daily basis.

**n. Income Tax:**

No income tax provision has been made as the Schemes qualifies as a recognized Mutual Fund under section 10 (23D) of the Income-tax Act, 1961.

However, some dividend and interest income received by the Scheme is subject to withholding tax imposed in certain countries of origin. Income that is subject to such tax is recognised net of the taxes and the corresponding withholding tax is not recognised as tax expense.

**o. Operating segments**

An operating segment is a component of the Scheme that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Scheme's other components, and for which discrete financial information is available. The Scheme is primarily engaged in the business of investing amounts received from investors, in accordance with their investment objectives to generate returns. Since there is only one business segment and no geographical segments, this in the context of Ind AS 108 – Operating Segments reporting is considered to constitute one reportable segment.

**p. Cash and cash equivalents**

The Scheme considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of Triparty repo which are unrestricted for withdrawal and usage.

**q. Standards issued but not yet effective**

No new standards or amendments to the existing standards are applicable to the Scheme.

CANARA ROBECO MUTUAL FUND  
NOTES FORMING PART OF FINANCIAL STATEMENTS  
(All amounts in Lakhs of Rupees)

**Note 21 Additional disclosures forming part of financial statements**

**1. Financial risk review and management**

**Risk Management Framework:**

The Schemes invest in financial instruments in accordance with their respective investment management strategies. The Scheme's investment portfolio comprises listed equity securities, debt, and money market securities.

The Fund Manager has been given discretionary authority to manage the assets in line with the Scheme's investment objectives. Compliance with the mandated asset allocation mentioned in the Scheme Information Document (SID) and the composition of the portfolio are monitored by the board of directors on a quarterly basis. In the event of deviation from mandated asset allocation due to passive breaches (occurrence of instances not arising out of omission and commission of the AMC's), the AMC is obliged to take actions to rebalance the portfolio within prescribed time limits.

This note presents information about the Scheme's exposure to each of the financial risks.

**A. Credit risk, collateral provided and offsetting.**

- i. Credit quality analysis
- ii. Concentration of credit risk
- iii. Collateral and other credit enhancements, and their financial effect
- iv. Amounts arising from Expected Credit Loss
- v. Offsetting financial assets and financial liabilities

**B. Liquidity risk**

**C. Market risk**

- i. Interest rate risk
- ii. Currency risk
- iii. Other price risk

**D. Operational Risk**

**E. Capital Management**

**A. Credit Risk:**

'Credit risk' is the risk that a counterparty to a financial instrument will fail to discharge an obligation or commitment that it has entered with the Scheme, resulting in a financial loss to the Scheme. It arises principally from debt securities held, and from derivative financial assets, cash, and cash equivalents, balances due from brokers. For risk management reporting purposes, the Scheme considers and aggregates all elements of credit risk exposure (such as sector risk).

The Scheme's policy over credit risk is to minimize its exposure to counterparties with perceived higher risk of default by dealing only with counterparties that meet the credit standards set out in the Scheme's SID and by taking collateral. The AMC has a specific Credit Risk Policy along with a Credit Exposure Framework outlining the investment guidelines relating to Credit Risk.

Credit risk is monitored daily by the AMC in accordance with the policies and procedures in place. The AMC monitors the limits on a daily basis and reports to the Investment team of any passive breaches. This is also presented in the Investment Committee & Risk Management Committee on a monthly basis along with stress testing results and any other credit related matters like early warning signal, yield triggers etc. The Scheme's credit risk is monitored on a quarterly basis by the board of directors. If the credit risk is not in accordance with the investment policy or guidelines of the Scheme, then the AMC is obliged to rebalance the portfolio within thirty days of each determination that the portfolio is not in compliance with the stated investment parameters.

Management analysis will be used to identify company specific risks. Management's past track record will also be studied. To assess financial risk a detailed assessment of the issuer's financial statements will be undertaken. In the case of securitized debt instruments, the scheme will ensure that these instruments are sufficiently backed by assets.

The Scheme's activities may give rise to settlement risk. 'Settlement risk' is the risk of loss due to the failure of an entity to honor its obligations to deliver cash, securities or other assets as contractually agreed.

For the majority of transactions, settlement takes place through CCIL or clearing house. In case of counterparty trades, pruning of the counterparties used to mitigate settlement risk.

**i. Credit quality analysis.**

The Scheme's exposure to credit risk arises in respect of the following financial instruments:

- > Cash and cash equivalents:
- > Contract for sale of investment in securities and Derivative financial instruments receivable:
- > Securities Lending and Borrowing (SLB):
- > Investments in debt and money market securities; and
- > Derivative assets

**CANARA ROBECO MUTUAL FUND  
NOTES FORMING PART OF FINANCIAL STATEMENTS**

> **Cash and cash equivalents:**

The cash and cash equivalents are held with banks and in Tri Party Repo with the Clearing Corporation of India Ltd (CCL).

> **Contract for sale of investment in securities and Derivative financial instruments receivable:**

Contract for sale of investment in Securities and Derivative financial instruments receivable represent margin accounts and sales transactions awaiting settlement. Credit risk relating to unsettled transactions is considered small due to the short settlement period involved, settlement of trades through various clearing platforms and pruning of the counterparties used.

As at the reporting date, following were the Contract for sale of investment in securities concentrated among issuers/counterparties

	Canara Robeco Flexi Cap Fund	Canara Robeco Emerging Equities	Canara Robeco Blue Chip Equity Fund	Canara Robeco Consumer Trends Fund	Canara Robeco Multi Cap Fund
March 31, 2024	-	1.39%	-	-	1.16%
March 31, 2023	0.24%	0.13%	-	-	-

> **Investments in debt and money market securities -Nil ( Previous Year - Nil)**

ii. **Concentration of credit risk**

The AMC reviews the credit concentration of debt and money market securities held based on counterparties and industries.

As at the reporting date, the Scheme's debt and money market securities exposures was Nil . ( Previous year - Nil)

iii. **Collateral and other credit enhancements, and their financial effect**

The schemes have not invested in derivative instruments or in Securities Lending and Borrowing contracts.

iv. **Amounts arising from Expected Credit Loss (ECL)**

The Scheme continuously monitors all financial assets subject to ECLs. In order to determine whether an instrument is subject to 12-month ECL (12mECL) or Lifetime ECL (LTECL), the Scheme assesses whether there has been a significant increase in credit risk or the asset has become credit impaired since initial recognition. The Scheme applies following quantitative and qualitative criteria to assess whether there is significant increase in credit risk, or the asset has been credit impaired.

- Historical trend of collection from counterparty
- The Scheme's contractual rights with respect to recovery of dues from counterparty
- Credit rating of counterparty and any relevant information available in public domain

ECL is a probability weighted estimate of credit losses. It is measured as the present value of cash shortfalls (i.e. the difference between the cash flows due to the Scheme in accordance with contract and the cash flows that the Scheme expects to receive).

The Scheme has following types of financial assets that are subject to the expected credit loss:

- Contract from sale of investment in securities.
- Cash and cash equivalent.
- Balance with Bank
- Switch in receivable.

Based on the experience, the AMC expects to receive these amounts in full.

CANARA ROBECO MUTUAL FUND  
NOTES FORMING PART OF FINANCIAL STATEMENTS

v. Offsetting financial assets and financial liabilities

Financial assets and financial liabilities are offset, and the net amount presented in the balance sheet when, and only when, the scheme currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously. The Scheme has not offset any financial assets and financial liabilities during the year.

B. Liquidity risk

'Liquidity risk' is the risk that the Scheme will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

The Scheme's policy and the AMC's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stress conditions, including estimated redemptions of units, without incurring unacceptable losses or risking damage to the Scheme's reputation.

The Scheme's investments in listed securities are considered to be readily realizable because they are traded on major stock exchanges in India.

The Scheme's liquidity risk is managed daily by the AMC in accordance with the policies and procedures in place. The AMC has a Liquidity Risk management policy in place which outlines the investment guidelines & the risk management procedures.

The Scheme's overall liquidity risk is monitored daily by the AMC.

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted and include estimated interest payments.

The table above shows the undiscounted cash flows of the Scheme's financial liabilities based on their earliest possible contractual maturity. The Scheme's expected cash flows on these instruments do not vary significantly from this analysis.

The Scheme manages its liquidity risk by following minimum liquidity requirement for open ended equity and debt schemes.

**C. Market risk**

'Market risk' is the risk that changes in market prices – e.g. interest rates, equity prices and credit spreads – will affect the Scheme's income or the fair value of investment held.

The Scheme's strategy for management of market risk is driven by the Scheme's investment objective as mentioned in the accounting policy.

The Scheme's market risk is managed daily by the AMC in accordance with the policies and procedures in place. The AMC has Credit Risk, Liquidity Risk, Stress Testing & Investment policies which cover the scheme's market risk along with management thereof. The Scheme's market positions are monitored daily by the AMC.

**i. Interest rate risk**

The Scheme is exposed to the risk that the fair value or future cash flows of its investment will fluctuate because of changes in market interest rates. In respect of the Scheme's interest-bearing financial instruments, the AMC has Credit Risk, Liquidity Risk, Stress Testing & Investment policies which cover the schemes Interest risk along with management thereof.

The internal procedures require the AMC to manage interest rate risk on an ongoing basis in accordance with the policies and procedures in place. If the interest rate risk is not in accordance with the investment policy or guidelines of the Scheme, then the investment manager is required to rebalance the portfolio.

**Exposure to interest rate risk**

A summary of the Scheme's investments that are exposed to interest rate is as follows

(Rs. In Lakhs)

	Canara Robeco Small Cap Fund	Canara Robeco Focused Equity Fund	Canara Robeco Value Fund	Canara Robeco Mid Cap Fund	Canara Robeco Manufacturing Fund

CANARA ROBECO MUTUAL FUND  
NOTES FORMING PART OF FINANCIAL STATEMENTS

ii. Currency risk

Not Applicable as there are no schemes investing in foreign securities.

iii. Exposure to Other price risk

'Other price risk' is the risk that the fair value of the financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether caused by factors specific to an individual investment or its issuer or factors affecting all instruments traded in the market.

Price risk is managed by the AMC by diversifying the portfolio. Apart from SEBI investment limit restrictions, the AMC has devised its own prudent internal limits to manage risks.

The internal procedures require the AMC to manage price risk on an ongoing basis.

If the price risk is not in accordance with the investment policy or guidelines of the Scheme, then the AMC is required to rebalance the portfolio.

The following table sets out the concentration of the investment assets and liabilities, excluding derivatives held by the Scheme as at the reporting date.

Sensitivity analysis

The table below sets out the effect on net assets attributable to the unit holders of a reasonably possible weakening in the individual equity market prices of 1% at March 31, 2024. The estimates include all exposures to equity price risks – i.e. long and short positions in equity securities as well as derivatives. The estimates are made on an individual security basis. The analysis assumes that all other variables, in particular interest rates, remain constant.

Particulars	Canara Robeco Flexi Cap Fund	Canara Robeco Emerging Equities	Canara Robeco Blue Chip Equity Fund	Canara Robeco Consumer Trends Fund	Canara Robeco Multi Cap Fund
	March 31, 2024	March 31, 2024	March 31, 2024	March 31, 2024	March 31, 2024
Net loss from equity exposures	11,660.55	19,976.95	12,139.19	1,366.97	1,934.01
Effect in % on net assets attributable to the unitholders	0.98%	0.94%	0.99%	1.00%	0.97%

A strengthening in the individual equity market prices of 1% at March 31, 2024 would result in an equal but opposite effect to the amounts shown above.

Effect in % on net assets attributable to the unitholders	0.97%	0.94%	0.93%	0.97%	-

CANARA ROBECO MUTUAL FUND  
NOTES FORMING PART OF FINANCIAL STATEMENTS

A strengthening in the individual equity market prices of 1% at March 31, 2023 would result in an equal but opposite effect to the amounts shown above.

All investments in debt and money market securities are fixed-income instruments that have maturities of various buckets. The Schemes expect price fluctuations for these investments to arise principally from interest rate or credit risk. As a result, the Schemes are not subject to significant other price risk on these investments.

The AMC monitors the concentration of risk for equity, debt and money market securities based on counterparties and industries. Refer Annexure II for the Scheme's investments across various industries.

**D. Operational risk**

'Operational risk' is the risk of direct or indirect loss arising from a wide variety of causes associated with the processes, technology and infrastructure supporting the Scheme's activities with financial instruments, either internally within the Scheme or externally at the Scheme's service providers, and from external factors other than credit, market and liquidity risks such as those arising from legal and regulatory requirements and generally accepted standards of investment management behaviour.

The Scheme's objective is to manage operational risk so as to balance the limiting of financial losses and damage to reputation with achieving their respective investment objective of generating returns to investors.

The primary responsibility for the development and implementation of controls over operational risk rests with the AMC. This responsibility is supported by the development of overall standards for the management of operational risk, which encompasses the controls and processes at the service providers and the establishment of service levels with the service providers, in the following areas:

- documentation of controls and procedures.
- requirements for:
- appropriate segregation of duties between various functions, roles and responsibilities.
- reconciliation and monitoring of transactions; and
- periodic assessment of operational risk faced.
- the adequacy of controls and procedures to address the risks identified.
- compliance with regulatory and other legal requirements.
- development of contingency plans.
- training and professional development.
- ethical and business standards; and
- risk mitigation, including insurance if this is effective.

The AMC's assessment of the adequacy of the controls and processes in place at the service providers with respect to operational risk is carried out via regular and ad hoc discussions with the service providers and a review of the service providers' ISAE-3402 reports on internal controls, that are available, System & Cybersecurity Audit Reports.

Substantially all the assets of the Scheme are held by the two custodians HSBC and HDFC Bank. The bankruptcy or insolvency of the Scheme's custodian may cause the Scheme's rights with respect to the securities held by the custodian to be limited. The AMC monitors the credit ratings and capital adequacy of its custodian on a Half Yearly basis, and reviews the findings documented in the ISAE-3402 Audit report on the internal controls System and Cybersecurity Audit Reports as per their respective periodicity.

**E. Capital Risk Management**

The Scheme considers its net assets attributable to unit holders as capital. The amount of net assets attributable to unitholders can change significantly daily as the Scheme is subject to daily applications and redemptions at the discretion of unitholders.

Daily applications and redemptions are reviewed relative to the liquidity of the Scheme's underlying assets daily by the AMC.

NOTES FORMING PART OF FINANCIAL STATEMENTS

2. Fair Value of Financial Instruments:

A. Fair Value Hierarchy:

As per Ind AS 113, 'Fair Value Measurement', the fair values of the financial assets or financial liabilities are defined as the price that would be received on sale of asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that is either observable or unobservable. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities and lowest priority to unobservable inputs.

The hierarchy used is as follows:

- \* Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- \* Level 2 — Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices). Investment in all mutual fund schemes is included in Level 2.
- \* Level 3 — Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

B. Accounting classification and fair valuation:

The following table shows the fair values or carrying value of investment, including their levels in the fair value hierarchy.

\* Cash and cash equivalents, Bank balance other than cash and cash equivalents and Other financial assets are carried at amortized cost which is a reasonable approximation of its fair value largely due to the short-term maturities of these instruments. Accordingly, fair value hierarchy for these financial instruments has not been presented above.

\*\* Other financial liabilities are carried at amortized cost which is a reasonable approximation of its fair value.

**C. Valuation techniques and significant observable/unobservable inputs:**

The following table shows the valuation techniques used in measuring level 1, level 2 and level 3 fair values for financial instruments measured at fair value in the balance sheet, as well as significant observable/unobservable inputs used.

Level	Type	Valuation Technique	Significant observable inputs	Inter-relationship between significant unobservable inputs and fair value measurement
Level 1	Listed Equity Instruments	Quoted Price	Quoted Price	N.A.
Level 2	Debt and Money Market securities including Government securities and Treasury Bills	Prices provided by valuation agencies	Traded Prices	N.A.
	Units of mutual fund schemes/AIF	Declared NAV	Declared NAV	N.A.
Level 3	N.A.	N.A.	N.A.	N.A.

**D. Fair value measurement using significant unobservable inputs (level 3)**

During the period, there were no purchase or sale of Level 3 securities where fair value measurements were applied.

**E. Transfer of financial asset between level**

There were no transfers from Level 1 to Level 3 and Level 2 to Level 3 or in either direction during the year ended 31 March 2024 and 31 March 2023 respectively.

CANARA ROBECO MUTUAL FUND  
NOTES FORMING PART OF FINANCIAL STATEMENTS

4. **Transferred financial assets that are not derecognised in their entirety.**

**Security Lending and Borrowing**

Security Lending and Borrowing are transactions in which the Scheme sells a security and simultaneously agrees to repurchase it (or an asset that is substantially the same) at a fixed price on a future date. The Scheme continues to recognize the securities in their entirety in the Balance Sheet because it retains substantially all the risks and rewards of ownership. The cash consideration received is recognized as a financial asset and a financial liability is recognized for the obligation to pay the repurchase price. Because the Scheme sells the contractual rights to the cash flows of the securities, it does not have the ability to use the transferred assets during the term of the arrangement.

The schemes had no exposure to Security Lending and Borrowing during the year ended 31 March 2024 and 31 March 2023 respectively.

5. **Segment Reporting**

The Scheme is primarily engaged in the business of investing amounts received from investors, in accordance with their investment objectives to generate returns. Since there is only one business segment and no geographical segments, the segmental reporting disclosures as required by IND AS 108 "Operating Segments" are not required to be made.

6. **Ind AS 101 - First time Adoption of Ind AS**

These financial statements, for the year ending March 31, 2024, are the first financial statements the Scheme, has prepared in accordance with Indian Accounting Standards ('IND AS') and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, to the extent it is not in conflict with the SEBI Regulations and guidelines issued thereunder.

For periods up to and including the year ended March 31, 2023, the Scheme prepared its financial statements in accordance with generally accepted accounting principal (Previous GAAP) in conformity with the accounting policies and standards specified in the Ninth Schedule to the SEBI Regulations and as specified by the Board from time to time. Accordingly, the Scheme has prepared financial statements which comply with Ind AS applicable for periods ending on March 31, 2024, together with the comparative period data as at and for the year ended March 31, 2023, as described in the summary of material accounting policies. In preparing these financial statements, the Scheme's opening balance sheet was prepared For the Year Ended 31st March, 2022, i.e. date of transition to Ind AS. This note explains the principal adjustments made by the Scheme in restating its Previous GAAP financial statements, including the balance sheet For the Year Ended 31st March, 2022, and the financial statements as at and for the year ended March 31, 2023.

7. **Notes to Adjustment**

Under the previous GAAP and in accordance with SEBI circular, brokerage, and transaction costs (including all taxes) incurred for the purpose of execution of trade upto 0.12% in case of cash market transaction and upto 0.05% in case of derivatives transactions along with 0.10% of Securities Transaction Tax were capitalized in cost of investment.

Under Ind AS and in accordance with SEBI circular, brokerage, and transaction costs (including all taxes) incurred for the purpose of execution of trade upto 0.12% in case of cash market transaction and upto 0.05% in case of derivatives transactions along with 0.10% of Securities Transaction Tax is expensed out i.e. charged to Revenue Account instead of capitalization.

Reconciliation of equity net asset attributable to unitholders as reported under Previous GAAP and that computed under Ind AS: There is no impact on net assets attributable to unitholders due to this adjustment.

Statement of reconciliation of net profit surplus or deficit under Ind AS and Previous GAAP: There is no impact on net surplus or deficit due to this adjustment.

Reconciliation of Statement of Cash Flows - There were no material differences between statement of cash flows presented under Ind AS and Previous GAAP.

NOTES FORMING PART OF FINANCIAL STATEMENTS  
(All amounts in Lakhs of Rupees)

Note 21 Additional disclosures forming part of financial statements

12. Investor Education Fund (IEF) & Investor Education and Awareness Initiatives (IEAI)

Schedule Annexed to and forming part of the Balance Sheet as at March 31, 2024 and the Revenue Account for the year/period ended on that date

As per paragraph 10.1.16 of Master circular dated 19th May 2023, an annual charge of 2 basis points (0.02% p.a.) of daily net assets, being part of total recurring expenses is set aside for Investor Education and Awareness Initiatives (IEAI) in accordance with SEBI (Mutual Funds) Regulations, 1996 as amended and circulars issued thereunder. These funds set aside are used only for meeting expenses for Investor Education and Awareness Initiatives.

Pursuant to letter no. IMD/DF2/RS/813/2016 dated January 08, 2016 issued by SEBI to AMFI, from April 1, 2016 onwards, 50% of the 2 bps accrual on daily net assets set aside by mutual funds for investor education and awareness initiative is being transferred to AMFI.

In terms of the AMFI Best Practices Guidelines Circular No. 56/2015-16, the residual 50% of the 2 bps of the IEF accrual of all the schemes of Canara Robeco Mutual Fund is set aside in a separate fund "Canara Robeco Mutual Fund – Investor Education Fund" ("IEF Fund") and all income earned on the Investment of this amount is credited to IEF Fund Account and expenses incurred on investor education have been reduced from the IEF Fund.

The Fund has transferred during the year Rs.772.17 lakhs (Previous Year Rs.568.18 lakhs) to AMFI being 50% of the annual charge of IEAI of 2 basis points p.a. of daily net assets and the balance of Rs.772.17 lakhs (Previous Year Rs.568.18 lakhs) is transferred to IEF Fund.

| Particulars                                                       | (Rs. In Lakhs) |            |

**INDEPENDENT AUDITORS' REPORT**

**Board of Trustees,  
Canara Robeco Mutual Fund**

**Report on the audit of Financial Statements**

**Opinion**

We have audited the accompanying financial statements of Canara Robeco Small Cap Fund("the scheme") which comprises the Balance Sheet as at March 31, 2024, the Revenue Account, the statement of changes in net assets attributable to unitholders and the Cash Flow Statement for the year April 01, 2023 or the launch date of the respective schemes to March 31, 2024 ("the year/the period") and notes to financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- a) in the case of the Balance Sheet, of the state of affairs of the Scheme as at 31<sup>st</sup> March 2024;
- b) in the case of the Revenue Account, of the Surplus/(deficit) of the Scheme for the period/year ended 31<sup>st</sup> March 2024;
- c) statement of changes in net assets attributable to unitholders of scheme for the year ended 31<sup>st</sup> March 2024; and
- d) in the case of the Cash Flow Statement, of the cash flows of the Scheme for the period/year ended 31<sup>st</sup> March 2024.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the accounting standards issued by the ICAI, as applicable, and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled

our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

| Sr. No. | Key Audit Matter                                                                                                                                                                                                                                                                                             | Auditor's Response                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees of Canara Robeco Mutual Fund are responsible for the other information. The other information comprises the information included in the Scheme's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The other information is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent

with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management for the Financial Statements**

The Management of Canara Robeco Asset Management Company Limited (the “Investment Manager”) and the Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Board of Trustees are responsible for assessing the Scheme’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management of the Investment Manager and the Board of Trustees are responsible for overseeing the Scheme’s financial reporting process.

**Auditors’ Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a

material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2024, and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by SEBI Regulation 55(4) and Clause 5(ii)(2) of the Eleventh Schedule to the SEBI Regulations, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, the Balance Sheet, the Revenue Account, and the Statement of Changes in net assets attributable to unit holders of scheme, the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Scheme; and
  - (c) The balance sheet, the revenue account, the Statement of Changes in net assets attributable to unit holders of scheme and the cash flow statement, dealt with by this report are in agreement with the books of accounts of the Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2024 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Trustees of Canara Robeco Mutual Fund and are fair and reasonable.

**INDEPENDENT AUDITORS' REPORT**

**Board of Trustees,  
Canara Robeco Mutual Fund**

**Report on the audit of Financial Statements**

**Opinion**

We have audited the accompanying financial statements of Canara Robeco Focused Equity Fund("the scheme") which comprises the Balance Sheet as at March 31, 2024, the Revenue Account, the statement of changes in net assets attributable to unitholders and the Cash Flow Statement for the year April 01, 2023 or the launch date of the respective schemes to March 31, 2024 ("the year/the period") and notes to financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- a) in the case of the Balance Sheet, of the state of affairs of the Scheme as at 31<sup>st</sup> March 2024;
- b) in the case of the Revenue Account, of the Surplus/(deficit) of the Scheme for the period/year ended 31<sup>st</sup> March 2024;
- c) statement of changes in net assets attributable to unitholders of scheme for the year ended 31<sup>st</sup> March 2024; and
- d) in the case of the Cash Flow Statement, of the cash flows of the Scheme for the period/year ended 31<sup>st</sup> March 2024.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the accounting standards issued by the ICAI, as applicable, and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled

our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees of Canara Robeco Mutual Fund are responsible for the other information. The other information comprises the information included in the Scheme's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The other information is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent

with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management for the Financial Statements**

The Management of Canara Robeco Asset Management Company Limited (the “Investment Manager”) and the Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Board of Trustees are responsible for assessing the Scheme’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management of the Investment Manager and the Board of Trustees are responsible for overseeing the Scheme’s financial reporting process.

**Auditors’ Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a

material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2024, and are therefore the key audit matters. We describe these

matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by SEBI Regulation 55(4) and Clause 5(ii)(2) of the Eleventh Schedule to the SEBI Regulations, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, the Balance Sheet, the Revenue Account, and the Statement of Changes in net assets attributable to unit holders of scheme, the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Scheme; and
  - (c) The balance sheet, the revenue account, the Statement of Changes in net assets attributable to unit holders of scheme and the cash flow statement, dealt with by this report are in agreement with the books of accounts of the Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2024 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Trustees of Canara Robeco Mutual Fund and are fair and reasonable.

**INDEPENDENT AUDITORS' REPORT**

**Board of Trustees,  
Canara Robeco Mutual Fund**

**Report on the audit of Financial Statements**

**Opinion**

We have audited the accompanying financial statements of Canara Robeco Value Fund ("the scheme") which comprises the Balance Sheet as at March 31, 2024, the Revenue Account, the statement of changes in net assets attributable to unitholders and the Cash Flow Statement for the year April 01, 2023 or the launch date of the respective schemes to March 31, 2024 ("the year/the period") and notes to financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- a) in the case of the Balance Sheet, of the state of affairs of the Scheme as at 31<sup>st</sup> March 2024;
- b) in the case of the Revenue Account, of the Surplus/(deficit) of the Scheme for the period/year ended 31<sup>st</sup> March 2024;
- c) statement of changes in net assets attributable to unitholders of scheme for the year ended 31<sup>st</sup> March 2024; and
- d) in the case of the Cash Flow Statement, of the cash flows of the Scheme for the period/year ended 31<sup>st</sup> March 2024.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the accounting standards issued by the ICAI, as applicable, and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled

our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees of Canara Robeco Mutual Fund are responsible for the other information. The other information comprises the information included in the Scheme's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The other information is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent

with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management for the Financial Statements**

The Management of Canara Robeco Asset Management Company Limited (the “Investment Manager”) and the Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Board of Trustees are responsible for assessing the Scheme’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management of the Investment Manager and the Board of Trustees are responsible for overseeing the Scheme’s financial reporting process.

**Auditors’ Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a

material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2024, and are therefore the key audit matters. We describe these

matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by SEBI Regulation 55(4) and Clause 5(ii)(2) of the Eleventh Schedule to the SEBI Regulations, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, the Balance Sheet, the Revenue Account, and the Statement of Changes in net assets attributable to unit holders of scheme, the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Scheme; and
  - (c) The balance sheet, the revenue account, the Statement of Changes in net assets attributable to unit holders of scheme and the cash flow statement, dealt with by this report are in agreement with the books of accounts of the Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2024 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Trustees of Canara Robeco Mutual Fund and are fair and reasonable.

**INDEPENDENT AUDITORS' REPORT**

**Board of Trustees,  
Canara Robeco Mutual Fund**

**Report on the audit of Financial Statements**

**Opinion**

We have audited the accompanying financial statements of Canara Robeco Mid Cap Fund ("the scheme") which comprises the Balance Sheet as at March 31, 2024, the Revenue Account, the statement of changes in net assets attributable to unitholders and the Cash Flow Statement for the year April 01, 2023 or the launch date of the respective schemes to March 31, 2024 ("the year/the period") and notes to financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- a) in the case of the Balance Sheet, of the state of affairs of the Scheme as at 31<sup>st</sup> March 2024;
- b) in the case of the Revenue Account, of the Surplus/(deficit) of the Scheme for the period/year ended 31<sup>st</sup> March 2024;
- c) statement of changes in net assets attributable to unitholders of scheme for the year ended 31<sup>st</sup> March 2024; and
- d) in the case of the Cash Flow Statement, of the cash flows of the Scheme for the period/year ended 31<sup>st</sup> March 2024.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the accounting standards issued by the ICAI, as applicable, and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in

accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

| Sr. No. | Key Audit Matter                                                                                                                                                                                                                                                                                             | Auditor's Response                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees of Canara Robeco Mutual Fund are responsible for the other information. The other information comprises the information included in the Scheme's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The other information is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a

material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management for the Financial Statements**

The Management of Canara Robeco Asset Management Company Limited (the “Investment Manager”) and the Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Board of Trustees are responsible for assessing the Scheme’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management of the Investment Manager and the Board of Trustees are responsible for overseeing the Scheme’s financial reporting process.

**Auditors’ Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered

material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2024, and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the

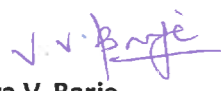

matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by SEBI Regulation 55(4) and Clause 5(ii)(2) of the Eleventh Schedule to the SEBI Regulations, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, the Balance Sheet, the Revenue Account, and the Statement of Changes in net assets attributable to unit holders of scheme, the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Scheme; and
  - (c) The balance sheet, the revenue account, the Statement of Changes in net assets attributable to unit holders of scheme and the cash flow statement, dealt with by this report are in agreement with the books of accounts of the Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2024 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Trustees of Canara Robeco Mutual Fund and are fair and reasonable.

## INDEPENDENT AUDITORS' REPORT

Board of Trustees,  
Canara Robeco Mutual Fund

### Report on the audit of Financial Statements

#### Opinion

We have audited the accompanying financial statements of Canara Robeco Manufacturing Fund("the scheme") which comprises the Balance Sheet as at March 31, 2024, the Revenue Account, the statement of changes in net assets attributable to unitholders and the Cash Flow Statement for the year April 01, 2023 or the launch date of the respective schemes to March 31, 2024 ("the year/the period") and notes to financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- a) in the case of the Balance Sheet, of the state of affairs of the Scheme as at 31<sup>st</sup> March 2024;
- b) in the case of the Revenue Account, of the Surplus/(deficit) of the Scheme for the period/year ended 31<sup>st</sup> March 2024;
- c) statement of changes in net assets attributable to unitholders of scheme for the year ended 31<sup>st</sup> March 2024; and
- d) in the case of the Cash Flow Statement, of the cash flows of the Scheme for the period/year ended 31<sup>st</sup> March 2024.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the accounting standards issued by the ICAI, as applicable, and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled

our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

| Sr. No. | Key Audit Matter                                                                                                                                                                                                                                                                                             | Auditor's Response                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

The audit approach relies extensively on automated controls and therefore on the effectiveness of controls over IT systems.</p> <p>IT application controls are critical to ensure that changes to applications and underlying data are made in an appropriate manner.</p> | <p>are relevant to our audit and have identified key applications relevant for financial reporting.</p> <p>We obtained an understanding of the entity's IT control environment and key changes during the audit period that may be relevant to the audit.</p> <p>We tested the design, implementation, and operating effectiveness of the Entity's General IT controls over the key IT systems that are critical to financial reporting. This included evaluation of entity's controls to evaluate segregation of duties and access rights being provisioned / modified based on duly approved requests, access for exit cases being revoked in a timely manner and access of all users being re-certified during the period of audit.</p> <p>We also tested key automated and manual business cycle controls and logic for system generated reports relevant to the audit; including testing of compensating controls or performed alternate procedures to assess whether there were any unaddressed IT risks that would materially impact the financial statements.</p> <p>We have also placed reliance on System and cyber security audit reports of AMC and other service providers.</p> |

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees of Canara Robeco Mutual Fund are responsible for the other information. The other information comprises the information included in the Scheme's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The other information is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent

with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management for the Financial Statements**

The Management of Canara Robeco Asset Management Company Limited (the “Investment Manager”) and the Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Board of Trustees are responsible for assessing the Scheme’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management of the Investment Manager and the Board of Trustees are responsible for overseeing the Scheme’s financial reporting process.

**Auditors’ Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a

material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2024, and are therefore the key audit matters. We describe these

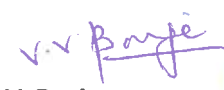

matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by SEBI Regulation 55(4) and Clause 5(ii)(2) of the Eleventh Schedule to the SEBI Regulations, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, the Balance Sheet, the Revenue Account, and the Statement of Changes in net assets attributable to unit holders of scheme, the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Scheme; and
  - (c) The balance sheet, the revenue account, the Statement of Changes in net assets attributable to unit holders of scheme and the cash flow statement, dealt with by this report are in agreement with the books of accounts of the Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2024 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Trustees of Canara Robeco Mutual Fund and are fair and reasonable.

**CANARA ROBECO MUTUAL FUND**  
**ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS**

**Note 20 Additional disclosures forming part of financial statements**

**1. BACKGROUND**

Canara Bank had entered into a joint venture with Orix Corporation Europe N.V. (formerly known as Robeco Groep N.V.) of Netherlands on 19th March 2007. Upon completion of all the necessary formalities, w.e.f. 10th October 2007, the sponsors of the Canara Robeco Mutual Fund (the "Fund") are Orix Corporation Europe N.V. (formerly Robeco Groep N.V.) and Canara Bank. Accordingly, Canbank Investment Management Services Ltd, the asset management company of Canbank Mutual Fund has been renamed as Canara Robeco Asset Management Company Ltd (CRAMC) and Canbank Mutual Fund has been renamed as Canara Robeco Mutual Fund. In terms thereof, Canara Bank holds 51% and OCE India Holding B.V. (formerly Robeco India Holding B.V.) holds 49% of the issued, subscribed and paid up capital of CRAMC.

KFin Technologies Pvt Limited is the Registrar and Transfer Agent for the Schemes of Canara Robeco Mutual Fund. ( Formerly known as Karvy Computershare Private Ltd )

The Hongkong and Shanghai Banking Corporation and HDFC Bank Ltd are the Custodian and Sub-Custodian respectively of the Schemes of Canara Robeco Mutual Fund.

Canara Robeco Mutual Fund (Board of Trustees) are the trustees for the Schemes of Canara Robeco Mutual Fund.

The brief details of following Canara Robeco Mutual Fund schemes are as below:

| Scheme Name                       | Type of Scheme                                                                                               | Investment objective of the scheme                                                                                                                                                                                                                                                                     | Plans (Available for Subscription)                                                                       | Fund Manager                           |

However, there can be no assurance that the investment objective of the scheme will be realized.                     | Regular Plan - Growth Option<br>Regular Plan - IDCW<br>Direct Plan - Growth Option<br>Direct Plan - IDCW | Shridatta Bhandwadar<br>Pranav Gokhale |

Presentation of these separate Balance sheets and Revenue accounts in a columnar form is not intended to indicate that they bear any relation to each other, or are interdependent or comparable in any way.

All the above schemes have been collectively referred as "Schemes".

**2. Basis of preparation of the financial statements**

The financial statements of the Scheme have been prepared on a going concern basis in accordance with Indian Accounting Standards ('IND AS') and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, to the extent it is not in conflict with the SEBI Regulations and guidelines issued thereunder.

The Scheme maintains accounts on accrual basis following the historical cost convention, except for the following items:  
- certain financial instruments – fair value

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

\* Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

\* Level 2 — Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

\* Level 3 — Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The Balance Sheet and the Revenue Account have been prepared and presented in the format prescribed in the SEBI Regulations. The Scheme has elected to present cash flows from operating activities using the indirect method and items of income or expense associated with investing or financing cash flows are presented as per the requirements of Ind AS 7 'Statement of Cash Flows'. The disclosure requirements with respect to items in the Balance Sheet and the Revenue account, as prescribed in the SEBI Regulations and Ind AS, are presented by way of notes forming part of the financial statements.

The transition from Previous GAAP to Ind AS has been accounted for in accordance with Ind AS 101 "First Time Adoption of Indian Accounting Standards", w.e.f. April 01, 2023 being the transition date.

**Functional and presentation currency**

AMC has determined that the functional currency of the Scheme is INR. All amounts have been rounded off to the nearest lakh unless otherwise indicated.

**CANARA ROBECO MUTUAL FUND**  
**ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS**

**3 Use of estimates and judgements**

The preparation of the financial statements in conformity with Ind AS requires that the AMC make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures of contingent assets and liabilities as of the date of the financial statements and the income and expense for the reporting period. The actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis.

Estimates and underlying assumptions are reviewed on an ongoing basis.

The Scheme makes certain judgments and estimates for valuation of financial instruments. The AMC believes that the estimates used in the preparation of the financial statements are prudent and reasonable.

Changes in estimates are reflected in the financial statements in the period in which the changes are made and, if material, their effects are disclosed in the notes to the financial statements.

**Assumptions and estimation uncertainties:**

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending March 31, 2025 included in the following notes:

**a. Fair value measurement of financial instruments**

When the fair value of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques as per the valuation policy. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of the financial instruments.

**b. Provisions and contingent liabilities**

The Scheme estimates the provisions that have present obligations as a result of past events, and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates. The Scheme uses significant judgements to disclose contingent liabilities. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Scheme or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognised nor disclosed in the financial statements.

**4 Financial Instruments**

**Recognition and initial measurement of financial assets and financial liabilities**

All financial assets and financial liabilities are initially recognised when the Scheme becomes a party to the contractual provisions of the instrument.

All the financial assets and financial liabilities are initially recognised at fair value. A financial asset or financial liability which is not recognised at FVTPL, is initially measured at transaction price. Transaction costs of financial assets carried at FVTPL are expensed in the revenue account.

**Classification and subsequent measurement of financial assets and financial liabilities**

Evaluation of Business Model - classification and measurement of financial assets depends on the results of business model and the sole payments of principal and interest ("SPPI") test.

As per Clause 47 of the SEBI Regulations, every mutual fund shall ensure that the AMC computes and carries out valuation of investments made by its scheme in accordance with the investment valuation norms specified in Eighth Schedule. As per Eighth Schedule, the valuation of investments shall be based on the principles of fair valuation i.e. valuation shall be reflective of the realizable value of the securities. The valuation shall be done in good faith and in true and fair manner through appropriate valuation policies and procedures.

The Scheme's portfolio of financial assets is managed, and its performance is evaluated on a fair value basis in accordance with the Scheme's documented investment strategy, together with other related financial information.

The Scheme is required to invest in fair value investment as per SEBI Regulations. Hence, the Scheme has not performed the SPPI Test.

**Investments at fair value through profit or loss (FVTPL)**

All investments are measured at FVTPL. Investments at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognized in the Revenue account. The gain recognized in the Revenue account is included in the 'Gain on Fair Value Change' line item and in case of loss recognized in the Revenue account is included in the 'Loss on Fair Value Change' line item.

**Financial liabilities**

Derivative contracts that have a negative fair value are presented as liabilities at FVTPL. Interest expense and foreign exchange gains and losses are recognised in the Revenue account.

**Financial instruments not measured at fair value**

The carrying value less expected credit loss provision of other financial assets and other financial liabilities are assumed to approximate their fair values due to their short-term nature.

**De-recognition**

The Scheme derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Scheme neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Scheme enters into transactions whereby it transfers assets recognised on its Balance Sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

The Scheme derecognises a financial liability when its contractual obligations are discharged or cancelled or expired.

**Off-setting financial instruments**

Financial assets and liabilities are offset, and the net amount is presented in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

**Expected Credit Loss**

The Scheme assesses at each date of Balance Sheet whether a financial asset or a group of financial assets is impaired. The Fund recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not classified as FVTPL. ECLs are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the entity in accordance with the contract and the cash flows that the Fund expects to receive). ECLs are discounted at the effective interest rate of the financial asset.

CANARA ROBECO MUTUAL FUND  
ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS

5 **Significant accounting policies**

**a. Determination of net asset value (NAV):**

NAV of the Scheme is computed separately for units issued under the various plans / options. The Scheme's investments and other net assets are managed as a single portfolio. For computing the NAV's for various plans / options, daily income earned, including realized and unrealized gains or losses in the value of investments and derivatives and expenses incurred by the corresponding scheme are allocated to the plans / options in proportion to the net assets of immediately preceding day plus subscriptions less redemptions for the day of the respective plan / options.

Commission to distributor expenses are not allocated to the NAV of Direct Plans.

**b. Unit capital:**

Unit capital represents the net outstanding units at the balance sheet date, thereby reflecting all transactions relating to the period ended on that date.

**c. Unit Premium Reserve**

When units are issued or redeemed, the net premium or discount to the face value of unit is transferred / charged to the unit premium reserve, after an appropriate portion of the issue proceeds and redemption payout is credited or debited respectively to the equalization reserve.

**d. Equalization Reserve**

In case of open-ended schemes, when units are issued or redeemed, distributable surplus per unit (net of unit premium reserve) as on date of the transaction (including distributable surplus at the beginning of the year) is determined. The per units so determined is credited or debited to the equalization account on issue/redemption of each unit respectively.

**e. Investments**

**Accounting for Investment transactions**

As per the SEBI Regulations, brokerage and transaction costs (including all taxes) incurred for the purpose of execution of trade is expensed out i.e. charged to Revenue Account instead of Capitalisation. Any payment towards brokerage and transaction costs in excess of 0.12% in case of cash market transaction and 0.05% in case of derivatives transactions is charged to the Revenue account within the maximum limits of Total Expense Ratio of the Scheme. Securities transaction tax paid at the time of execution of trades is not considered to be part of the above limits.

Interest paid / received from the last interest payment date till the date of purchase / sale of investments by the schemes is not included in the cost of purchase / sale of investments. For purchase, the interest is debited to interest accrued but not due account. Similarly, for sale, interest from the last interest payment date up to the date of sale is not treated as an addition to sale value but credited to interest accrued but not due account.

Change in fair value of investments is determined separately for each category of investments. The change in the fair value, if any, between two balance sheet dates is recognised in the revenue account. However, gain in fair value change, if any, is transferred to unrealized appreciation reserve in statement of net asset attributable to unit holders.

\* Right entitlements are recognised as investments on the ex-rights date.

\* Bonus entitlements are recognised as investments on the ex-bonus date.

\* Other Corporate Action entitlements are recognised on the ex-date.

**f. Derivative transactions**

Initial Margin paid against equity derivatives is accounted as current assets. Realized gain / loss on square off of equity derivatives are accounted as realized gain / loss on derivative transaction. If the position is not squared off or roll over until the expiry date, the outstanding derivative position is physically settled at the price at which the derivative transaction was initiated.

**g. Foreign Currency Transactions**

**Initial recognition**

Transactions in foreign currencies are translated into INR at the spot exchange rate at the dates of the transactions.

**Conversion / Remeasurement**

Monetary assets and liabilities denominated in foreign currencies are translated into INR at the closing spot exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in foreign currencies are also translated into INR at the spot exchange rate at the reporting date.

**Exchange differences**

Foreign currency differences arising on translation are recognised in profit or loss as net foreign exchange gains/losses, except for those arising on financial instruments at Fair Value through Profit or Loss ('FVTPL'), which are recognised as a component of net income from financial instruments at FVTPL.

All the assets and liabilities in foreign currency are converted in Indian Rupees on the basis of Foreign Exchange rate quoted on <<mention the source name>> around the time such assets and liabilities are valued (which is currently around <<Time>>).

**CANARA ROBECO MUTUAL FUND**  
**ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS**

**h. Valuation of investments (including derivatives)**

**i) Equity and related securities**

All traded investments are valued at the last quoted closing price on the National Stock Exchange Limited (NSE)/ BSE Limited (BSE) or other stock exchange, where such security is listed. If not traded on the primary stock exchange, the closing price on the other stock exchange is considered. NSE is the primary stock exchange.

When a security is not traded on any stock exchange, on the date of valuation, then the previous closing price on NSE / BSE or any other Stock Exchange is used, provided such closing price is not exceeding a period of 30 calendar days.

When trading in an equity/equity related security in a calendar month is both less than INR 5 lacs and the total volume is less than 50,000 shares, it shall be considered as a thinly traded security.

All non-traded and thinly traded equity investments are valued in accordance with the norms prescribed in the SEBI guidelines for valuation, i.e., valuation is computed on the basis of average of book value and the price computed on the basis of the PE ratio (after appropriate discount for lower liquidity), and using the last traded price if available.

All non-traded convertible preference share investments are valued based on underlying equity, discounted for illiquidity, if required as decided by the Valuation Committee. Redeemable Preference Shares are valued by discounting the future cash flows based on discounting rate decided by the Valuation Committee.

All equity warrants / rights entitlement / partly paid up rights shares are valued after applying appropriate discount, after reducing the exercise price / issuance price from the closing price of the underlying equity security.

**ii) Futures & Options**

Options are valued on the basis of Options premium received/paid which is marked to market based on the closing price provided by the respective stock exchanges. Futures contracts are valued at the last quoted closing price provided by the respective stock exchanges.

When a contract is not traded on the respective stock exchange on the date of valuation, then valuation is at the settlement price provided by the respective stock exchange.

**iii) Debt, Money Market and related securities**

All traded and non-traded investments are valued at average of scrip level prices provided by CRISIL & ICRA LTD for individual securities.

All non-traded bonus debentures are valued at face value till receipt of scrip level valuations from CRISIL & ICRA LTD.

**i. Revenue recognition:**

Dividend Income is recognized on the ex-dividend date. Dividend income on foreign securities are recognized net of applicable taxes withheld in the respective countries.

Interest income is recognized on an accrual basis.

Further, in accordance SEBI Circular, the treatment of accrued interest and future accrual of interest in case of money market and debt securities classified as below investment grade or default is detailed below:

\* For accrued interest - Indicative haircut that has been applied to the principal is applied.

\* For future interest accrual - In securities classified as below investment grade - Interest accrual is continued with the same haircut applied to the principal.

In securities classified as default - No further interest accrual.

Profit or loss on sale / inter scheme transfer / redemption of investments represents sale proceeds less weighted average cost is recognized on a trade date basis.

The discount or premium, if any, to the maturity value of debt securities is amortized and recognized as interest amortized income or expense, as the case may be, over the period of maturity.

**j. Load charges:**

In accordance with the SEBI Regulations, entire amount of Exit load collected is credited to the respective Scheme net of taxes as "Other Income".

**k. Investor education and awareness initiatives:**

In accordance with the SEBI Regulations, the Scheme is accruing 0.02% p.a. on daily net assets towards investor education and awareness initiatives. Of the total, 0.01% is transferred to AMFI on a monthly basis and the remaining 0.01% is utilized for meeting the investor education expenses. Any unutilized amount is carried forward to the subsequent period. Interest earned, if any, by investment of unutilized amount in Fixed deposits, is credited to the investor education liability.

**CANARA ROBECO MUTUAL FUND**  
**ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS**

**i. Expenses:**

Fees and commission expenses are recognised in Revenue account as the related services are received. All expenses are accounted for on an accrual basis as per approved expenses structures of respective schemes. As per the SEBI Regulations, all scheme related expenses including commission paid to distributors are paid from the schemes within the regulatory limits defined under the SEBI Regulations and as specified in the Scheme Information Document read with Statement of Additional Information.

New fund offer expenses are borne by the AMC as per the SEBI Regulations.

Scheme are charged additional expenses not exceeding of 0.30 per cent of their daily net assets based on the new inflows from such cities as specified by SEBI. Additional expenses charged are utilized for distribution expenses incurred for bringing inflows from such cities. Effective March 1, 2023, based on AMFI directive, no expenses under this head have been accrued, for inflows received, post February 28, 2023. In case the said inflows are redeemed within a period of one year from the date of investment, the amount incurred as commission to distributor on account of inflows from such cities is credited back to the Scheme as "Other income".

**m. Tri Party Repo (TREP's).**

TREP's are valued at cost and interest is accrued on daily basis.

**n. Income Tax:**

No income tax provision has been made as the Schemes qualifies as a recognized Mutual Fund under section 10 (23D) of the Income-tax Act, 1961.

However, some dividend and interest income received by the Scheme is subject to withholding tax imposed in certain countries of origin. Income that is subject to such tax is recognised net of the taxes and the corresponding withholding tax is not recognised as tax expense.

**o. Operating segments**

An operating segment is a component of the Scheme that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Scheme's other components, and for which discrete financial information is available. The Scheme is primarily engaged in the business of investing amounts received from investors, in accordance with their investment objectives to generate returns. Since there is only one business segment and no geographical segments, this in the context of Ind AS 108 – Operating Segments reporting is considered to constitute one reportable segment.

**p. Cash and cash equivalents**

The Scheme considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of Triparty repo which are unrestricted for withdrawal and usage.

**q. Standards issued but not yet effective**

No new standards or amendments to the existing standards are applicable to the Scheme.

CANARA ROBECO MUTUAL FUND  
NOTES FORMING PART OF FINANCIAL STATEMENTS  
(All amounts in Lakhs of Rupees)

**Note 21 Additional disclosures forming part of financial statements**

**1. Financial risk review and management**

**Risk Management Framework:**

The Schemes invest in financial instruments in accordance with their respective investment management strategies. The Scheme's investment portfolio comprises listed equity securities, debt, and money market securities.

The Fund Manager has been given discretionary authority to manage the assets in line with the Scheme's investment objectives. Compliance with the mandated asset allocation mentioned in the Scheme Information Document (SID) and the composition of the portfolio are monitored by the board of directors on a quarterly basis. In the event of deviation from mandated asset allocation due to passive breaches (occurrence of instances not arising out of omission and commission of the AMCs), the AMC is obliged to take actions to rebalance the portfolio within prescribed time limits.

This note presents information about the Scheme's exposure to each of the financial risks.

**A. Credit risk, collateral provided and offsetting.**

- i. Credit quality analysis
- ii. Concentration of credit risk
- iii. Collateral and other credit enhancements, and their financial effect
- iv. Amounts arising from Expected Credit Loss
- v. Offsetting financial assets and financial liabilities

**B. Liquidity risk**

**C. Market risk**

- i. Interest rate risk
- ii. Currency risk
- iii. Other price risk

**D. Operational Risk**

**E. Capital Management**

**A. Credit Risk:**

'Credit risk' is the risk that a counterparty to a financial instrument will fail to discharge an obligation or commitment that it has entered with the Scheme, resulting in a financial loss to the Scheme. It arises principally from debt securities held, and from derivative financial assets, cash, and cash equivalents, balances due from brokers. For risk management reporting purposes, the Scheme considers and aggregates all elements of credit risk exposure (such as sector risk).

The Scheme's policy over credit risk is to minimize its exposure to counterparties with perceived higher risk of default by dealing only with counterparties that meet the credit standards set out in the Scheme's SID and by taking collateral. The AMC has a specific Credit Risk Policy along with a Credit Exposure Framework outlining the investment guidelines relating to Credit Risk.

Credit risk is monitored daily by the AMC in accordance with the policies and procedures in place. The AMC monitors the limits on a daily basis and reports to the Investment team of any passive breaches. This is also presented in the Investment Committee & Risk Management Committee on a monthly basis along with stress testing results and any other credit related matters like early warning signal, yield triggers etc. The Scheme's credit risk is monitored on a quarterly basis by the board of directors. If the credit risk is not in accordance with the investment policy or guidelines of the Scheme, then the AMC is obliged to rebalance the portfolio within thirty days of each determination that the portfolio is not in compliance with the stated investment parameters.

Management analysis will be used to identify company specific risks. Management's past track record will also be studied. To assess financial risk a detailed assessment of the issuer's financial statements will be undertaken. In the case of securitized debt instruments, the scheme will ensure that these instruments are sufficiently backed by assets.

The Scheme's activities may give rise to settlement risk. 'Settlement risk' is the risk of loss due to the failure of an entity to honor its obligations to deliver cash, securities or other assets as contractually agreed.

For the majority of transactions, settlement takes place through CGL or clearing house. In case of counterparty trades, pruning of the counterparties used to mitigate settlement risk.

**i. Credit quality analysis.**

The Scheme's exposure to credit risk arises in respect of the following financial instruments:

- > Cash and cash equivalents:
- > Contract for sale of investment in securities and Derivative financial instruments receivable:
- > Securities Lending and Borrowing (SLB):
- > Investments in debt and money market securities; and
- > Derivative assets

**CANARA ROBECO MUTUAL FUND**  
**NOTES FORMING PART OF FINANCIAL STATEMENTS**

> **Cash and cash equivalents:**

The cash and cash equivalents are held with banks and in Tri Party Repo with the Clearing Corporation of India Ltd (CCIL).

> **Contract for sale of investment in securities and Derivative financial instruments receivable:**

Contract for sale of investment in Securities and Derivative financial instruments receivable represent margin accounts and sales transactions awaiting settlement. Credit risk relating to unsettled transactions is considered small due to the short settlement period involved, settlement of trades through various clearing platforms and pruning of the counterparties used.

As at the reporting date, following were the Contract for sale of investment in securities concentrated among issuers/counterparties

|                | Canara Robeco Small Cap Fund | Canara Robeco Focused Equity Fund | Canara Robeco Value Fund | Canara Robeco Mid Cap Fund | Canara Robeco Manufacturing Fund |

| March 31, 2023 | -                            | 0.49%                             | -                        | -                          | -                                |

> **Investments in debt and money market securities - Nil ( Previous Year - Nil)**

ii. **Concentration of credit risk**

The AMC reviews the credit concentration of debt and money market securities held based on counterparties and industries.

As at the reporting date, the Scheme's debt and money market securities exposures was Nil . ( Previous year - Nil)

iii. **Collateral and other credit enhancements, and their financial effect**

The schemes have not invested in derivative instruments or in Securities Lending and Borrowing contracts.

CANARA ROBECO MUTUAL FUND  
NOTES FORMING PART OF FINANCIAL STATEMENTS

iv. Amounts arising from Expected Credit Loss (ECL)

The Scheme continuously monitors all financial assets subject to ECLs. In order to determine whether an instrument is subject to 12-month ECL (12mECL) or lifetime ECL (LTECL), the Scheme assesses whether there has been a significant increase in credit risk or the asset has become credit impaired since initial recognition. The Scheme applies following quantitative and qualitative criteria to assess whether there is significant increase in credit risk, or the asset has been credit impaired.

- Historical trend of collection from counterparty
- The Scheme's contractual rights with respect to recovery of dues from counterparty
- Credit rating of counterparty and any relevant information available in public domain

ECL is a probability weighted estimate of credit losses. It is measured as the present value of cash shortfalls (i.e. the difference between the cash flows due to the Scheme in accordance with contract and the cash flows that the Scheme expects to receive).

The Scheme has following types of financial assets that are subject to the expected credit loss:

- Contract from sale of investment in securities.
- Cash and cash equivalent.
- Balance with Bank
- Switch in receivable.

Based on the experience, the AMC expects to receive these amounts in full.

v. Offsetting financial assets and financial liabilities

Financial assets and financial liabilities are offset, and the net amount presented in the balance sheet when, and only when, the scheme currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously. The Scheme has not offset any financial assets and financial liabilities during the year.

B. Liquidity risk

'Liquidity risk' is the risk that the Scheme will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

The Scheme's policy and the AMC's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stress conditions, including estimated redemptions of units, without incurring unacceptable losses or risking damage to the Scheme's reputation.

The Scheme's investments in listed securities are considered to be readily realizable because they are traded on major stock exchanges in India.

The Scheme's liquidity risk is managed daily by the AMC in accordance with the policies and procedures in place. The AMC has a Liquidity Risk management policy in place which outlines the investment guidelines & the risk management procedures.

The Scheme's overall liquidity risk is monitored daily by the AMC.

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted and include estimated interest payments.

| (Rs. In Lakhs)                                    |                       |                 |                  |                   |               |

The table above shows the undiscounted cash flows of the Scheme's financial liabilities based on their earliest possible contractual maturity. The Scheme's expected cash flows on these instruments do not vary significantly from this analysis.

The Scheme manages its liquidity risk by following minimum liquidity requirement for open ended equity and debt schemes.

**C. Market risk**

'Market risk' is the risk that changes in market prices – e.g. interest rates, equity prices and credit spreads – will affect the Scheme's income or the fair value of investment held.

The Scheme's strategy for management of market risk is driven by the Scheme's investment objective as mentioned in the accounting policy,

The Scheme's market risk is managed daily by the AMC in accordance with the policies and procedures in place. The AMC has Credit Risk, Liquidity Risk, Stress Testing & Investment policies which cover the scheme's market risk along with management thereof. The Scheme's market positions are monitored daily by the AMC.

**CANARA ROBECO MUTUAL FUND**  
**NOTES FORMING PART OF FINANCIAL STATEMENTS**

**i. Interest rate risk**

The Scheme is exposed to the risk that the fair value or future cash flows of its investment will fluctuate because of changes in market interest rates. In respect of the Scheme's interest-bearing financial instruments, the AMC has Credit Risk, Liquidity Risk, Stress Testing & Investment policies which cover the schemes Interest risk along with management thereof.

The internal procedures require the AMC to manage interest rate risk on an ongoing basis in accordance with the policies and procedures in place. If the interest rate risk is not in accordance with the investment policy or guidelines of the Scheme, then the investment manager is required to rebalance the portfolio.

**Exposure to interest rate risk**

A summary of the Scheme's investments that are exposed to interest rate is as follows

| (Rs. In Lakhs) |                              |                                   |                          |                            |                                  |

**ii. Currency risk**

Not Applicable as there are no schemes investing in foreign securities.

**iii. Exposure to Other price risk**

'Other price risk' is the risk that the fair value of the financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether caused by factors specific to an individual investment or its issuer or factors affecting all instruments traded in the market.

Price risk is managed by the AMC by diversifying the portfolio. Apart from SEBI investment limit restrictions, the AMC has devised its own prudent internal limits to manage risks.

The internal procedures require the AMC to manage price risk on an ongoing basis.

If the price risk is not in accordance with the investment policy or guidelines of the Scheme, then the AMC is required to rebalance the portfolio.

The following table sets out the concentration of the investment assets and liabilities, excluding derivatives held by the Scheme as at the reporting date.

**Sensitivity analysis**

The table below sets out the effect on net assets attributable to the unit holders of a reasonably possible weakening in the individual equity market prices of 1% at March 31, 2024. The estimates include all exposures to equity price risks – i.e. long and short positions in equity securities as well as derivatives. The estimates are made on an individual security basis. The analysis assumes that all other variables, in particular interest rates, remain constant.

| Particulars                                               | (Rs. In Lakhs)               |                                   |                          |                            |                                  |
|-----------------------------------------------------------|------------------------------|-----------------------------------|--------------------------|----------------------------|----------------------------------|
|                                                           | Canara Robeco Small Cap Fund | Canara Robeco Focused Equity Fund | Canara Robeco Value Fund | Canara Robeco Mid Cap Fund | Canara Robeco Manufacturing Fund |
|                                                           | March 31, 2024               | March 31, 2024                    | March 31, 2024           | March 31, 2024             | March 31, 2024                   |
| Net loss from equity exposures                            | 9,155.07                     | 2,157.31                          | 1,078.50                 | 1,945.07                   | 754.24                           |
| Effect in % on net assets attributable to the unitholders | 0.97%                        | 0.96%                             | 0.95%                    | 0.99%                      | 0.68%                            |

A strengthening in the individual equity market prices of 1% at March 31, 2024 would result in an equal but opposite effect to the amounts shown above.

| Particulars                                               | (Rs. In Lakhs)               |                                   |                          |                            |                                  |
|-----------------------------------------------------------|------------------------------|-----------------------------------|--------------------------|----------------------------|----------------------------------|
|                                                           | Canara Robeco Small Cap Fund | Canara Robeco Focused Equity Fund | Canara Robeco Value Fund | Canara Robeco Mid Cap Fund | Canara Robeco Manufacturing Fund |

| Net loss from equity exposures                            | 4,837.29                     | 1,626.18                          | 751.28                   | 980.37                     | -                                |
| Effect in % on net assets attributable to the unitholders | 0.95%                        | 0.95%                             | 0.98%                    | 0.94%                      | -                                |

A strengthening in the individual equity market prices of 1% at March 31, 2023 would result in an equal but opposite effect to the amounts shown above.

All investments in debt and money market securities are fixed-income instruments that have maturities of various buckets. The Schemes expect price fluctuations for these investments to arise principally from interest rate or credit risk. As a result, the Schemes are not subject to significant other price risk on these investments.

The AMC monitors the concentration of risk for equity, debt and money market securities based on counterparties and industries. Refer Annexure II for the Scheme's investments across various industries.

**D. Operational risk**

'Operational risk' is the risk of direct or indirect loss arising from a wide variety of causes associated with the processes, technology and infrastructure supporting the Scheme's activities with financial instruments, either internally within the Scheme or externally at the Scheme's service providers, and from external factors other than credit, market and liquidity risks such as those arising from legal and regulatory requirements and generally accepted standards of investment management behaviour.

The Scheme's objective is to manage operational risk so as to balance the limiting of financial losses and damage to reputation with achieving their respective investment objective of generating returns to investors.

The primary responsibility for the development and implementation of controls over operational risk rests with the AMC. This responsibility is supported by the development of overall standards for the management of operational risk, which encompasses the controls and processes at the service providers and the establishment of service levels with the service providers, in the following areas:

- documentation of controls and procedures.
- requirements for:
  - appropriate segregation of duties between various functions, roles and responsibilities.
  - reconciliation and monitoring of transactions; and
  - periodic assessment of operational risk faced.
- the adequacy of controls and procedures to address the risks identified.
- compliance with regulatory and other legal requirements.
- development of contingency plans.
- training and professional development.
- ethical and business standards; and
- risk mitigation, including insurance if this is effective.

The AMC's assessment of the adequacy of the controls and processes in place at the service providers with respect to operational risk is carried out via regular and ad hoc discussions with the service providers and a review of the service providers' ISAE-3402 reports on internal controls, that are available, System & Cybersecurity Audit Reports.

Substantially all the assets of the Scheme are held by the two custodians HSBC and HDFC Bank. The bankruptcy or insolvency of the Scheme's custodian may cause the Scheme's rights with respect to the securities held by the custodian to be limited. The AMC monitors the credit ratings and capital adequacy of its custodian on a Half Yearly basis, and reviews the findings documented in the ISAE-3402 Audit report on the internal controls System and Cybersecurity Audit Reports as per their respective periodicity.

E. Capital Risk Management

The Scheme considers its net assets attributable to unit holders as capital. The amount of net assets attributable to unitholders can change significantly daily as the Scheme is subject to daily applications and redemptions at the discretion of unitholders.

Daily applications and redemptions are reviewed relative to the liquidity of the Scheme's underlying assets daily by the AMC.

2. Fair Value of Financial Instruments:

A. Fair Value Hierarchy:

As per Ind AS 113, 'Fair Value Measurement', the fair values of the financial assets or financial liabilities are defined as the price that would be received on sale of asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that is either observable or unobservable. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities and lowest priority to unobservable inputs.

The hierarchy used is as follows:

- \* Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- \* Level 2 — Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices). Investment in all mutual fund schemes is included in Level 2.
- \* Level 3 — Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

\* Cash and cash equivalents, Bank balance other than cash and cash equivalents and Other financial assets are carried at amortized cost which is a reasonable approximation of its fair value largely due to the short-term maturities of these instruments. Accordingly, fair value hierarchy for these financial instruments has not been presented above.

\*\* Other financial liabilities are carried at amortized cost which is a reasonable approximation of its fair value.

**C. Valuation techniques and significant observable/unobservable inputs:**

The following table shows the valuation techniques used in measuring level 1, level 2 and level 3 fair values for financial instruments measured at fair value in the balance sheet, as well as significant observable/unobservable inputs used.

| Level   | Type                                                                                | Valuation Technique                   | Significant observable inputs | Inter-relationship between significant unobservable inputs and fair value measurement |
|---------|-------------------------------------------------------------------------------------|---------------------------------------|-------------------------------|---------------------------------------------------------------------------------------|
| Level 1 | Listed Equity Instruments                                                           | Quoted Price                          | Quoted Price                  | N.A.                                                                                  |
| Level 2 | Debt and Money Market securities including Government securities and Treasury Bills | Prices provided by valuation agencies | Traded Prices                 | N.A.                                                                                  |
|         | Units of mutual fund schemes/AIF                                                    | Declared NAV                          | Declared NAV                  | N.A.                                                                                  |
| Level 3 | N.A.                                                                                | N.A.                                  | N.A.                          | N.A.                                                                                  |

**D. Fair value measurement using significant unobservable inputs (level 3)**

During the period, there were no purchase or sale of Level 3 securities where fair value measurements were applied.

**E. Transfer of financial asset between level**

There were no transfers from Level 1 to Level 3 and Level 2 to Level 3 or in either direction during the year ended 31 March 2024 and 31 March 2023 respectively.

4. Transferred financial assets that are not derecognised in their entirety.

Security Lending and Borrowing

Security Lending and Borrowing are transactions in which the Scheme sells a security and simultaneously agrees to repurchase it (or an asset that is substantially the same) at a fixed price on a future date. The Scheme continues to recognize the securities in their entirety in the Balance Sheet because it retains substantially all the risks and rewards of ownership. The cash consideration received is recognized as a financial asset and a financial liability is recognized for the obligation to pay the repurchase price. Because the Scheme sells the contractual rights to the cash flows of the securities, it does not have the ability to use the transferred assets during the term of the arrangement.

The schemes had no exposure to Security Lending and Borrowing during the year ended 31 March 2024 and 31 March 2023 respectively.

5. Segment Reporting

The Scheme is primarily engaged in the business of investing amounts received from investors, in accordance with their investment objectives to generate returns. Since there is only one business segment and no geographical segments, the segmental reporting disclosures as required by IND AS 108 "Operating Segments" are not required to be made.

6. Ind AS 101 - First time Adoption of Ind AS

These financial statements, for the year ending March 31, 2024, are the first financial statements the Scheme, has prepared in accordance with Indian Accounting Standards ('IND AS') and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, to the extent it is not in conflict with the SEBI Regulations and guidelines issued thereunder.

For periods up to and including the year ended March 31, 2023, the Scheme prepared its financial statements in accordance with generally accepted accounting principal (Previous GAAP) in conformity with the accounting policies and standards specified in the Ninth Schedule to the SEBI Regulations and as specified by the Board from time to time. Accordingly, the Scheme has prepared financial statements which comply with Ind AS applicable for periods ending on March 31, 2024, together with the comparative period data as at and for the year ended March 31, 2023, as described in the summary of material accounting policies. In preparing these financial statements, the Scheme's opening balance sheet was prepared For the Year Ended 31st March, 2022, i.e. date of transition to Ind AS. This note explains the principal adjustments made by the Scheme in restating its Previous GAAP financial statements, including the balance sheet For the Year Ended 31st March, 2022, and the financial statements as at and for the year ended March 31, 2023.

7. Notes to Adjustment

Under the previous GAAP and in accordance with SEBI circular, brokerage, and transaction costs (including all taxes) incurred for the purpose of execution of trade upto 0.12% in case of cash market transaction and upto 0.05% in case of derivatives transactions along with 0.10% of Securities Transaction Tax were capitalized in cost of investment.

Under Ind AS and in accordance with SEBI circular, brokerage, and transaction costs (including all taxes) incurred for the purpose of execution of trade upto 0.12% in case of cash market transaction and upto 0.05% in case of derivatives transactions along with 0.10% of Securities Transaction Tax is expensed out i.e. charged to Revenue Account instead of capitalization.

Reconciliation of equity net asset attributable to unitholders as reported under Previous GAAP and that computed under Ind AS: There is no impact on net assets attributable to unitholders due to this adjustment.

Statement of reconciliation of net profit surplus or deficit under Ind AS and Previous GAAP: There is no impact on net surplus or deficit due to this adjustment.

Reconciliation of Statement of Cash Flows - There were no material differences between statement of cash flows presented under Ind AS and Previous GAAP.

~~~## Expenditure includes brokerage and transaction costs incurred for the purpose of execution of trades.

Effective April 1, 2023, Brokerage and transaction cost incurred for the purpose of execution of transactions charged to the schemes as provided under Regulation 52 (6A) (a) up to 12 bps and 5 bps for cash market transactions and derivatives transactions, respectively is not included in the above expense ratio.

CANARA ROBECO MUTUAL FUND  
NOTES FORMING PART OF FINANCIAL STATEMENTS  
(All amounts in Lakhs of Rupees)

Note 21 Additional disclosures forming part of financial statements

12. Investor Education Fund (IEF) & Investor Education and Awareness Initiatives (IEAI)

Schedule Annexed to and forming part of the Balance Sheet as at March 31, 2024 and the Revenue Account for the year/period ended on that date

As per paragraph 10.1.16 of Master circular dated 19th May 2023, an annual charge of 2 basis points (0.02% p.a.) of daily net assets, being part of total recurring expenses is set aside for Investor Education and Awareness Initiatives (IEAI) in accordance with SEBI (Mutual Funds) Regulations, 1996 as amended and circulars issued thereunder. These funds set aside are used only for meeting expenses for Investor Education and Awareness Initiatives.

Pursuant to letter no. IMD/DF2/RS/813/2016 dated January 08, 2016 issued by SEBI to AMFI, from April 1, 2016 onwards, 50% of the 2 bps accrual on daily net assets set aside by mutual funds for investor education and awareness initiative is being transferred to AMFI.

In terms of the AMFI Best Practices Guidelines Circular No. 56/2015-16, the residual 50% of the 2 bps of the IEF accrual of all the schemes of Canara Robeco Mutual Fund is set aside in a separate fund "Canara Robeco Mutual Fund – Investor Education Fund" ("IEF Fund") and all income earned on the investment of this amount is credited to IEF Fund Account and expenses incurred on investor education have been reduced from the IEF Fund.

The Fund has transferred during the year Rs.772.17 lakhs (Previous Year Rs.568.18 lakhs) to AMFI being 50% of the annual charge of IEAI of 2 basis points p.a. of daily net assets and the balance of Rs.772.17 lakhs (Previous Year Rs.568.18 lakhs) is transferred to IEF Fund.

| Particulars   | (Rs. In Lakhs) |            |
|---|----------------|------------|
|   | Year 2023-24   | FY 2022-23 |
| Opening Balance   | 242.26         | 197.99     |
| Add: Net Change in Unrealised Appreciation in Value of Investment | 0.11           | 0.24       |
| Add: Contribution received/receivable during the year             | 772.17         | 568.18     |
| Add: Investment Income for the year                               | 25.00          | 23.20      |
| Less: Amount Spent during the year                                | 851.40         | 547.35     |
| Closing Balance   | 188.15         | 242.26     |

13. No provision for Income Tax is made since the income of the scheme is exempt under section 10(23D) of the Income Tax Act, 1961.

14. Prior Year Comparatives

The figures for the previous year/period have been reclassified/regrouped, wherever necessary to confirm with current years classification/disclosure.

**INDEPENDENT AUDITORS' REPORT**

**Board of Trustees,  
Canara Robeco Mutual Fund**

**Report on the audit of Financial Statements**

**Opinion**

We have audited the accompanying financial statements of Canara Robeco Conservative Hybrid Fund("the scheme") which comprises the Balance Sheet as at March 31, 2024, the Revenue Account, the statement of changes in net assets attributable to unitholders and the Cash Flow Statement for the year April 01, 2023 or the launch date of the respective schemes to March 31, 2024 ("the year/the period") and notes to financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- a) in the case of the Balance Sheet, of the state of affairs of the Scheme as at 31<sup>st</sup> March 2024;
- b) in the case of the Revenue Account, of the Surplus/(deficit) of the Scheme for the period/year ended 31<sup>st</sup> March 2024;
- c) statement of changes in net assets attributable to unitholders of scheme for the year ended 31<sup>st</sup> March 2024; and
- d) in the case of the Cash Flow Statement, of the cash flows of the Scheme for the period/year ended 31<sup>st</sup> March 2024.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the accounting standards issued by the ICAI, as applicable, and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in

accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

| Sr. No. | Key Audit Matter   | Auditor's Response   |
|---------|--|--|
| 1       | <p><b>Valuation and existence of Investments:</b></p> <p>The valuation and existence of the portfolio of investments is considered as a key audit matter due to the magnitude of potential misstatement as the portfolio of investments represents the principal element of the net asset of the Scheme.</p> | <p><b>Principal audit procedures performed:</b></p> <p>We gained an understanding of the internal control structure and operating effectiveness of key controls surrounding valuation and existence of investments.</p> <p>We tested the valuation of the investments by comparing the prices used in the calculation of the Fund NAV from prices obtained from independent sources.</p> <p>We tested the existence of the Investments by obtaining and reconciling the direct confirmations of the holdings from following sources:</p> <ul style="list-style-type: none"> <li>• Custodians of the Scheme</li> <li>• Reserve Bank of India</li> <li>• Clearing Corporation of India Limited</li> </ul> <p>We matched the holdings as per above confirmations with the Scheme's accounting records. **Information Other than the Financial Statements and Auditor's Report Thereon**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees of Canara Robeco Mutual Fund are responsible for the other information. The other information comprises the information included in the Scheme's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The other information is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a

material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management for the Financial Statements**

The Management of Canara Robeco Asset Management Company Limited (the “Investment Manager”) and the Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Board of Trustees are responsible for assessing the Scheme’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management of the Investment Manager and the Board of Trustees are responsible for overseeing the Scheme’s financial reporting process.

**Auditors’ Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered

material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2024, and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the

matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by SEBI Regulation 55(4) and Clause 5(ii)(2) of the Eleventh Schedule to the SEBI Regulations, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, the Balance Sheet, the Revenue Account, and the Statement of Changes in net assets attributable to unit holders of scheme, the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Scheme; and
  - (c) The balance sheet, the revenue account, the Statement of Changes in net assets attributable to unit holders of scheme and the cash flow statement, dealt with by this report are in agreement with the books of accounts of the Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2024 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Trustees of Canara Robeco Mutual Fund and are fair and reasonable.

**INDEPENDENT AUDITORS' REPORT**

**Board of Trustees,  
Canara Robeco Mutual Fund**

**Report on the audit of Financial Statements**

**Opinion**

We have audited the accompanying financial statements of Canara Robeco Infrastructure Fund("the scheme") which comprises the Balance Sheet as at March 31, 2024, the Revenue Account, the statement of changes in net assets attributable to unitholders and the Cash Flow Statement for the year April 01, 2023 or the launch date of the respective schemes to March 31, 2024 ("the year/the period") and notes to financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- a) in the case of the Balance Sheet, of the state of affairs of the Scheme as at 31<sup>st</sup> March 2024;
- b) in the case of the Revenue Account, of the Surplus/(deficit) of the Scheme for the period/year ended 31<sup>st</sup> March 2024;
- c) statement of changes in net assets attributable to unitholders of scheme for the year ended 31<sup>st</sup> March 2024; and
- d) in the case of the Cash Flow Statement, of the cash flows of the Scheme for the period/year ended 31<sup>st</sup> March 2024.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the accounting standards issued by the ICAI, as applicable, and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in

accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees of Canara Robeco Mutual Fund are responsible for the other information. The other information comprises the information included in the Scheme's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The other information is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a

material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibilities of Management for the Financial Statements**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Board of Trustees are responsible for assessing the Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management of the Investment Manager and the Board of Trustees are responsible for overseeing the Scheme's financial reporting process.

#### **Auditors' Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered

material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2024, and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the

matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by SEBI Regulation 55(4) and Clause 5(ii)(2) of the Eleventh Schedule to the SEBI Regulations, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, the Balance Sheet, the Revenue Account, and the Statement of Changes in net assets attributable to unit holders of scheme, the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Scheme; and
  - (c) The balance sheet, the revenue account, the Statement of Changes in net assets attributable to unit holders of scheme and the cash flow statement, dealt with by this report are in agreement with the books of accounts of the Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2024 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Trustees of Canara Robeco Mutual Fund and are fair and reasonable.

### INDEPENDENT AUDITORS' REPORT

Board of Trustees,  
Canara Robeco Mutual Fund

#### Report on the audit of Financial Statements

##### Opinion

We have audited the accompanying financial statements of Canara Robeco Equity Hybrid Fund("the scheme") which comprises the Balance Sheet as at March 31, 2024, the Revenue Account, the statement of changes in net assets attributable to unitholders and the Cash Flow Statement for the year April 01, 2023 or the launch date of the respective schemes to March 31, 2024 ("the year/the period") and notes to financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- a) in the case of the Balance Sheet, of the state of affairs of the Scheme as at 31<sup>st</sup> March 2024;
- b) in the case of the Revenue Account, of the Surplus/(deficit) of the Scheme for the period/year ended 31<sup>st</sup> March 2024;
- c) statement of changes in net assets attributable to unitholders of scheme for the year ended 31<sup>st</sup> March 2024; and
- d) in the case of the Cash Flow Statement, of the cash flows of the Scheme for the period/year ended 31<sup>st</sup> March 2024.

##### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the accounting standards issued by the ICAI, as applicable, and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled

our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

| Sr. No. | Key Audit Matter   | Auditor's Response   |
|---------|--|--|
| 1       | <p><b>Valuation and existence of Investments:</b></p> <p>The valuation and existence of the portfolio of investments is considered as a key audit matter due to the magnitude of potential misstatement as the portfolio of investments represents the principal element of the net asset of the Scheme.</p> | <p><b>Principal audit procedures performed:</b></p> <p>We gained an understanding of the internal control structure and operating effectiveness of key controls surrounding valuation and existence of investments.</p> <p>We tested the valuation of the investments by comparing the prices used in the calculation of the Fund NAV from prices obtained from independent sources.</p> <p>We tested the existence of the Investments by obtaining and reconciling the direct confirmations of the holdings from following sources:</p> <ul style="list-style-type: none"> <li>• Custodians of the Scheme</li> <li>• Reserve Bank of India</li> <li>• Clearing Corporation of India Limited</li> </ul> <p>We matched the holdings as per above confirmations with the Scheme's accounting records. |         | <p>technology due to the significant number of transactions that are processed daily and discrete IT Systems used. The audit approach relies extensively on automated controls and therefore on the effectiveness of controls over IT systems.</p> <p>IT application controls are critical to ensure that changes to applications and underlying data are made in an appropriate manner.</p> | <p>are relevant to our audit and have identified key applications relevant for financial reporting.</p> <p>We obtained an understanding of the entity's IT control environment and key changes during the audit period that may be relevant to the audit.</p> <p>We tested the design, implementation, and operating effectiveness of the Entity's General IT controls over the key IT systems that are critical to financial reporting. This included evaluation of entity's controls to evaluate segregation of duties and access rights being provisioned / modified based on duly approved requests, access for exit cases being revoked in a timely manner and access of all users being re-certified during the period of audit.</p> <p>We also tested key automated and manual business cycle controls and logic for system generated reports relevant to the audit; including testing of compensating controls or performed alternate procedures to assess whether there were any unaddressed IT risks that would materially impact the financial statements.</p> <p>We have also placed reliance on System and cyber security audit reports of AMC and other service providers.</p> |

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees of Canara Robeco Mutual Fund are responsible for the other information. The other information comprises the information included in the Scheme's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The other information is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent

with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management for the Financial Statements**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Board of Trustees are responsible for assessing the Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management of the Investment Manager and the Board of Trustees are responsible for overseeing the Scheme's financial reporting process.

**Auditors' Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a

material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2024, and are therefore the key audit matters. We describe these

matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by SEBI Regulation 55(4) and Clause 5(ii)(2) of the Eleventh Schedule to the SEBI Regulations, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, the Balance Sheet, the Revenue Account, and the Statement of Changes in net assets attributable to unit holders of scheme, the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Scheme; and
  - (c) The balance sheet, the revenue account, the Statement of Changes in net assets attributable to unit holders of scheme and the cash flow statement, dealt with by this report are in agreement with the books of accounts of the Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2024 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Trustees of Canara Robeco Mutual Fund and are fair and reasonable.

**INDEPENDENT AUDITORS' REPORT**

**Board of Trustees,  
Canara Robeco Mutual Fund**

**Report on the audit of Financial Statements**

**Opinion**

We have audited the accompanying financial statements of Canara Robeco Equity Tax Saver Fund("the scheme") which comprises the Balance Sheet as at March 31, 2024, the Revenue Account, the statement of changes in net assets attributable to unitholders and the Cash Flow Statement for the year April 01, 2023 or the launch date of the respective schemes to March 31, 2024 ("the year/the period") and notes to financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- a) in the case of the Balance Sheet, of the state of affairs of the Scheme as at 31<sup>st</sup> March 2024;
- b) in the case of the Revenue Account, of the Surplus/(deficit) of the Scheme for the period/year ended 31<sup>st</sup> March 2024;
- c) statement of changes in net assets attributable to unitholders of scheme for the year ended 31<sup>st</sup> March 2024; and
- d) in the case of the Cash Flow Statement, of the cash flows of the Scheme for the period/year ended 31<sup>st</sup> March 2024.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the accounting standards issued by the ICAI, as applicable, and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in

accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees of Canara Robeco Mutual Fund are responsible for the other information. The other information comprises the information included in the Scheme's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The other information is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a

material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management for the Financial Statements**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Board of Trustees are responsible for assessing the Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management of the Investment Manager and the Board of Trustees are responsible for overseeing the Scheme's financial reporting process.

**Auditors' Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered

material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2024, and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the

matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by SEBI Regulation 55(4) and Clause 5(ii)(2) of the Eleventh Schedule to the SEBI Regulations, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, the Balance Sheet, the Revenue Account, and the Statement of Changes in net assets attributable to unit holders of scheme, the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Scheme; and
  - (c) The balance sheet, the revenue account, the Statement of Changes in net assets attributable to unit holders of scheme and the cash flow statement, dealt with by this report are in agreement with the books of accounts of the Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2024 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Trustees of Canara Robeco Mutual Fund and are fair and reasonable.

**CANARA ROBECO MUTUAL FUND**  
**ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS**

**Note 20 Additional disclosures forming part of financial statements**

**1. BACKGROUND**

Canara Bank had entered into a joint venture with Orix Corporation Europe N.V. (formerly known as Robeco Groep N.V.) of Netherlands on 19th March 2007. Upon completion of all the necessary formalities, w.e.f. 10th October 2007, the sponsors of the Canara Robeco Mutual Fund (the "Fund") are Orix Corporation Europe N.V. (formerly Robeco Groep N.V.) and Canara Bank. Accordingly, Canbank Investment Management Services Ltd, the asset management company of Canbank Mutual Fund has been renamed as Canara Robeco Asset Management Company Ltd (CRAMC) and Canbank Mutual Fund has been renamed as Canara Robeco Mutual Fund. In terms thereof, Canara Bank holds 51% and OCE India Holding B.V. (formerly Robeco India Holding B.V.) holds 49% of the issued, subscribed and paid up capital of CRAMC.

KFin Technologies Pvt Limited is the Registrar and Transfer Agent for the Schemes of Canara Robeco Mutual Fund. ( Formerly known as Karvy Computershare Private Ltd )

The Hongkong and Shanghai Banking Corporation and HDFC Bank Ltd are the Custodian and Sub-Custodian respectively of the Schemes of Canara Robeco Mutual Fund.

Canara Robeco Mutual Fund (Board of Trustees) are the trustees for the Schemes of Canara Robeco Mutual Fund.

The brief details of following Canara Robeco Mutual Fund schemes are as below:

| Scheme Name                            | Type of Scheme  | Investment objective of the scheme   | Plans (Available for Subscription)  | Fund Manager   |
|--|---|--|---|--|
| Canara Robeco Conservative Hybrid Fund | An open-ended hybrid scheme investing predominantly in debt instruments                       | To generate income by investing in a wide range of Debt Securities and Money Market instruments of various maturities and small portion in equities and Equity Related Instruments. However, there can be no assurance that the investment objective of the scheme will be realized.   | Regular Plan - Growth Option<br>Regular Plan - Monthly IDCW<br>Regular Plan - Quarterly IDCW<br>Direct Plan - Growth Option<br>Direct Plan - Monthly IDCW<br>Direct Plan - Quarterly IDCW | Avnish Jain<br>Shridatta Bhandwaladar                      |
| Canara Robeco Infrastructure           | An open-ended equity scheme following infrastructure theme                                    | The objective of the Scheme is to generate income/capital appreciation by investing in equities and equity related instruments of companies in the infrastructure sector. | Canara Robeco Equity Hybrid Fund       | An open-ended hybrid scheme investing predominantly in equity and equity related instruments  | The objective of the Scheme is to seek to generate long term capital appreciation and/or income from a portfolio constituted of equity and equity related securities as well as fixed income securities (debt and money market securities). However, there can be no assurance that the investment objective of the scheme will be realized. | Regular Plan - Growth Option<br>Regular Plan - Monthly IDCW<br>Direct Plan - Growth Option<br>Direct Plan - Monthly IDCW  | Shridatta Bhandwaladar<br>Ennette Fernandes<br>Avnish Jain |
| Canara Robeco ELSS Tax Saver           | An open-ended equity linked saving scheme with a statutory lock in of 3 years and tax benefit | The objective of the Scheme is ELSS seeking to provide long term capital appreciation by predominantly investing in equities to facilitate the subscribers to seek tax benefits as provided under Section 80 C of the Income Tax Act, 1961. However, there can be no assurance that the investment objective of the scheme will be realized. | Regular Plan - Growth Option<br>Regular Plan - IDCW<br>Direct Plan - Growth Option<br>Direct Plan - IDCW  | Vishal Mishra<br>Shridatta Bhandwaladar                    |

Presentation of these separate Balance sheets and Revenue accounts in a columnar form is not intended to indicate that they bear any relation to each other, or are interdependent or comparable in any way.

All the above schemes have been collectively referred as "Schemes".

**2. Basis of preparation of the financial statements**

The financial statements of the Scheme have been prepared on a going concern basis in accordance with Indian Accounting Standards ('IND AS') and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, to the extent it is not in conflict with the SEBI Regulations and guidelines issued thereunder.

The Scheme maintains accounts on accrual basis following the historical cost convention, except for the following items:

- certain financial instruments – fair value

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

\* Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

\* Level 2 — Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

\* Level 3 — Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The Balance Sheet and the Revenue Account have been prepared and presented in the format prescribed in the SEBI Regulations. The Scheme has elected to present cash flows from operating activities using the indirect method and items of income or expense associated with investing or financing cash flows are presented as per the requirements of Ind AS 7 'Statement of Cash Flows'. The disclosure requirements with respect to items in the Balance Sheet and the Revenue account, as prescribed in the SEBI Regulations and Ind AS, are presented by way of notes forming part of the financial statements.

The transition from Previous GAAP to Ind AS has been accounted for in accordance with Ind AS 101 "First Time Adoption of Indian Accounting Standards", w.e.f. April 01, 2023 being the transition date.

**Functional and presentation currency**

AMC has determined that the functional currency of the Scheme is INR. All amounts have been rounded off to the nearest lakh unless otherwise indicated.

CANARA ROBECO MUTUAL FUND  
ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS

**3 Use of estimates and judgements**

The preparation of the financial statements in conformity with Ind AS requires that the AMC make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures of contingent assets and liabilities as of the date of the financial statements and the income and expense for the reporting period. The actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis.

Estimates and underlying assumptions are reviewed on an ongoing basis.

The Scheme makes certain judgments and estimates for valuation of financial instruments. The AMC believes that the estimates used in the preparation of the financial statements are prudent and reasonable.

Changes in estimates are reflected in the financial statements in the period in which the changes are made and, if material, their effects are disclosed in the notes to the financial statements.

**Assumptions and estimation uncertainties:**

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending March 31, 2025 included in the following notes:

**a. Fair value measurement of financial instruments**

When the fair value of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques as per the valuation policy. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of the financial instruments.

**b. Provisions and contingent liabilities**

The Scheme estimates the provisions that have present obligations as a result of past events, and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates. The Scheme uses significant judgements to disclose contingent liabilities. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Scheme or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognised nor disclosed in the financial statements.

**4 Financial Instruments**

**Recognition and initial measurement of financial assets and financial liabilities**

All financial assets and financial liabilities are initially recognised when the Scheme becomes a party to the contractual provisions of the instrument.

All the financial assets and financial liabilities are initially recognised at fair value. A financial asset or financial liability which is not recognised at FVTPL, is initially measured at transaction price. Transaction costs of financial assets carried at FVTPL are expensed in the revenue account.

**Classification and subsequent measurement of financial assets and financial liabilities**

Evaluation of Business Model - classification and measurement of financial assets depends on the results of business model and the sole payments of principal and interest ("SPPI") test.

As per Clause 47 of the SEBI Regulations, every mutual fund shall ensure that the AMC computes and carries out valuation of investments made by its scheme in accordance with the investment valuation norms specified in Eighth Schedule. As per Eighth Schedule, the valuation of investments shall be based on the principles of fair valuation i.e. valuation shall be reflective of the realizable value of the securities. The valuation shall be done in good faith and in true and fair manner through appropriate valuation policies and procedures.

The Scheme's portfolio of financial assets is managed, and its performance is evaluated on a fair value basis in accordance with the Scheme's documented investment strategy, together with other related financial information.

The Scheme is required to fair value investment as per SEBI Regulations. Hence, the Scheme has not performed the SPPI Test.

**Investments at fair value through profit or loss (FVTPL)**

All investments are measured at FVTPL. Investments at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognized in the Revenue account. The gain recognized in the Revenue account is included in the 'Gain on Fair Value Change' line item and in case of loss recognized in the Revenue account is included in the 'Loss on Fair Value Change' line item.

**Financial liabilities**

Derivative contracts that have a negative fair value are presented as liabilities at FVTPL. Interest expense and foreign exchange gains and losses are recognised in the Revenue account.

**Financial instruments not measured at fair value**

The carrying value less expected credit loss provision of other financial assets and other financial liabilities are assumed to approximate their fair values due to their short-term nature.

**De-recognition**

The Scheme derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Scheme neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Scheme enters into transactions whereby it transfers assets recognised on its Balance Sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

The Scheme derecognises a financial liability when its contractual obligations are discharged or cancelled or expired.

**Off-setting financial instruments**

Financial assets and liabilities are offset, and the net amount is presented in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

**Expected Credit Loss**

The Scheme assesses at each date of Balance Sheet whether a financial asset or a group of financial assets is impaired. The Fund recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not classified as FVTPL. ECLs are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the entity in accordance with the contract and the cash flows that the Fund expects to receive). ECLs are discounted at the effective interest rate of the financial asset.

**CANARA ROBECO MUTUAL FUND**  
**ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS**

**5 Significant accounting policies**

**a. Determination of net asset value (NAV):**

NAV of the Scheme is computed separately for units issued under the various plans / options. The Scheme's investments and other net assets are managed as a single portfolio. For computing the NAV's for various plans / options, daily income earned, including realized and unrealized gains or losses in the value of investments and derivatives and expenses incurred by the corresponding scheme are allocated to the plans / options in proportion to the net assets of immediately preceding day plus subscriptions less redemptions for the day of the respective plan / options.

Commission to distributor expenses are not allocated to the NAV of Direct Plans.

**b. Unit capital:**

Unit capital represents the net outstanding units at the balance sheet date, thereby reflecting all transactions relating to the period ended on that date.

**c. Unit Premium Reserve**

When units are issued or redeemed, the net premium or discount to the face value of unit is transferred / charged to the unit premium reserve, after an appropriate portion of the issue proceeds and redemption payout is credited or debited respectively to the equalization reserve.

**d. Equalization Reserve**

In case of open-ended schemes, when units are issued or redeemed, distributable surplus per unit (net of unit premium reserve) as on date of the transaction (including distributable surplus at the beginning of the year) is determined. The per units so determined is credited or debited to the equalization account on issue/redemption of each unit respectively.

**e. Investments**

**Accounting for investment transactions**

As per the SEBI Regulations, brokerage and transaction costs (including all taxes) incurred for the purpose of execution of trade is expensed out i.e. charged to Revenue Account instead of Capitalisation. Any payment towards brokerage and transaction costs in excess of 0.12% in case of cash market transaction and 0.05% in case of derivatives transactions is charged to the Revenue account within the maximum limits of Total Expense Ratio of the Scheme. Securities transaction tax paid at the time of execution of trades is not considered to be part of the above limits.

Interest paid / received from the last interest payment date till the date of purchase / sale of investments by the schemes is not included in the cost of purchase / sale of investments. For purchase, the interest is debited to interest accrued but not due account. Similarly, for sale, interest from the last interest payment date up to the date of sale is not treated as an addition to sale value but credited to interest accrued but not due account.

Change in fair value of investments is determined separately for each category of investments. The change in the fair value, if any, between two balance sheet dates is recognised in the revenue account. However, gain in fair value change, if any, is transferred to unrealized appreciation reserve in statement of net asset attributable to unit holders.

\* Right entitlements are recognised as investments on the ex-rights date.

\* Bonus entitlements are recognised as investments on the ex-bonus date.

\* Other Corporate Action entitlements are recognised on the ex-date.

**f. Derivative transactions**

Initial Margin paid against equity derivatives is accounted as current assets. Realized gain / loss on square off of equity derivatives are accounted as realized gain / loss on derivate transaction. If the position is not squared off or roll over until the expiry date, the outstanding derivative position is physically settled at the price at which the derivative transaction was initiated.

**g. Foreign Currency Transactions**

**Initial recognition**

Transactions in foreign currencies are translated into INR at the spot exchange rate at the dates of the transactions.

**Conversion / Remeasurement**

Monetary assets and liabilities denominated in foreign currencies are translated into INR at the closing spot exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in foreign currencies are also translated into INR at the spot exchange rate at the reporting date.

**Exchange differences**

Foreign currency differences arising on translation are recognised in profit or loss as net foreign exchange gains/losses, except for those arising on financial instruments at Fair Value through Profit or Loss ('FVTPL'), which are recognised as a component of net income from financial instruments at FVTPL.

All the assets and liabilities in foreign currency are converted in Indian Rupees on the basis of Foreign Exchange rate quoted on <<mention the source name>> around the time such assets and liabilities are valued (which is currently around <<Time>>).

CANARA ROBECO MUTUAL FUND  
ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS

**h. Valuation of investments (including derivatives)**

**i) Equity and related securities**

All traded investments are valued at the last quoted closing price on the National Stock Exchange Limited (NSE)/ BSE Limited (BSE) or other stock exchange, where such security is listed. If not traded on the primary stock exchange, the closing price on the other stock exchange is considered. NSE is the primary stock exchange.

When a security is not traded on any stock exchange, on the date of valuation, then the previous closing price on NSE / BSE or any other Stock Exchange is used, provided such closing price is not exceeding a period of 30 calendar days.

When trading in an equity/equity related security in a calendar month is both less than INR 5 lacs and the total volume is less than 50,000 shares, it shall be considered as a thinly traded security.

All non-traded and thinly traded equity investments are valued in accordance with the norms prescribed in the SEBI guidelines for valuation, i.e., valuation is computed on the basis of average of book value and the price computed on the basis of the PE ratio (after appropriate discount for lower liquidity), and using the last traded price if available.

All non-traded convertible preference share investments are valued based on underlying equity, discounted for illiquidity, if required as decided by the Valuation Committee. Redeemable Preference Shares are valued by discounting the future cash flows based on discounting rate decided by the Valuation Committee.

All equity warrants / rights entitlement / partly paid up rights shares are valued after applying appropriate discount, after reducing the exercise price / issuance price from the closing price of the underlying equity security.

**ii) Futures & Options**

Options are valued on the basis of Options premium received/paid which is marked to market based on the closing price provided by the respective stock exchanges. Futures contracts are valued at the last quoted closing price provided by the respective stock exchanges. When a contract is not traded on the respective stock exchange on the date of valuation, then valuation is at the settlement price provided by the respective stock exchange.

**iii) Debt, Money Market and related securities**

All traded and non-traded investments are valued at average of scrip level prices provided by CRISIL & ICRA LTD for individual securities.

All non-traded bonus debentures are valued at face value till receipt of scrip level valuations from CRISIL & ICRA LTD.

**i. Revenue recognition:**

Dividend Income is recognized on the ex-dividend date. Dividend income on foreign securities are recognized net of applicable taxes withheld in the respective countries.

Interest income is recognized on an accrual basis.

Further, in accordance SEBI Circular, the treatment of accrued interest and future accrual of interest in case of money market and debt securities classified as below investment grade or default is detailed below:

\* For accrued interest - Indicative haircut that has been applied to the principal is applied.

\* For future interest accrual - In securities classified as below investment grade - Interest accrual is continued with the same haircut applied to the principal.

In securities classified as default - No further interest accrual.

Profit or loss on sale / inter scheme transfer / redemption of investments represents sale proceeds less weighted average cost is recognized on a trade date basis.

The discount or premium, if any, to the maturity value of debt securities is amortized and recognized as interest amortized income or expense, as the case may be, over the period of maturity.

**j. Load charges:**

In accordance with the SEBI Regulations, entire amount of Exit load collected is credited to the respective Scheme net of taxes as "Other Income".

**k. Investor education and awareness initiatives:**

In accordance with the SEBI Regulations, the Scheme is accruing 0.02% p.a. on daily net assets towards investor education and awareness initiatives. Of the total, 0.01% is transferred to AMFI on a monthly basis and the remaining 0.01% is utilized for meeting the investor education expenses. Any unutilized amount is carried forward to the subsequent period. Interest earned, if any, by investment of unutilized amount in Fixed deposits, is credited to the investor education liability.

**CANARA ROBECO MUTUAL FUND**  
**ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS**

**i. Expenses:**

Fees and commission expenses are recognised in Revenue account as the related services are received. All expenses are accounted for on an accrual basis as per approved expenses structures of respective schemes. As per the SEBI Regulations, all scheme related expenses including commission paid to distributors are paid from the schemes within the regulatory limits defined under the SEBI Regulations and as specified in the Scheme Information Document read with Statement of Additional Information.

New fund offer expenses are borne by the AMC as per the SEBI Regulations.

Scheme are charged additional expenses not exceeding of 0.30 per cent of their daily net assets based on the new inflows from such cities as specified by SEBI. Additional expenses charged are utilized for distribution expenses incurred for bringing inflows from such cities. Effective March 1, 2023, based on AMFI directive, no expenses under this head have been accrued, for inflows received, post February 28, 2023. In case the said inflows are redeemed within a period of one year from the date of investment, the amount incurred as commission to distributor on account of inflows from such cities is credited back to the Scheme as "Other income".

**m. Tri Party Repo (TREP's).**

TREP's are valued at cost and interest is accrued on daily basis.

**n. Income Tax:**

No income tax provision has been made as the Schemes qualifies as a recognized Mutual Fund under section 10 (23D) of the Income-tax Act, 1961.

However, some dividend and interest income received by the Scheme is subject to withholding tax imposed in certain countries of origin. Income that is subject to such tax is recognised net of the taxes and the corresponding withholding tax is not recognised as tax expense.

**o. Operating segments**

An operating segment is a component of the Scheme that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Scheme's other components, and for which discrete financial information is available. The Scheme is primarily engaged in the business of investing amounts received from investors, in accordance with their investment objectives to generate returns. Since there is only one business segment and no geographical segments, this in the context of Ind AS 108 – Operating Segments reporting is considered to constitute one reportable segment.

**p. Cash and cash equivalents**

The Scheme considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of Triparty repo which are unrestricted for withdrawal and usage.

**q. Standards issued but not yet effective**

No new standards or amendments to the existing standards are applicable to the Scheme.

**Note 21 Additional disclosures forming part of financial statements**  
**1. Financial risk review and management**

**Risk Management Framework:**

The Scheme invests in financial instruments in accordance with their respective investment management strategies. The Scheme's investment portfolio comprises listed equity securities, debt, and money market securities.

The Fund Manager has been given discretionary authority to manage the assets in line with the Scheme's investment objectives. Compliance with the mandated asset allocation mentioned in the Scheme Information Document (SID) and the composition of the portfolio are monitored by the board of directors on a quarterly basis. In the event of deviation from mandated asset allocation due to passive breaches (occurrence of instances not arising out of omission and commission of the AMC), the AMC is obliged to take actions to rebalance the portfolio within prescribed time limits.

This note presents information about the Scheme's exposure to each of the financial risks.

**A. Credit risk, collateral provided and offsetting.**

**I. Credit quality analysis**

**II. Concentration of credit risk**

**III. Collateral and other credit enhancements, and their financial effect**

**IV. Amounts arising from Expected Credit Loss**

**V. Offsetting financial assets and financial liabilities**

**B. Liquidity risk**

**C. Market risk**

**LI. Interest rate risk**

**II. Currency risk**

**III. Other price risk**

**D. Operational Risk**

**E. Capital Management**

**A. Credit Risk:**

'Credit risk' is the risk that a counterparty to a financial instrument will fail to discharge an obligation or commitment that it has entered with the scheme, resulting in a financial loss to the scheme. It arises principally from debt securities held, and from derivative financial assets, cash, and cash equivalents, balances due from broker. For risk management reporting purposes, the Scheme considers and aggregates all elements of credit risk exposure (such as sector risk).

The Scheme's policy over credit risk is to minimize its exposure to counterparties with perceived higher risk of default by dealing only with counterparties that meet the credit standards set out in the Scheme's SID and by taking collateral. The AMC has a specific Credit Risk Policy along with a Credit Exposure Framework outlining the investment guidelines relating to Credit Risk.

Credit risk is monitored daily by the AMC in accordance with the policies and procedures in place. The AMC monitors the limits on a daily basis and reports to the investment team of any passive breaches. This is also presented in the Investment Committee & Risk Management Committee on a monthly basis along with stress testing results and any other credit related matters like early warning signal, yield triggers etc. The scheme's credit risk is monitored on a quarterly basis by the board of directors. If the credit risk is not in accordance with the investment policy or guidelines of the Scheme, then the AMC is obliged to rebalance the portfolio within thirty days of each determination that the portfolio is not in compliance with the stated investment parameters.

Management analysis will be used to identify company specific risks. Management's past track record will also be studied. To assess financial risk a detailed assessment of the issuer's financial statements will be undertaken, in the case of securitized debt instruments, the scheme will ensure that these instruments are sufficiently backed by assets.

The scheme's activities may give rise to settlement risk, 'settlement risk' is the risk of loss due to the failure of an entity to honor its obligations to deliver cash, securities or other assets as contractually agreed.

For the majority of transactions, settlement takes place through CCL or clearing house. In case of counterparty trades, pricing of the counterparties used to mitigate settlement risk.

**I. Credit quality analysis:**

The scheme's exposure to credit risk arises in respect of the following financial instruments:

- > Cash and cash equivalents;
- > Contract for sale of investment in securities and Derivative financial instruments receivable;
- > Securities Lending and Borrowing (SLB);
- > Investments in debt and money market securities; and
- > Derivative assets

**Cash and cash equivalents:**

The cash and cash equivalents are held with banks and in Tri Party Repo with the Clearing Corporation of India, Ltd (CCIL).

**Contract for sale of investment in securities and Derivative financial instruments receivable:**

Contract for sale of investment in securities and Derivative financial instruments receivable represent margin accounts and sales transactions awaiting settlement. Credit risk relating to unsettled transactions is considered small due to the short settlement period involved, settlement of trades through various clearing platform and pricing of the counterparties used.

As at the reporting date, following were the Contract for sale of investment in securities concentrated among Issuer/counterparties

| Finance                                | 26.87%         | -              | 4.80%          | -              |
| Power                                  | 0.46%          | -              | 0.06%          | -              |
| SOVEREIGN                              | 38.71%         | -              | 12.43%         | 19.34%         |
|  | 56.07%         | -              | -              | -              |

There were no significant concentrations in the debt and money market securities portfolio of credit risk to any individual issuer or group of issuers at March 31, 2024 and March 31, 2023 respectively.

**III. Collateral and other credit enhancements, and their financial effect**

The schemes have not invested in derivative instruments or in Secured lending and borrowing contracts.

**CANARA ROBECO MUTUAL FUND**  
**NOTES FORMING PART OF FINANCIAL STATEMENTS**

**iv. Amounts arising from Expected Credit Loss (ECL)**

The Scheme continuously monitors all financial assets subject to ECLs. In order to determine whether an instrument is subject to 12-month ECL (12mECL) or lifetime ECL (LTECL), the Scheme assesses whether there has been a significant increase in credit risk or the asset has become credit impaired since initial recognition. The Scheme applies following quantitative and qualitative criteria to assess whether there is significant increase in credit risk, or the asset has been credit impaired.

- Historical trend of collection from counterparty
- The Scheme's contractual rights with respect to recovery of dues from counterparty
- Credit rating of counterparty and any relevant information available in public domain

ECL is a probability weighted estimate of credit losses. It is measured as the present value of cash shortfalls (i.e. the difference between the cash flows due to the Scheme in accordance with contract and the cash flows that the Scheme expects to receive).

The Scheme has following types of financial assets that are subject to the expected credit loss:

- Contract from sale of investment in securities;
- Cash and cash equivalent;
- Balance with Bank
- Switch in receivable.

Based on the experience, the AMC expects to receive these amounts in full

**v. Offsetting financial assets and financial liabilities**

Financial assets and financial liabilities are offset, and the net amount presented in the balance sheet, when, and only when, the scheme currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously. The Scheme has not offset any financial assets and financial liabilities during the year.

**B. Liquidity risk**

Liquidity risk is the risk that the Scheme will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

The Scheme's policy and the AMC's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stress conditions, including estimated redemptions of units, without incurring unacceptable losses or risking damage to the Scheme's reputation.

The Scheme's investments in listed securities are considered to be readily realisable because they are traded on major stock exchanges in India.

The Scheme's liquidity risk is managed daily by the AMC in accordance with the policies and procedures in place. The AMC has a Liquidity Risk management policy in place which outlines the investment guidelines & the risk management procedures.

The Scheme's overall liquidity risk is monitored daily by the AMC.

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted and include estimated interest payments.

| Contract for purchase of investment in securities | -               | -                     | -                 |
| Total   | -               | -                     | -                 |

The table above shows the undiscounted cash flows of the Scheme's financial liabilities based on their earliest possible contractual maturity. The Scheme's expected cash flows on these instruments do not vary significantly from this analysis.

The Scheme manages its liquidity risk by following minimum liquidity requirement for open ended equity and debt schemes.

**C. Market risk**

Market risk is the risk that changes in market prices – e.g. interest rates, equity prices and credit spreads – will affect the Scheme's income or the fair value of investment held.

The Scheme's strategy for management of market risk is driven by the scheme's investment objective as mentioned in the accounting policy.

The Scheme's market risk is managed daily by the AMC in accordance with the policies and procedures in place. The AMC has Credit Risk, Liquidity Risk, Stress Testing & Investment policies which cover the scheme's market risk along with management thereof. The Scheme's market positions are monitored daily by the AMC.

**1. Interest rate risk**

The Scheme is exposed to the risk that the fair value or future cash flow of its investment will fluctuate because of changes in market interest rates. In respect of the scheme's interest-bearing financial instruments, the AMC has Credit Risk, Liquidity Risk, Stress Testing & Investment policies which cover the scheme's market risk along with management thereof.

The internal procedures require the AMC to manage interest rate risk on an ongoing basis in accordance with the policies and procedures in place. If the interest rate risk is not in accordance with the investment policy or guidelines of the Scheme, then the investment manager is required to rebalance the portfolio.

Exposure to interest rate risk

A summary of the Scheme's investments that are exposed to interest rate is as follows:

|                | Canara Robeco Conservative Hybrid Fund | Canara Robeco Infrastructure | Canara Robeco Equity Hybrid Fund | Canara Robeco ELSS Taxsaver |
|----------------|--|------------------------------|----------------------------------|-----------------------------|

(Rs. in Lakhs)

For debt and money market securities, the Scheme aims to maintain a Macaulay duration as per the investment objective of the scheme stated in the Scheme Information Document. At the reporting date, Macaulay Duration of the scheme is as follows.

|                | Canara Robeco Conservative Hybrid Fund | Canara Robeco Infrastructure | Canara Robeco Equity Hybrid Fund | Canara Robeco ELSS Taxsaver |
|----------------|--|------------------------------|----------------------------------|-----------------------------|
| March 31, 2024 | 3.23                                   | -                            | 2.68                             | -                           |
| March 31, 2023 | 2.60                                   | -                            | 1.91                             | -                           |

**CANARA ROBECO MUTUAL FUND**  
**NOTES FORMING PART OF FINANCIAL STATEMENTS**

**Sensitivity analysis**

The sensitivity analysis reflects how net assets attributable to unit holders would have been affected by changes in the interest rate that were reasonably possible at the reporting date.

Management has determined that a fluctuation in interest rates of 50 basis points is reasonably possible, considering the economic environment in which the Scheme operates. The table below sets out the effect on the Scheme's net assets attributable to holders of unitholder of a reasonably possible increase of 20 basis points in interest rate at March 31, 2024. The impact of such an increase has been estimated by calculating the fair value changes of the debt and money market securities, less liabilities and derivatives held at March 31, 2024. The impact is primarily from the decrease in the fair value of debt and money market securities. This analysis assumes that all other variables, in particular foreign currency rates, remain constant.

A decrease in the interest rate of 50 basis points at March 31, 2023 would result in an equal but opposite effect to the amounts shown above.

**ii. Currency risk**

Not applicable as there are no schemes investing in foreign securities.

**iii. Exposure to Other price risk**

Other price risk is the risk that the fair value of the financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether caused by factors specific to an individual investment or its issuer or factors affecting all instruments traded in the market.

Price risk is managed by the AMC by diversifying the portfolio. Apart from SEBI investment limit restrictions, the AMC has defined its own prudent internal limits to manage risk.

The internal procedures require the AMC to manage price risk on an ongoing basis. If the price risk is not in accordance with the investment policy or guidelines of the Scheme, then the AMC is required to rebalance the portfolio.

The following table sets out the concentration of the investment assets and liabilities, including derivatives held by the scheme as at the reporting date.

**Sensitivity analysis**

The table below sets out the effect on net assets attributable to the unit holders of a reasonably possible weakening in the individual equity market prices of 1% at March 31, 2024. The estimates include all exposures to equity price rises – i.e. long and short positions in equity securities as well as derivatives. The estimates are made on an individual security basis. The analysis assumes that all other variables, in particular interest rates, remain constant.

| Net loss from equity exposures                            | 250.15                                 |                | 219.47                       |                | 5,923.13                         |                | 4,659.06                   |                |
| Effect in % on net assets attributable to the unitholders | 0.23%                                  |                | 0.96%                        |                | 0.72%                            |                | 0.95%                      |                |

A strengthening in the individual equity market prices of 1% at March 31, 2023 would result in an equal but opposite effect to the amounts shown above.

All investments in debt and money market securities are fixed-income instruments that have maturities of various buckets. The schemes expect price fluctuations for these investments to arise principally from interest rate or credit risk. As a result, the schemes are not subject to significant other price risk on these investments.

The AMC monitors the concentration of risk for equity, debt and money market securities based on counterparties and industries. Refer Annexure II for the Scheme's investments across various industries.

**D. Operational risk**

**Operational risk** is the risk of direct or indirect loss arising from a wide variety of causes associated with the processes, technology and infrastructure supporting the Scheme's activities with financial instruments, either internally within the Scheme or externally at the Scheme's service providers, and from external factors other than credit, market and liquidity risks such as those arising from legal and regulatory requirements and generally accepted standards of investment management behaviour.

The Scheme's objective is to manage operational risk so as to balance the limiting of financial losses and damage to reputation with achieving their respective investment objective of generating return to investors.

The primary responsibility for the development and implementation of controls over operational risk rests with the AMC. This responsibility is supported by the development of overall standards for the management of operational risk, which encompasses the controls and processes at the service providers and the establishment of service levels with the service providers, in the following areas:

- documentation of controls and procedures;
- requirements for:
  - appropriate segregation of duties between various functions, roles and responsibilities;
  - reconciliation and monitoring of transactions; and
- periodic assessment of operational risk faced.
- the adequacy of controls and procedures to address the risks identified;
- compliance with regulatory and other legal requirements;
- development of contingency plans;
- training and professional development;
- ethical and business standards; and
- risk mitigation, including insurance if this is effective.

The AMC's assessment of the adequacy of the controls and processes in place at the service providers with respect to operational risk is carried out via regular and ad hoc discussions with the service providers and a review of the service providers' ISAC-3402 reports on internal controls, that are available, System & Cybersecurity Audit Reports.

Substantially all the assets of the scheme are held by the two custodians HSBC and HDFC Bank. The bankruptcy or insolvency of the Scheme's custodian may cause the Scheme's rights with respect to the securities held by the custodian to be limited. The AMC monitors the credit ratings and capital adequacy of its custodian on a half yearly basis, and reviews the findings documented in the ISAC-3402 Audit report on the internal controls. System and Cybersecurity Audit Reports as per their respective periodicity.

**E. Capital Risk Management**

The scheme considers the net assets attributable to unit holders as capital. The amount of net assets attributable to unitholders can change significantly daily as the Scheme is subject to daily applications and redemptions at the discretion of unitholders.

Daily applications and redemptions are reviewed relative to the liquidity of the Scheme's underlying assets daily by the AMC.

**2. Fair Value of Financial Instruments:**

**A. Fair Value Hierarchy:**

As per Ind AS 113, "Fair Value Measurement", the fair values of the financial assets or financial liabilities are defined as the price that would be received on sale of asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that is either observable or unobservable. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities and lowest priority to unobservable inputs.

The hierarchy used is as follows:

- Level 1 — Inputs are quoted prices (unadjusted) in active market for identical assets or liabilities;
- Level 2 — Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); Investment in all mutual fund schemes is included in Level 2.
- Level 3 — Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument, nor are they based on available market data.

**CANARA ROBECO MUTUAL FUND  
NOTES FORMING PART OF FINANCIAL STATEMENTS**

**B. Accounting classification and fair valuation:**

The following table shows the fair values or carrying value of investment, including their levels in the fair value hierarchy.

| Investments in | Canara Robeco Conservative Hybrid Fund |                | Canara Robeco Infrastructure |                | Canara Robeco Equity Hybrid Fund |                | Canara Robeco ESS Taxaver |                |

\* Cash and cash equivalents, bank balance other than cash and cash equivalents and Other financial assets are carried at amortized cost which is a reasonable approximation of its fair value largely due to the short-term maturities of these instruments. Accordingly, fair value hierarchy for these financial instruments has not been presented above.

\*\* Other financial liabilities are carried at amortized cost which is a reasonable approximation of its fair value.

**C. Valuation techniques and significant observable/unobservable inputs:**

The following table shows the valuation techniques used in measuring level 1, level 2 and level 3 fair values for financial instruments measured at fair value in the balance sheet, as well as significant observable/unobservable inputs used.

| Level   | Type  | Valuation Technique                   | Significant observable inputs | Inter-relationship between significant unobservable inputs and fair value measurement |
|---------|---|---------------------------------------|-------------------------------|---|
| Level 1 | Traded Equity Instruments   | Quoted Price                          | Quoted Price                  | N/A   |
| Level 2 | Debt and Money Market securities including Government securities and Treasury Bills | Prices provided by valuation agencies | Traded Prices                 | N/A   |
| Level 3 | Units of mutual fund schemes/AIF  | Debt and NAV                          | Debt and NAV                  | N/A   |
| Level 3 | N/A   | N/A                                   | N/A                           | N/A   |

**D. Fair value measurement using significant unobservable inputs (Level 3)**

During the period, there were no purchase or sale of Level 3 securities where fair value measurements were applied.

**E. Transfer of financial asset between level**

There were no transfers from Level 1 to Level 3 and Level 2 to Level 3 or in either direction during the year ended 31 March 2024 and 31 March 2023 respectively.

**4. Transferred financial assets that are not derecognised in their entirety.**

**Security Lending and Borrowing**

Security Lending and Borrowing are transactions in which the Scheme sells a security and simultaneously agrees to repurchase it for an asset that is substantially the same at a fixed price on a future date. The Scheme continues to recognize the securities in their entirety in the Balance Sheet because it retains substantially all the risks and rewards of ownership. The cash consideration received is recognized as a financial asset and a financial liability is recognized for the obligation to pay the repurchase price. Because the Scheme sells the contractual rights to the cash flows of the securities, it does not have the ability to use the transferred assets during the term of the arrangement.

The schemes had no exposure to Security Lending and Borrowing during the year ended 31 March 2024 and 31 March 2023 respectively.

**5. Segment Reporting**

The Scheme is primarily engaged in the business of providing amounts received from investors, in accordance with their investment objectives to generate returns. Since there is only one business segment and no geographical segments, the segmental reporting disclosure as required by Ind AS 108 "Operating Segments" are not required to be made.

**6. Ind AS 101 - First time Adoption of Ind AS**

These financial statements for the year ending March 31, 2024, are the first financial statements of the Scheme, has prepared in accordance with Indian Accounting Standards ("Ind AS") and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rule, 2015, as amended from time to time, to the extent it is not in conflict with the SEBI Regulations and guidelines issued there under.

For periods up to and including the year ended March 31, 2023, the Scheme prepared its financial statements in accordance with generally accepted accounting principles (Previous GAAP) in conformity with the accounting policies and standards specified in the which schedule to the SEBI Regulations not as specified by Ind AS from time to time. Accordingly, the Scheme has prepared financial statements which comply with Ind AS applicable for periods ending on March 31, 2024, together with the comparative period data as at and for the year ended March 31, 2023, as disclosure of material accounting policies, in preparing these financial statements, the Scheme's opening balance sheet was prepared for the year ended 31st March, 2022, i.e. date of transition to Ind AS. This note explains the principal adjustments made by the Scheme in restating its Previous GAAP financial statements, including the balance sheet for the year ended 31st March, 2022, and the financial statements as at and for the year ended March 31, 2023.

**7. Notes to Adjustment**

Under the previous GAAP and in accordance with SEBI circular, brokerage, and transaction costs (including all taxes) incurred for the purpose of execution of trade upto 0.12% in case of cash market transaction and upto 0.05% in case of derivative transactions along with 0.10% of Securities Transaction Tax were capitalized in cost of investment.

Under Ind AS and in accordance with SEBI circular, brokerage, and transaction costs (including all taxes) incurred for the purpose of execution of trade upto 0.12% in case of cash market transaction and upto 0.05% in case of derivative transactions along with 0.10% of Securities Transaction Tax is expensed out i.e. charged to Revenue Account instead of capitalization.

Reconciliation of equity net asset attributable to unitholders as reported under Previous GAAP and that computed under Ind AS: There is no impact on net asset attributable to unitholders due to this adjustment.

Statement of reconciliation of net profit/surplus or deficit under Ind AS and Previous GAAP: There is no impact on net surplus or deficit due to this adjustment.

Reconciliation of Statement of Cash Flows - There were no material differences between statement of cash flow presented under Ind AS and Previous GAAP.

\*\*\*\*## Expenditure includes brokerage and transaction costs incurred for the purpose of execution of trades.

Effective April 1, 2023, Brokerage and transaction cost incurred for the purpose of execution of transactions charged to the schemes as provided under Regulation 52 (6A) (a) up to 12 bps and 5 bps for cash market transactions and derivatives transactions, respectively is not included in the above expense ratio.

**CANARA ROBECO MUTUAL FUND**  
**NOTES FORMING PART OF FINANCIAL STATEMENTS**  
 (All amounts in Lakhs of Rupees)

**Note 21 Additional disclosures forming part of financial statements**

**12. Investor Education Fund (IEF) & Investor Education and Awareness Initiatives (IEAI)**

Schedule Annexed to and forming part of the Balance Sheet as at March 31, 2024 and the Revenue Account for the year/period ended on that date

As per paragraph 10.1.16 of Master circular dated 19th May 2023, an annual charge of 2 basis points (0.02% p.a.) of daily net assets, being part of total recurring expenses is set aside for Investor Education and Awareness Initiatives (IEAI) in accordance with SEBI (Mutual Funds) Regulations, 1996 as amended and circulars issued thereunder. These funds set aside are used only for meeting expenses for Investor Education and Awareness Initiatives.

Pursuant to letter no. IMD/DF2/RS/813/2016 dated January 08, 2016 issued by SEBI to AMFI, from April 1, 2016 onwards, 50% of the 2 bps accrual on daily net assets set aside by mutual funds for investor education and awareness initiative is being transferred to AMFI.

In terms of the AMFI Best Practices Guidelines Circular No. 56/2015-16, the residual 50% of the 2 bps of the IEF accrual of all the schemes of Canara Robeco Mutual Fund is set aside in a separate fund "Canara Robeco Mutual Fund – Investor Education Fund" ("IEF Fund") and all income earned on the investment of this amount is credited to IEF Fund Account and expenses incurred on investor education have been reduced from the IEF Fund.

The Fund has transferred during the year Rs.772.17 lakhs (Previous Year Rs.568.18 lakhs) to AMFI being 50% of the annual charge of IEAI of 2 basis points p.a. of daily net assets and the balance of Rs.772.17 lakhs (Previous Year Rs.568.18 lakhs) is transferred to IEF Fund.

| Particulars   | (Rs. In Lakhs) |               |
|---|----------------|---------------|
|   | Year 2023-24   | FY 2022-23    |
| Opening Balance   | 242.26         | 197.99        |
| Add: Net Change in Unrealised Appreciation in Value of Investment | 0.11           | 0.24          |
| Add: Contribution received/receivable during the year             | 772.17         | 568.18        |
| Add: Investment Income for the year                               | 25.00          | 23.20         |
| Less: Amount Spent during the year                                | 851.40         | 547.35        |
| <b>Closing Balance</b>  | <b>188.15</b>  | <b>242.26</b> |

13. No provision for Income Tax is made since the income of the scheme is exempt under section 10(23D) of the Income Tax Act, 1961.

**14. Prior Year Comparatives**

The figures for the previous year/period have been reclassified/regrouped, wherever necessary to confirm with current years classification/disclosure.

\*\* This scheme has exposure to floating rate instruments and / or interest rate derivatives. The duration of these instruments is linked to the interest rate reset period. The interest rate risk in a floating rate instrument or in a fixed rate instrument hedged with derivatives is likely to be lesser than that in an equivalent maturity fixed rate instrument. Under some market circumstances the volatility may be of an order greater than what may ordinarily be expected considering only its duration. Hence investors are recommended to consider the unadjusted portfolio maturity of the scheme as well and exercise adequate due diligence when deciding to make their investments.

| **This scheme has exposure to floating rate instruments and / or interest rate derivatives. The duration of these instruments is linked to the interest rate reset period. The interest rate risk in a floating rate instrument or in a fixed rate instrument hedged with derivatives is likely to be lesser than that in an equivalent maturity fixed rate instrument. Under some market circumstances the volatility may be of an order greater than what may ordinarily be expected considering only its duration. Hence investors are recommended to consider the unadjusted portfolio maturity of the scheme as well and exercise adequate due diligence when deciding to make their investments. |                   |                          |                          |                                   |

**INDEPENDENT AUDITORS' REPORT**

**Board of Trustees,  
Canara Robeco Mutual Fund**

**Report on the audit of Financial Statements**

**Opinion**

We have audited the accompanying financial statements of Canara Robeco Dynamic Bond Fund("the scheme") which comprises the Balance Sheet as at March 31, 2024, the Revenue Account, the statement of changes in net assets attributable to unitholders and the Cash Flow Statement for the year April 01, 2023 or the launch date of the respective schemes to March 31, 2024 ("the year/the period") and notes to financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- a) in the case of the Balance Sheet, of the state of affairs of the Scheme as at 31<sup>st</sup> March 2024;
- b) in the case of the Revenue Account, of the Surplus/(deficit) of the Scheme for the period/year ended 31<sup>st</sup> March 2024;
- c) statement of changes in net assets attributable to unitholders of scheme for the year ended 31<sup>st</sup> March 2024; and
- d) in the case of the Cash Flow Statement, of the cash flows of the Scheme for the period/year ended 31<sup>st</sup> March 2024.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the accounting standards issued by the ICAI, as applicable, and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in

accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

| Sr. No. | Key Audit Matter   | Auditor's Response   |
|---------|--|--|
| 1       | <p><b>Valuation and existence of Investments:</b></p> <p>The valuation and existence of the portfolio of investments is considered as a key audit matter due to the magnitude of potential misstatement as the portfolio of investments represents the principal element of the net asset of the Scheme.</p> | <p><b>Principal audit procedures performed:</b></p> <p>We gained an understanding of the internal control structure and operating effectiveness of key controls surrounding valuation and existence of investments.</p> <p>We tested the valuation of the investments by comparing the prices used in the calculation of the Fund NAV from prices obtained from independent sources.</p> <p>We tested the existence of the Investments by obtaining and reconciling the direct confirmations of the holdings from following sources:</p> <ul style="list-style-type: none"> <li>• Custodians of the Scheme</li> <li>• Reserve Bank of India</li> <li>• Clearing Corporation of India Limited</li> </ul> <p>We matched the holdings as per above confirmations with the Scheme's accounting records. We have obtained the reconciliations and reviewed the differences, if any.</p> |
| 2       | <p><b>Multiple Information Technology (IT) Systems</b></p> <p>The controls over IT Systems and the operating effectiveness thereof is considered as a key audit matter as the Scheme is highly dependent on technology due to the significant number of transactions that are</p>                            | <p><b>Principal audit procedures performed:</b></p> <p>We obtained an understanding of the entity's IT related control environment. We identified key IT applications, databases and operating systems that are relevant to our audit and have identified key applications relevant for financial reporting.</p>   |

| Sr. No. | Key Audit Matter   | Auditor's Response   |
|---------|--|--|
|         | <p>processed daily and discrete IT Systems used. The audit approach relies extensively on automated controls and therefore on the effectiveness of controls over IT systems.</p> <p>IT application controls are critical to ensure that changes to applications and underlying data are made in an appropriate manner.</p> | <p>We obtained an understanding of the entity's IT control environment and key changes during the audit period that may be relevant to the audit.</p> <p>We tested the design, implementation, and operating effectiveness of the Entity's General IT controls over the key IT systems that are critical to financial reporting. This included evaluation of entity's controls to evaluate segregation of duties and access rights being provisioned / modified based on duly approved requests, access for exit cases being revoked in a timely manner and access of all users being re-certified during the period of audit.</p> <p>We also tested key automated and manual business cycle controls and logic for system generated reports relevant to the audit; including testing of compensating controls or performed alternate procedures to assess whether there were any unaddressed IT risks that would materially impact the financial statements.</p> <p>We have also placed reliance on System and cyber security audit reports of AMC and other service providers.</p> |

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees of Canara Robeco Mutual Fund are responsible for the other information. The other information comprises the information included in the Scheme's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The other information is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a

material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management for the Financial Statements**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Board of Trustees are responsible for assessing the Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management of the Investment Manager and the Board of Trustees are responsible for overseeing the Scheme's financial reporting process.

**Auditors' Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered

material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2024, and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the

matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by SEBI Regulation 55(4) and Clause 5(ii)(2) of the Eleventh Schedule to the SEBI Regulations, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, the Balance Sheet, the Revenue Account, and the Statement of Changes in net assets attributable to unit holders of scheme, the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Scheme; and
  - (c) The balance sheet, the revenue account, the Statement of Changes in net assets attributable to unit holders of scheme and the cash flow statement, dealt with by this report are in agreement with the books of accounts of the Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2024 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Trustees of Canara Robeco Mutual Fund and are fair and reasonable.

## INDEPENDENT AUDITORS' REPORT

Board of Trustees,  
Canara Robeco Mutual Fund

### Report on the audit of Financial Statements

#### Opinion

We have audited the accompanying financial statements of Canara Robeco Gilt Fund ("the scheme") which comprises the Balance Sheet as at March 31, 2024, the Revenue Account, the statement of changes in net assets attributable to unitholders and the Cash Flow Statement for the year April 01, 2023 or the launch date of the respective schemes to March 31, 2024 ("the year/the period") and notes to financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- a) in the case of the Balance Sheet, of the state of affairs of the Scheme as at 31<sup>st</sup> March 2024;
- b) in the case of the Revenue Account, of the Surplus/(deficit) of the Scheme for the period/year ended 31<sup>st</sup> March 2024;
- c) statement of changes in net assets attributable to unitholders of scheme for the year ended 31<sup>st</sup> March 2024; and
- d) in the case of the Cash Flow Statement, of the cash flows of the Scheme for the period/year ended 31<sup>st</sup> March 2024.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the accounting standards issued by the ICAI, as applicable, and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled

our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

| Sr. No. | Key Audit Matter   | Auditor's Response   |
|---------|--|--|
| 1       | <p><b>Valuation and existence of Investments:</b></p> <p>The valuation and existence of the portfolio of investments is considered as a key audit matter due to the magnitude of potential misstatement as the portfolio of investments represents the principal element of the net asset of the Scheme.</p> | <p><b>Principal audit procedures performed:</b></p> <p>We gained an understanding of the internal control structure and operating effectiveness of key controls surrounding valuation and existence of investments.</p> <p>We tested the valuation of the investments by comparing the prices used in the calculation of the Fund NAV from prices obtained from independent sources.</p> <p>We tested the existence of the Investments by obtaining and reconciling the direct confirmations of the holdings from following sources:</p> <ul style="list-style-type: none"> <li>• Custodians of the Scheme</li> <li>• Reserve Bank of India</li> <li>• Clearing Corporation of India Limited</li> </ul> <p>We matched the holdings as per above confirmations with the Scheme's accounting records. |         | <p>technology due to the significant number of transactions that are processed daily and discrete IT Systems used. The audit approach relies extensively on automated controls and therefore on the effectiveness of controls over IT systems.</p> <p>IT application controls are critical to ensure that changes to applications and underlying data are made in an appropriate manner.</p> | <p>are relevant to our audit and have identified key applications relevant for financial reporting.</p> <p>We obtained an understanding of the entity's IT control environment and key changes during the audit period that may be relevant to the audit.</p> <p>We tested the design, implementation, and operating effectiveness of the Entity's General IT controls over the key IT systems that are critical to financial reporting. This included evaluation of entity's controls to evaluate segregation of duties and access rights being provisioned / modified based on duly approved requests, access for exit cases being revoked in a timely manner and access of all users being re-certified during the period of audit.</p> <p>We also tested key automated and manual business cycle controls and logic for system generated reports relevant to the audit; including testing of compensating controls or performed alternate procedures to assess whether there were any unaddressed IT risks that would materially impact the financial statements.</p> <p>We have also placed reliance on System and cyber security audit reports of AMC and other service providers.</p> |

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees of Canara Robeco Mutual Fund are responsible for the other information. The other information comprises the information included in the Scheme's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The other information is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent

with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management for the Financial Statements**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Board of Trustees are responsible for assessing the Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management of the Investment Manager and the Board of Trustees are responsible for overseeing the Scheme's financial reporting process.

**Auditors' Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a

material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2024, and are therefore the key audit matters. We describe these

matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by SEBI Regulation 55(4) and Clause 5(ii)(2) of the Eleventh Schedule to the SEBI Regulations, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, the Balance Sheet, the Revenue Account, and the Statement of Changes in net assets attributable to unit holders of scheme, the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Scheme; and
  - (c) The balance sheet, the revenue account, the Statement of Changes in net assets attributable to unit holders of scheme and the cash flow statement, dealt with by this report are in agreement with the books of accounts of the Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2024 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Trustees of Canara Robeco Mutual Fund and are fair and reasonable.

**INDEPENDENT AUDITORS' REPORT**

**Board of Trustees,  
Canara Robeco Mutual Fund**

**Report on the audit of Financial Statements**

**Opinion**

We have audited the accompanying financial statements of Canara Robeco Corporate Bond Fund("the scheme") which comprises the Balance Sheet as at March 31, 2024, the Revenue Account, the statement of changes in net assets attributable to unitholders and the Cash Flow Statement for the year April 01, 2023 or the launch date of the respective schemes to March 31, 2024 ("the year/the period") and notes to financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- a) in the case of the Balance Sheet, of the state of affairs of the Scheme as at 31<sup>st</sup> March 2024;
- b) in the case of the Revenue Account, of the Surplus/(deficit) of the Scheme for the period/year ended 31<sup>st</sup> March 2024;
- c) statement of changes in net assets attributable to unitholders of scheme for the year ended 31<sup>st</sup> March 2024; and
- d) in the case of the Cash Flow Statement, of the cash flows of the Scheme for the period/year ended 31<sup>st</sup> March 2024.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the accounting standards issued by the ICAI, as applicable, and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled

our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees of Canara Robeco Mutual Fund are responsible for the other information. The other information comprises the information included in the Scheme's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The other information is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent

with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management for the Financial Statements**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Board of Trustees are responsible for assessing the Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management of the Investment Manager and the Board of Trustees are responsible for overseeing the Scheme's financial reporting process.

**Auditors' Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a

material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2024, and are therefore the key audit matters. We describe these

matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by SEBI Regulation 55(4) and Clause 5(ii)(2) of the Eleventh Schedule to the SEBI Regulations, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, the Balance Sheet, the Revenue Account, and the Statement of Changes in net assets attributable to unit holders of scheme, the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Scheme; and
  - (c) The balance sheet, the revenue account, the Statement of Changes in net assets attributable to unit holders of scheme and the cash flow statement, dealt with by this report are in agreement with the books of accounts of the Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2024 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Trustees of Canara Robeco Mutual Fund and are fair and reasonable.

## INDEPENDENT AUDITORS' REPORT

Board of Trustees,  
Canara Robeco Mutual Fund

### Report on the audit of Financial Statements

#### Opinion

We have audited the accompanying financial statements of Canara Robeco Income Fund ("the scheme") which comprises the Balance Sheet as at March 31, 2024, the Revenue Account, the statement of changes in net assets attributable to unitholders and the Cash Flow Statement for the year April 01, 2023 or the launch date of the respective schemes to March 31, 2024 ("the year/the period") and notes to financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- a) in the case of the Balance Sheet, of the state of affairs of the Scheme as at 31<sup>st</sup> March 2024;
- b) in the case of the Revenue Account, of the Surplus/(deficit) of the Scheme for the period/year ended 31<sup>st</sup> March 2024;
- c) statement of changes in net assets attributable to unitholders of scheme for the year ended 31<sup>st</sup> March 2024; and
- d) in the case of the Cash Flow Statement, of the cash flows of the Scheme for the period/year ended 31<sup>st</sup> March 2024.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the accounting standards issued by the ICAI, as applicable, and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in

accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees of Canara Robeco Mutual Fund are responsible for the other information. The other information comprises the information included in the Scheme's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The other information is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a

material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management for the Financial Statements**

The Management of Canara Robeco Asset Management Company Limited (the “Investment Manager”) and the Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Board of Trustees are responsible for assessing the Scheme’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management of the Investment Manager and the Board of Trustees are responsible for overseeing the Scheme’s financial reporting process.

**Auditors’ Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered

material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2024, and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the

matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by SEBI Regulation 55(4) and Clause 5(ii)(2) of the Eleventh Schedule to the SEBI Regulations, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, the Balance Sheet, the Revenue Account, and the Statement of Changes in net assets attributable to unit holders of scheme, the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Scheme; and
  - (c) The balance sheet, the revenue account, the Statement of Changes in net assets attributable to unit holders of scheme and the cash flow statement, dealt with by this report are in agreement with the books of accounts of the Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2024 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Trustees of Canara Robeco Mutual Fund and are fair and reasonable.

## INDEPENDENT AUDITORS' REPORT

Board of Trustees,  
Canara Robeco Mutual Fund

### Report on the audit of Financial Statements

#### Opinion

We have audited the accompanying financial statements of Canara Robeco Banking & PSU Debt Fund("the scheme") which comprises the Balance Sheet as at March 31, 2024, the Revenue Account, the statement of changes in net assets attributable to unitholders and the Cash Flow Statement for the year April 01, 2023 or the launch date of the respective schemes to March 31, 2024 ("the year/the period") and notes to financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- a) in the case of the Balance Sheet, of the state of affairs of the Scheme as at 31<sup>st</sup> March 2024;
- b) in the case of the Revenue Account, of the Surplus/(deficit) of the Scheme for the period/year ended 31<sup>st</sup> March 2024;
- c) statement of changes in net assets attributable to unitholders of scheme for the year ended 31<sup>st</sup> March 2024; and
- d) in the case of the Cash Flow Statement, of the cash flows of the Scheme for the period/year ended 31<sup>st</sup> March 2024.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the accounting standards issued by the ICAI, as applicable, and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in accordance

with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees of Canara Robeco Mutual Fund are responsible for the other information. The other information comprises the information included in the Scheme's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The other information is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a

material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management for the Financial Statements**

The Management of Canara Robeco Asset Management Company Limited (the “Investment Manager”) and the Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Board of Trustees are responsible for assessing the Scheme’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management of the Investment Manager and the Board of Trustees are responsible for overseeing the Scheme’s financial reporting process.

**Auditors’ Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered

material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2024, and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the

matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by SEBI Regulation 55(4) and Clause 5(ii)(2) of the Eleventh Schedule to the SEBI Regulations, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, the Balance Sheet, the Revenue Account, and the Statement of Changes in net assets attributable to unit holders of scheme, the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Scheme; and
  - (c) The balance sheet, the revenue account, the Statement of Changes in net assets attributable to unit holders of scheme and the cash flow statement, dealt with by this report are in agreement with the books of accounts of the Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2024 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Trustees of Canara Robeco Mutual Fund and are fair and reasonable.

**CANARA ROBECO MUTUAL FUND**  
**ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS**

**Note 20 Additional disclosures forming part of financial statements**

**1. BACKGROUND**

Canara Bank had entered into a joint venture with Orix Corporation Europe N.V. (formerly known as Robeco Groep N.V.) of Netherlands on 19th March 2007. Upon completion of all the necessary formalities, w.e.f. 10th October 2007, the sponsors of the Canara Robeco Mutual Fund (the "Fund") are Orix Corporation Europe N.V. (formerly Robeco Groep N.V.) and Canara Bank. Accordingly, Canbank Investment Management Services Ltd, the asset management company of Canbank Mutual Fund has been renamed as Canara Robeco Asset Management Company Ltd (CRAMC) and Canbank Mutual Fund has been renamed as Canara Robeco Mutual Fund. In terms thereof, Canara Bank holds 51% and OCE India Holding B.V. (formerly Robeco India Holding B.V.) holds 49% of the issued, subscribed and paid up capital of CRAMC.

KFin Technologies Pvt Limited is the Registrar and Transfer Agent for the Schemes of Canara Robeco Mutual Fund. ( Formerly known as Karvy Computershare Private Ltd )

The Hongkong and Shanghai Banking Corporation and HDFC Bank Ltd are the Custodian and Sub-Custodian respectively of the Schemes of Canara Robeco Mutual Fund.

Canara Robeco Mutual Fund (Board of Trustees) are the trustees for the Schemes of Canara Robeco Mutual Fund.

The brief details of following Canara Robeco Mutual Fund schemes are as below:

| Scheme Name                             | Type of Scheme  | Investment objective of the scheme   | Plans (Available for Subscription)   | Fund Manager                |
|---|---|--|--|-----------------------------|
| Canara Robeco Dynamic Bond Fund         | An open-ended dynamic debt scheme investing across duration.  | The objective of the Fund is to seek to generate income from a portfolio of debt and money market securities. However, there can be no assurance that the investment objective of the scheme will be realized and the Fund does not assure or guarantee any returns.   | Regular Plan - Growth Option<br>Regular Plan - IDCW<br>Direct Plan - Growth Option<br>Direct Plan - IDCW                     | Avnish Jain<br>Kunal Jain   |
| Canara Robeco Gilt Fund                 | An open-ended debt scheme investing in government securities across maturity.   | To provide risk free return (except interest rate risk) while maintaining stability of capital and liquidity. Being a dedicated Gilt Scheme, the funds will be invested in securities as defined under Sec. 2 (2) of Public Debt Act, 1944. However, there can be no assurance that the investment objective of the Scheme will be realized. | Regular Plan - Growth Option<br>Regular Plan - IDCW<br>Direct Plan - Growth Option<br>Direct Plan - IDCW                     | Avnish Jain<br>Kunal Jain   |
| Canara Robeco Corporate Bond Fund       | An open ended debt scheme predominantly investing in AA+ and above rated corporate bonds.   | To generate income and capital appreciation through a portfolio constituted predominantly of AA+ and above rated Corporate Debt across maturities. However, there can be no assurance that the investment objective of the scheme will be realized.  | Regular Plan - Growth Option<br>Regular Plan - IDCW<br>Direct Plan - Growth Option<br>Direct Plan - IDCW                     | Avnish Jain<br>Suman Prasad |
| Canara Robeco Income Fund               | An open-ended medium term debt scheme investing in debt & money market instruments such that the Macaulay duration of the portfolio is between 4 years - 7 years  | The objective of the Scheme is to generate income and capital appreciation through a portfolio constituted of medium to long term debt and money market securities and issuers of different risk profiles. However, there can be no assurance that the investment objective of the scheme will be realized.                                  | Regular Plan - Growth Option<br>Regular Plan - Quarterly IDCW<br>Direct Plan - Growth Option<br>Direct Plan - Quarterly IDCW | Avnish Jain<br>Kunal Jain   |
| Canara Robeco Banking and PSU Debt Fund | An open-ended debt scheme predominantly investing in debt instruments of banks, public sector undertakings, public financial institutions and municipal bonds. A relatively high interest rate risk and moderate credit risk. | To generate income and/or capital appreciation through a portfolio of high quality debt and money market instruments issued by entities such as Banks, Public Sector Undertakings (PSUs), Public Financial Institutions (PFIs) and Municipal Bonds. However, there is no assurance that the objective of the fund will be realised.          | Regular Plan - Growth Option<br>Regular Plan - Quarterly IDCW<br>Direct Plan - Growth Option<br>Direct Plan - Quarterly IDCW | Avnish Jain                 |

Presentation of these separate Balance sheets and Revenue accounts in a columnar form is not intended to indicate that they bear any relation to each other, or are interdependent or comparable in any way.

All the above schemes have been collectively referred as "Schemes".

**2. Basis of preparation of the financial statements**

The financial statements of the Scheme have been prepared on a going concern basis in accordance with Indian Accounting Standards ('IND AS') and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, to the extent it is not in conflict with the SEBI Regulations and guidelines issued thereunder.

The Scheme maintains accounts on accrual basis following the historical cost convention, except for the following items:  
certain financial instruments – fair value

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

\* Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

\* Level 2 — Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

\* Level 3 — Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The Balance Sheet and the Revenue Account have been prepared and presented in the format prescribed in the SEBI Regulations. The Scheme has elected to present cash flows from operating activities using the indirect method and items of income or expense associated with investing or financing cash flows are presented as per the requirements of Ind AS 7 'Statement of Cash Flows'. The disclosure requirements with respect to items in the Balance Sheet and the Revenue account, as prescribed in the SEBI Regulations and Ind AS, are presented by way of notes forming part of the financial statements.

The transition from Previous GAAP to Ind AS has been accounted for in accordance with Ind AS 101 "First Time Adoption of Indian Accounting Standards", w.e.f. April 01, 2023 being the transition date.

**Functional and presentation currency**

AMC has determined that the functional currency of the Scheme is INR. All amounts have been rounded off to the nearest lakh unless otherwise indicated.

**CANARA ROBECO MUTUAL FUND**  
**ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS**

**3 Use of estimates and judgements**

The preparation of the financial statements in conformity with Ind AS requires that the AMC make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures of contingent assets and liabilities as of the date of the financial statements and the income and expense for the reporting period. The actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis.

Estimates and underlying assumptions are reviewed on an ongoing basis.

The Scheme makes certain judgments and estimates for valuation of financial instruments. The AMC believes that the estimates used in the preparation of the financial statements are prudent and reasonable.

Changes in estimates are reflected in the financial statements in the period in which the changes are made and, if material, their effects are disclosed in the notes to the financial statements.

**Assumptions and estimation uncertainties:**

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending March 31, 2025 included in the following notes:

**a. Fair value measurement of financial instruments**

When the fair value of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques as per the valuation policy. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of the financial instruments.

**b. Provisions and contingent liabilities**

The Scheme estimates the provisions that have present obligations as a result of past events, and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates. The Scheme uses significant judgements to disclose contingent liabilities. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Scheme or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognised nor disclosed in the financial statements.

**4 Financial Instruments**

**Recognition and initial measurement of financial assets and financial liabilities**

All financial assets and financial liabilities are initially recognised when the Scheme becomes a party to the contractual provisions of the instrument.

All the financial assets and financial liabilities are initially recognised at fair value. A financial asset or financial liability which is not recognised at FVTPL, is initially measured at transaction price. Transaction costs of financial assets carried at FVTPL are expensed in the revenue account.

**Classification and subsequent measurement of financial assets and financial liabilities**

Evaluation of Business Model - classification and measurement of financial assets depends on the results of business model and the solely payments of principal and interest ("SPPI") test.

As per Clause 47 of the SEBI Regulations, every mutual fund shall ensure that the AMC computes and carries out valuation of investments made by its scheme in accordance with the investment valuation norms specified in Eighth Schedule. As per Eighth Schedule, the valuation of investments shall be based on the principles of fair valuation i.e. valuation shall be reflective of the realizable value of the securities. The valuation shall be done in good faith and in true and fair manner through appropriate valuation policies and procedures.

The Scheme's portfolio of financial assets is managed, and its performance is evaluated on a fair value basis in accordance with the Scheme's documented investment strategy, together with other related financial information.

The Scheme is required to invest in fair value investment as per SEBI Regulations. Hence, the Scheme has not performed the SPPI Test.

**Investments at fair value through profit or loss (FVTPL)**

All investments are measured at FVTPL. Investments at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognized in the Revenue account. The gain recognized in the Revenue account is included in the 'Gain on Fair Value Change' line item and in case of loss recognized in the Revenue account is included in the 'Loss on Fair Value Change' line item.

**Financial liabilities**

Derivative contracts that have a negative fair value are presented as liabilities at FVTPL. Interest expense and foreign exchange gains and losses are recognised in the Revenue account.

**Financial instruments not measured at fair value**

The carrying value less expected credit loss provision of other financial assets and other financial liabilities are assumed to approximate their fair values due to their short-term nature.

**De-recognition**

The Scheme derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Scheme neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Scheme enters into transactions whereby it transfers assets recognised on its Balance Sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

The Scheme derecognises a financial liability when its contractual obligations are discharged or cancelled or expired.

**Off-setting financial instruments**

Financial assets and liabilities are offset, and the net amount is presented in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

**Expected Credit Loss**

The Scheme assesses at each date of Balance Sheet whether a financial asset or a group of financial assets is impaired. The Fund recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not classified as FVTPL. ECLs are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the entity in accordance with the contract and the cash flows that the Fund expects to receive). ECLs are discounted at the effective interest rate of the financial asset.

**CANARA ROBECO MUTUAL FUND**  
**ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS**

**5 Significant accounting policies**

**a. Determination of net asset value (NAV):**

NAV of the Scheme is computed separately for units issued under the various plans / options. The Scheme's investments and other net assets are managed as a single portfolio. For computing the NAV's for various plans / options, daily income earned, including realized and unrealized gains or losses in the value of investments and derivatives and expenses incurred by the corresponding scheme are allocated to the plans / options in proportion to the net assets of immediately preceding day plus subscriptions less redemptions for the day of the respective plan / options.

Commission to distributor expenses are not allocated to the NAV of Direct Plans.

**b. Unit capital:**

Unit capital represents the net outstanding units at the balance sheet date, thereby reflecting all transactions relating to the period ended on that date.

**c. Unit Premium Reserve**

When units are issued or redeemed, the net premium or discount to the face value of unit is transferred / charged to the unit premium reserve, after an appropriate portion of the issue proceeds and redemption payout is credited or debited respectively to the equalization reserve.

**d. Equalization Reserve**

In case of open-ended schemes, when units are issued or redeemed, distributable surplus per unit (net of unit premium reserve) as on date of the transaction (including distributable surplus at the beginning of the year) is determined. The per units so determined is credited or debited to the equalization account on issue/redemption of each unit respectively.

**e. Investments**

**Accounting for Investment transactions**

As per the SEBI Regulations, brokerage and transaction costs (including all taxes) incurred for the purpose of execution of trade is expensed out i.e. charged to Revenue Account instead of Capitalisation. Any payment towards brokerage and transaction costs in excess of 0.12% in case of cash market transaction and 0.05% in case of derivatives transactions is charged to the Revenue account within the maximum limits of Total Expense Ratio of the Scheme. Securities transaction tax paid at the time of execution of trades is not considered to be part of the above limits.

Interest paid / received from the last interest payment date till the date of purchase / sale of investments by the schemes is not included in the cost of purchase / sale of investments. For purchase, the interest is debited to interest accrued but not due account. Similarly, for sale, interest from the last interest payment date up to the date of sale is not treated as an addition to sale value but credited to interest accrued but not due account.

Change in fair value of investments is determined separately for each category of investments. The change in the fair value, if any, between two balance sheet dates is recognised in the revenue account. However, gain in fair value change, if any, is transferred to unrealized appreciation reserve in statement of net asset attributable to unit holders.

\* Right entitlements are recognised as investments on the ex-rights date.

\* Bonus entitlements are recognised as investments on the ex-bonus date.

\* Other Corporate Action entitlements are recognised on the ex-date.

**f. Derivative transactions**

Initial Margin paid against equity derivatives is accounted as current assets. Realized gain / loss on square off of equity derivatives are accounted as realized gain / loss on derivative transaction. If the position is not squared off or roll over until the expiry date, the outstanding derivative position is physically settled at the price at which the derivative transaction was initiated.

**g. Foreign Currency Transactions**

**Initial recognition**

Transactions in foreign currencies are translated into INR at the spot exchange rate at the dates of the transactions.

**Conversion / Remeasurement**

Monetary assets and liabilities denominated in foreign currencies are translated into INR at the closing spot exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in foreign currencies are also translated into INR at the spot exchange rate at the reporting date.

**Exchange differences**

Foreign currency differences arising on translation are recognised in profit or loss as net foreign exchange gains/losses, except for those arising on financial instruments at Fair Value through Profit or Loss ('FVTPL'), which are recognised as a component of net income from financial instruments at FVTPL.

All the assets and liabilities in foreign currency are converted in Indian Rupees on the basis of Foreign Exchange rate quoted on <<mention the source name>> around the time such assets and liabilities are valued (which is currently around <<Time>>).

**CANARA ROBECO MUTUAL FUND**  
**ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS**

**h. Valuation of investments (including derivatives)**

**i) Equity and related securities**

All traded investments are valued at the last quoted closing price on the National Stock Exchange Limited (NSE)/ BSE Limited (BSE) or other stock exchange, where such security is listed. If not traded on the primary stock exchange, the closing price on the other stock exchange is considered. NSE is the primary stock exchange.

When a security is not traded on any stock exchange, on the date of valuation, then the previous closing price on NSE / BSE or any other Stock Exchange is used, provided such closing price is not exceeding a period of 30 calendar days.

When trading in an equity/equity related security in a calendar month is both less than INR 5 lacs and the total volume is less than 50,000 shares, it shall be considered as a thinly traded security.

All non-traded and thinly traded equity investments are valued in accordance with the norms prescribed in the SEBI guidelines for valuation, i.e., valuation is computed on the basis of average of book value and the price computed on the basis of the PE ratio (after appropriate discount for lower liquidity), and using the last traded price if available.

All non-traded convertible preference share investments are valued based on underlying equity, discounted for illiquidity, if required as decided by the Valuation Committee. Redeemable Preference Shares are valued by discounting the future cash flows based on discounting rate decided by the Valuation Committee.

All equity warrants / rights entitlement / partly paid up rights shares are valued after applying appropriate discount, after reducing the exercise price / issuance price from the closing price of the underlying equity security.

**ii) Futures & Options**

Options are valued on the basis of Options premium received/paid which is marked to market based on the closing price provided by the respective stock exchanges. Futures contracts are valued at the last quoted closing price provided by the respective stock exchanges. When a contract is not traded on the respective stock exchange on the date of valuation, then valuation is at the settlement price provided by the respective stock exchange.

**iii) Debt, Money Market and related securities**

All traded and non-traded investments are valued at average of scrip level prices provided by CRISIL & ICRA LTD for individual securities.

All non-traded bonus debentures are valued at face value till receipt of scrip level valuations from CRISIL & ICRA LTD.

**i. Revenue recognition:**

Dividend Income is recognized on the ex-dividend date. Dividend income on foreign securities are recognized net of applicable taxes withheld in the respective countries.

Interest income is recognized on an accrual basis.

Further, in accordance SEBI Circular, the treatment of accrued interest and future accrual of interest in case of money market and debt securities classified as below investment grade or default is detailed below:

\* For accrued interest - Indicative haircut that has been applied to the principal is applied.

\* For future interest accrual - In securities classified as below investment grade - Interest accrual is continued with the same haircut applied to the principal.

In securities classified as default - No further interest accrual.

Profit or loss on sale / inter scheme transfer / redemption of investments represents sale proceeds less weighted average cost is recognized on a trade date basis.

The discount or premium, if any, to the maturity value of debt securities is amortized and recognized as interest amortized income or expense, as the case may be, over the period of maturity.

**j. Load charges:**

In accordance with the SEBI Regulations, entire amount of Exit load collected is credited to the respective Scheme net of taxes as "Other Income".

**k. Investor education and awareness initiatives:**

In accordance with the SEBI Regulations, the Scheme is accruing 0.02% p.a. on daily net assets towards investor education and awareness initiatives. Of the total, 0.01% is transferred to AMFI on a monthly basis and the remaining 0.01% is utilized for meeting the investor education expenses. Any unutilized amount is carried forward to the subsequent period. Interest earned, if any, by investment of unutilized amount in Fixed deposits, is credited to the investor education liability.

**CANARA ROBECO MUTUAL FUND**  
**ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS**

**i. Expenses:**

Fees and commission expenses are recognised in Revenue account as the related services are received. All expenses are accounted for on an accrual basis as per approved expenses structures of respective schemes. As per the SEBI Regulations, all scheme related expenses including commission paid to distributors are paid from the schemes within the regulatory limits defined under the SEBI Regulations and as specified in the Scheme Information Document read with Statement of Additional Information.

New fund offer expenses are borne by the AMC as per the SEBI Regulations.

Scheme are charged additional expenses not exceeding of 0.30 per cent of their daily net assets based on the new inflows from such cities as specified by SEBI. Additional expenses charged are utilized for distribution expenses incurred for bringing inflows from such cities. Effective March 1, 2023, based on AMFI directive, no expenses under this head have been accrued, for inflows received, post February 28, 2023. In case the said inflows are redeemed within a period of one year from the date of investment, the amount incurred as commission to distributor on account of inflows from such cities is credited back to the Scheme as "Other income".

**m. Tri Party Repo (TREP's).**

TREP's are valued at cost and interest is accrued on daily basis.

**n. Income Tax:**

No income tax provision has been made as the Schemes qualifies as a recognized Mutual Fund under section 10 (23D) of the Income-tax Act, 1961.

However, some dividend and interest income received by the Scheme is subject to withholding tax imposed in certain countries of origin. Income that is subject to such tax is recognised net of the taxes and the corresponding withholding tax is not recognised as tax expense.

**o. Operating segments**

An operating segment is a component of the Scheme that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Scheme's other components, and for which discrete financial information is available. The Scheme is primarily engaged in the business of investing amounts received from investors, in accordance with their investment objectives to generate returns. Since there is only one business segment and no geographical segments, this in the context of Ind AS 108 – Operating Segments reporting is considered to constitute one reportable segment.

**p. Cash and cash equivalents**

The Scheme considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of Triparty repo which are unrestricted for withdrawal and usage.

**q. Standards issued but not yet effective**

No new standards or amendments to the existing standards are applicable to the Scheme.

**CANARA ROBECO MUTUAL FUND**  
**NOTES FORMING PART OF FINANCIAL STATEMENTS**  
**(All amounts in Lakhs of Rupees)**

**Note 21 Additional disclosures forming part of financial statements**

**1. Financial risk review and management**

**Risk Management Framework:**

The Schemes invest in financial instruments in accordance with their respective investment management strategies. The Scheme's investment portfolio comprises listed equity securities, debt, and money market securities.

The Fund Manager has been given discretionary authority to manage the assets in line with the Scheme's investment objectives. Compliance with the mandated asset allocation mentioned in the Scheme Information Document (SID) and the composition of the portfolio are monitored by the board of directors on a quarterly basis. In the event of deviation from mandated asset allocation due to passive breaches (occurrence of instances not arising out of omission and commission of the AMC's), the AMC is obliged to take actions to rebalance the portfolio within prescribed time limits.

This note presents information about the Scheme's exposure to each of the financial risks.

**A. Credit risk, collateral provided and offsetting.**

- i. Credit quality analysis
- ii. Concentration of credit risk
- iii. Collateral and other credit enhancements, and their financial effect
- iv. Amounts arising from Expected Credit Loss
- v. Offsetting financial assets and financial liabilities

**B. Liquidity risk**

**C. Market risk**

- i. Interest rate risk
- ii. Currency risk
- iii. Other price risk

**D. Operational Risk**

**E. Capital Management**

**A. Credit Risk:**

'Credit risk' is the risk that a counterparty to a financial instrument will fail to discharge an obligation or commitment that it has entered with the Scheme, resulting in a financial loss to the Scheme. It arises principally from debt securities held, and from derivative financial assets, cash, and cash equivalents, balances due from brokers. For risk management reporting purposes, the Scheme considers and aggregates all elements of credit risk exposure (such as sector risk).

The Scheme's policy over credit risk is to minimize its exposure to counterparties with perceived higher risk of default by dealing only with counterparties that meet the credit standards set out in the Scheme's SID and by taking collateral. The AMC has a specific Credit Risk Policy along with a Credit Exposure Framework outlining the investment guidelines relating to Credit Risk.

Credit risk is monitored daily by the AMC in accordance with the policies and procedures in place. The AMC monitors the limits on a daily basis and reports to the Investment team of any passive breaches. This is also presented in the Investment Committee & Risk Management Committee on a monthly basis along with stress testing results and any other credit related matters like early warning signal, yield triggers etc. The Scheme's credit risk is monitored on a quarterly basis by the board of directors. If the credit risk is not in accordance with the investment policy or guidelines of the Scheme, then the AMC is obliged to rebalance the portfolio within thirty days of each determination that the portfolio is not in compliance with the stated investment parameters.

Management analysis will be used to identify company specific risks. Management's past track record will also be studied. To assess financial risk a detailed assessment of the issuer's financial statements will be undertaken. In the case of securitized debt instruments, the scheme will ensure that these instruments are sufficiently backed by assets.

The Scheme's activities may give rise to settlement risk. 'Settlement risk' is the risk of loss due to the failure of an entity to honor its obligations to deliver cash, securities or other assets as contractually agreed.

For the majority of transactions, settlement takes place through CCIL or clearing house. In case of counterparty trades, pruning of the counterparties used to mitigate settlement risk.

**CANARA ROBECO MUTUAL FUND**  
**NOTES FORMING PART OF FINANCIAL STATEMENTS**

**i. Credit quality analysis.**

The Scheme's exposure to credit risk arises in respect of the following financial instruments:

- > Cash and cash equivalents:
- > Contract for sale of investment in securities and Derivative financial instruments receivable:
- > Securities Lending and Borrowing (SLB):
- > Investments in debt and money market securities; and
- > Derivative assets

**> Cash and cash equivalents:**

The cash and cash equivalents are held with banks and in Tri Party Repo with the Clearing Corporation of India Ltd (CCIL).

**> Contract for sale of investment in securities and Derivative financial instruments receivable:**

Contract for sale of investment in Securities and Derivative financial instruments receivable represent margin accounts and sales transactions awaiting settlement. Credit risk relating to unsettled transactions is considered small due to the short settlement period involved, settlement of trades through various clearing platforms and pruning of the counterparties used.

As at the reporting date, following were the Contract for sale of investment in securities concentrated among issuers/counterparties

There were no significant concentrations in the debt and money market securities portfolio of credit risk to any individual issuer or group of issuers at March 31, 2024 and, March 31, 2023 respectively.

**iii. Collateral and other credit enhancements, and their financial effect**

The schemes have not invested in derivative instruments or in Securities Lending and Borrowing contracts.

**iv. Amounts arising from Expected Credit Loss (ECL)**

The Scheme continuously monitors all financial assets subject to ECLs. In order to determine whether an instrument is subject to 12-month ECL (12mECL) or lifetime ECL (LTECL), the Scheme assesses whether there has been a significant increase in credit risk or the asset has become credit impaired since initial recognition. The Scheme applies following quantitative and qualitative criteria to assess whether there is significant increase in credit risk, or the asset has been credit impaired.

- Historical trend of collection from counterparty
- The Scheme's contractual rights with respect to recovery of dues from counterparty
- Credit rating of counterparty and any relevant information available in public domain

ECL is a probability weighted estimate of credit losses. It is measured as the present value of cash shortfalls (i.e. the difference between the cash flows due to the Scheme in accordance with contract and the cash flows that the Scheme expects to receive).

The Scheme has following types of financial assets that are subject to the expected credit loss:

- Contract from sale of investment in securities.
- Cash and cash equivalent.
- Balance with Bank
- Switch in receivable.

Based on the experience, the AMC expects to receive these amounts in full.

**CANARA ROBECO MUTUAL FUND  
NOTES FORMING PART OF FINANCIAL STATEMENTS**

**v. Offsetting financial assets and financial liabilities**

Financial assets and financial liabilities are offset, and the net amount presented in the balance sheet when, and only when, the scheme currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously. The Scheme has not offset any financial assets and financial liabilities during the year.

**B. Liquidity risk**

'Liquidity risk' is the risk that the Scheme will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

The Scheme's policy and the AMC's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stress conditions, including estimated redemptions of units, without incurring unacceptable losses or risking damage to the Scheme's reputation.

The Scheme's investments in listed securities are considered to be readily realizable because they are traded on major stock exchanges in India.

The Scheme's liquidity risk is managed daily by the AMC in accordance with the policies and procedures in place. The AMC has a Liquidity Risk management policy in place which outlines the investment guidelines & the risk management procedures.

The Scheme's overall liquidity risk is monitored daily by the AMC.

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted and include estimated interest payments.

The table above shows the undiscounted cash flows of the Scheme's financial liabilities based on their earliest possible contractual maturity. The Scheme's expected cash flows on these instruments do not vary significantly from this analysis.

The Scheme manages its liquidity risk by following minimum liquidity requirement for open ended equity and debt schemes.

**CANARA ROBECO MUTUAL FUND  
NOTES FORMING PART OF FINANCIAL STATEMENTS**

**C. Market risk**

'Market risk' is the risk that changes in market prices – e.g. interest rates, equity prices and credit spreads – will affect the Scheme's income or the fair value of investment held.

The Scheme's strategy for management of market risk is driven by the Scheme's investment objective as mentioned in the accounting policy,

The Scheme's market risk is managed daily by the AMC in accordance with the policies and procedures in place. The AMC has Credit Risk, Liquidity Risk, Stress Testing & Investment policies which cover the scheme's market risk along with management thereof. The Scheme's market positions are monitored daily by the AMC.

**i. Interest rate risk**

The Scheme is exposed to the risk that the fair value or future cash flows of its investment will fluctuate because of changes in market interest rates. In respect of the Scheme's interest-bearing financial instruments, the AMC has Credit Risk, Liquidity Risk, Stress Testing & Investment policies which cover the schemes interest risk along with management thereof.

The internal procedures require the AMC to manage interest rate risk on an ongoing basis in accordance with the policies and procedures in place. If the interest rate risk is not in accordance with the investment policy or guidelines of the Scheme, then the investment manager is required to rebalance the portfolio.

**Exposure to interest rate risk**

A summary of the Scheme's interest rate gap position, analysed by the earlier of contractual re-pricing or maturity date, is as follows.

A summary of the Scheme's investments that are exposed to interest rate is as follows

| (Rs. In Lakhs) |                                 |                         |                                   |                           |   |

**Sensitivity analysis**

The sensitivity analysis reflects how net assets attributable to unit holders would have been affected by changes in the interest rate that were reasonably possible at the reporting date.

Management has determined that a fluctuation in interest rates of 50 basis points is reasonably possible, considering the economic environment in which the Scheme operates. The table below sets out the effect on the Scheme's net assets attributable to holders of unitholder of a reasonably possible increase of 50 basis points in interest rates at March 31, 2024. The impact of such an increase has been estimated by calculating the fair value changes of the debt and money market securities, less liabilities and derivatives held at March 31, 2024. The impact is primarily from the decrease in the fair value of debt and money market securities. This analysis assumes that all other variables, in particular foreign currency rates, remain constant.

| Increase/ (decrease) in net assets attributable to holders of unitholders | (189.05)                        | (180.14)                | (114.47)                          | (249.83)                  | (320.48)                                |

A decrease in the interest rate of 50 basis points at March 31, 2024 would result in an equal but opposite effect to the amounts shown above.

**ii. Currency risk**

Not Applicable as there are no schemes investing in foreign securities.

**iii. Exposure to Other price risk**

'Other price risk' is the risk that the fair value of the financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether caused by factors specific to an individual investment or its issuer or factors affecting all instruments traded in the market.

Price risk is managed by the AMC by diversifying the portfolio. Apart from SEBI investment limit restrictions, the AMC has devised its own prudent internal limits to manage risks.

The internal procedures require the AMC to manage price risk on an ongoing basis.

If the price risk is not in accordance with the investment policy or guidelines of the Scheme, then the AMC is required to rebalance the portfolio.

The following table sets out the concentration of the investment assets and liabilities, excluding derivatives held by the Scheme as at the reporting date.

All investments in debt and money market securities are fixed-income instruments that have maturities of months or less. The Scheme expects price fluctuations for these investments to arise principally from interest rate or credit risk. As a result, the Scheme is not subject to significant other market price risk on these investments.

The AMC monitors the concentration of risk for equity, debt and money market securities based on counterparties and industries. Refer Annexure II for the Scheme's investments across various industries.

**D. Operational risk**

'Operational risk' is the risk of direct or indirect loss arising from a wide variety of causes associated with the processes, technology and infrastructure supporting the Scheme's activities with financial instruments, either internally within the Scheme or externally at the Scheme's service providers, and from external factors other than credit, market and liquidity risks such as those arising from legal and regulatory requirements and generally accepted standards of investment management behaviour.

The Scheme's objective is to manage operational risk so as to balance the limiting of financial losses and damage to reputation with achieving their respective investment objective of generating returns to investors.

The primary responsibility for the development and implementation of controls over operational risk rests with the AMC. This responsibility is supported by the development of overall standards for the management of operational risk, which encompasses the controls and processes at the service providers and the establishment of service levels with the service providers, in the following areas:

- documentation of controls and procedures.
- requirements for:
- appropriate segregation of duties between various functions, roles and responsibilities.
- reconciliation and monitoring of transactions; and
- periodic assessment of operational risk faced.
- the adequacy of controls and procedures to address the risks identified.
- compliance with regulatory and other legal requirements.
- development of contingency plans.
- training and professional development.
- ethical and business standards; and
- risk mitigation, including insurance if this is effective.

The AMC's assessment of the adequacy of the controls and processes in place at the service providers with respect to operational risk is carried out via regular and ad hoc discussions with the service providers and a review of the service providers' ISAE-3402 reports on internal controls, that are available, System & Cybersecurity Audit Reports.

Substantially all the assets of the Scheme are held by the two custodians HSBC and HDFC Bank. The bankruptcy or insolvency of the Scheme's custodian may cause the Scheme's rights with respect to the securities held by the custodian to be limited. The AMC monitors the credit ratings and capital adequacy of its custodian on a Half Yearly basis, and reviews the findings documented in the ISAE-3402 Audit report on the internal controls System and Cybersecurity Audit Reports as per their respective periodicity.

NOTES FORMING PART OF FINANCIAL STATEMENTS**

**E. Capital Risk Management**

The Scheme considers its net assets attributable to unit holders as capital. The amount of net assets attributable to unitholders can change significantly daily as the Scheme is subject to daily applications and redemptions at the discretion of unitholders.

Daily applications and redemptions are reviewed relative to the liquidity of the Scheme's underlying assets daily by the AMC.

**2. Fair Value of Financial Instruments:**

**A. Fair Value Hierarchy:**

As per Ind AS 113, 'Fair Value Measurement', the fair values of the financial assets or financial liabilities are defined as the price that would be received on sale of asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that is either observable or unobservable. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities and lowest priority to unobservable inputs.

The hierarchy used is as follows:

\* Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

\* Level 2 — Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices). Investment in all mutual fund schemes is included in Level 2.

\* Level 3 — Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

\* Cash and cash equivalents, Bank balance other than cash and cash equivalents and Other financial assets are carried at amortized cost which is a reasonable approximation of its fair value largely due to the short-term maturities of these instruments. Accordingly, fair value hierarchy for these financial instruments has not been presented above.

\*\* Other financial liabilities are carried at amortized cost which is a reasonable approximation of its fair value.

**C. Valuation techniques and significant observable/unobservable inputs:**

The following table shows the valuation techniques used in measuring level 1, level 2 and level 3 fair values for financial instruments measured at fair value in the balance sheet, as well as significant observable/unobservable inputs used.

| Level   | Type  | Valuation Technique                   | Significant observable inputs | Inter-relationship between significant unobservable inputs and fair value measurement |
|---------|---|---------------------------------------|-------------------------------|---|
| Level 1 | Listed Equity Instruments   | Quoted Price                          | Quoted Price                  | N.A.  |
| Level 2 | Debt and Money Market securities including Government securities and Treasury Bills | Prices provided by valuation agencies | Traded Prices                 | N.A.  |
|         | Units of mutual fund schemes/AIF  | Declared NAV                          | Declared NAV                  | N.A.  |
| Level 3 | N.A.  | N.A.                                  | N.A.                          | N.A.  |

**D. Fair value measurement using significant unobservable inputs (level 3)**

During the period, there were no purchase or sale of Level 3 securities where fair value measurements were applied.

**CANARA ROBECO MUTUAL FUND**  
**NOTES FORMING PART OF FINANCIAL STATEMENTS**

**E. Transfer of financial asset between level**

There were no transfers from Level 1 to Level 3 and Level 2 to Level 3 or in either direction during the year ended 31 March 2024 and 31 March 2023 respectively.

**3. Maturity Analysis - Disclosure pursuant to Ind AS 1 "Presentation of financial statements"**

**CANARA ROBECO MUTUAL FUND  
NOTES FORMING PART OF FINANCIAL STATEMENTS**

**4. Transferred financial assets that are not derecognised in their entirety.**

**Security Lending and Borrowing**

Security Lending and Borrowing are transactions in which the Scheme sells a security and simultaneously agrees to repurchase it (or an asset that is substantially the same) at a fixed price on a future date. The Scheme continues to recognize the securities in their entirety in the Balance Sheet because it retains substantially all the risks and rewards of ownership. The cash consideration received is recognized as a financial asset and a financial liability is recognized for the obligation to pay the repurchase price. Because the Scheme sells the contractual rights to the cash flows of the securities, it does not have the ability to use the transferred assets during the term of the arrangement.

The schemes had no exposure to Security Lending and Borrowing during the year ended 31 March 2024 and 31 March 2023 respectively.

**5. Segment Reporting**

The Scheme is primarily engaged in the business of investing amounts received from investors, in accordance with their investment objectives to generate returns. Since there is only one business segment and no geographical segments, the segmental reporting disclosures as required by IND AS 108 "Operating Segments" are not required to be made.

**6. Ind AS 101 - First time Adoption of Ind AS**

These financial statements, for the year ending March 31, 2024, are the first financial statements the Scheme, has prepared in accordance with Indian Accounting Standards ('IND AS') and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, to the extent it is not in conflict with the SEBI Regulations and guidelines issued thereunder.

For periods up to and including the year ended March 31, 2023, the Scheme prepared its financial statements in accordance with generally accepted accounting principal (Previous GAAP) in conformity with the accounting policies and standards specified in the Ninth Schedule to the SEBI Regulations and as specified by the Board from time to time. Accordingly, the Scheme has prepared financial statements which comply with Ind AS applicable for periods ending on March 31, 2024, together with the comparative period data as at and for the year ended March 31, 2023, as described in the summary of material accounting policies. In preparing these financial statements, the Scheme's opening balance sheet was prepared For the Year Ended 31st March, 2022, i.e. date of transition to Ind AS. This note explains the principal adjustments made by the Scheme in restating its Previous GAAP financial statements, including the balance sheet For the Year Ended 31st March, 2022, and the financial statements as at and for the year ended March 31, 2023.

**7. Notes to Adjustment**

Under the previous GAAP and in accordance with SEBI circular, brokerage, and transaction costs (including all taxes) incurred for the purpose of execution of trade upto 0.12% in case of cash market transaction and upto 0.05% in case of derivatives transactions along with 0.10% of Securities Transaction Tax were capitalized in cost of investment.

Under Ind AS and in accordance with SEBI circular, brokerage, and transaction costs (including all taxes) incurred for the purpose of execution of trade upto 0.12% in case of cash market transaction and upto 0.05% in case of derivatives transactions along with 0.10% of Securities Transaction Tax is expensed out i.e. charged to Revenue Account instead of capitalization.

Reconciliation of equity net asset attributable to unitholders as reported under Previous GAAP and that computed under Ind AS: There is no impact on net assets attributable to unitholders due to this adjustment.

Statement of reconciliation of net profit surplus or deficit under Ind AS and Previous GAAP: There is no impact on net surplus or deficit due to this adjustment.

Reconciliation of Statement of Cash Flows - There were no material differences between statement of cash flows presented under Ind AS and Previous GAAP.

### Expenditure includes brokerage and transaction costs incurred for the purpose of execution of trades.

Effective April 1, 2023, Brokerage and transaction cost incurred for the purpose of execution of transactions charged to the schemes as provided under Regulation 52 (6A) (a) up to 12 bps and 5 bps for cash market transactions and derivatives transactions, respectively is not included in the above expense ratio.

**CANARA ROBECO MUTUAL FUND**  
**NOTES FORMING PART OF FINANCIAL STATEMENTS**  
 (All amounts in Lakhs of Rupees)

**12. Investor Education Fund (IEF) & Investor Education and Awareness Initiatives (IEAI)**

Schedule Annexed to and forming part of the Balance Sheet as at March 31, 2024 and the Revenue Account for the year/period ended on that date

As per paragraph 10.1.16 of Master circular dated 19th May 2023, an annual charge of 2 basis points (0.02% p.a.) of daily net assets, being part of total recurring expenses is set aside for Investor Education and Awareness Initiatives (IEAI) in accordance with SEBI (Mutual Funds) Regulations, 1996 as amended and circulars issued thereunder. These funds set aside are used only for meeting expenses for Investor Education and Awareness Initiatives.

Pursuant to letter no. IMD/DF2/RS/813/2016 dated January 08, 2016 issued by SEBI to AMFI, from April 1, 2016 onwards, 50% of the 2 bps accrual on daily net assets set aside by mutual funds for investor education and awareness initiative is being transferred to AMFI.

In terms of the AMFI Best Practices Guidelines Circular No. 56/2015-16, the residual 50% of the 2 bps of the IEF accrual of all the schemes of Canara Robeco Mutual Fund is set aside in a separate fund "Canara Robeco Mutual Fund – Investor Education Fund" ("IEF Fund") and all income earned on the Investment of this amount is credited to IEF Fund Account and expenses incurred on investor education have been reduced from the IEF Fund.

The Fund has transferred during the year Rs.772.17 lakhs (Previous Year Rs.568.18 lakhs) to AMFI being 50% of the annual charge of IEAI of 2 basis points p.a. of daily net assets and the balance of Rs.772.17 lakhs (Previous Year Rs.568.18 lakhs) is transferred to IEF Fund.

| Particulars   | (Rs. In Lakhs) |               |
|---|----------------|---------------|
|   | Year 2023-24   | FY 2022-23    |
| Opening Balance   | 242.26         | 197.99        |
| Add: Net Change in Unrealised Appreciation in Value of Investment | 0.11           | 0.24          |
| Add: Contribution received/receivable during the year             | 772.17         | 568.18        |
| Add: Investment Income for the year                               | 25.00          | 23.20         |
| Less: Amount Spent during the year                                | 851.40         | 547.35        |
| <b>Closing Balance</b>  | <b>188.15</b>  | <b>242.26</b> |

**13.** No provision for Income Tax is made since the income of the scheme is exempt under section 10(23D) of the Income Tax Act, 1961.

**14. Prior Year Comparatives**

The figures for the previous year/period have been reclassified/regrouped, wherever necessary to confirm with current years classification/disclosure.

\*\* This scheme has exposure to floating rate instruments and / or interest rate derivatives. The duration of these instruments is linked to the interest rate reset period. The interest rate risk in a floating rate instrument or in a fixed rate instrument hedged with derivatives is likely to be lesser than that in an equivalent maturity fixed rate instrument. Under some market circumstances the volatility may be of an order greater than what may ordinarily be expected considering only its duration. Hence investors are recommended to consider the unadjusted portfolio maturity of the scheme as well and exercise adequate due diligence when deciding to make their investments.

\*\*This scheme has exposure to floating rate instruments and / or interest rate derivatives. The duration of these instruments is linked to the interest rate reset period. The interest rate risk in a floating rate instrument or in a fixed rate instrument hedged with derivatives is likely to be lesser than that in an equivalent maturity fixed rate instrument. Under some market circumstances the volatility may be of an order greater than what may ordinarily be expected considering only its duration. Hence investors are recommended to consider the unadjusted portfolio maturity of the scheme as well and exercise adequate due diligence when deciding to make their investments.

Aggregate value of non-traded/thinly traded investments valued in good faith as per SEBI regulations (Rupees in lakhs)

## INDEPENDENT AUDITORS' REPORT

Board of Trustees,  
Canara Robeco Mutual Fund

### Report on the audit of Financial Statements

#### Opinion

We have audited the accompanying financial statements of Canara Robeco Savings Fund which comprises the Balance Sheet as at March 31, 2024, the Revenue Account, the statement of changes in net assets attributable to unitholders and the Cash Flow Statement for the year April 01, 2023 or the launch date of the respective schemes to March 31, 2024 ("the year/the period") and notes to financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- a) in the case of the Balance Sheet, of the state of affairs of the Scheme as at 31<sup>st</sup> March 2024;
- b) in the case of the Revenue Account, of the Surplus/(deficit) of the Scheme for the period/year ended 31<sup>st</sup> March 2024;
- c) statement of changes in net assets attributable to unitholders of scheme for the year ended 31<sup>st</sup> March 2024; and
- d) in the case of the Cash Flow Statement, of the cash flows of the Scheme for the period/year ended 31<sup>st</sup> March 2024.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the accounting standards issued by the ICAI, as applicable, and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled

our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

| Sr. No. | Key Audit Matter   | Auditor's Response   |
|---------|--|--|
| 1       | <p><b>Valuation and existence of Investments:</b></p> <p>The valuation and existence of the portfolio of investments is considered as a key audit matter due to the magnitude of potential misstatement as the portfolio of investments represents the principal element of the net asset of the Scheme.</p> | <p><b>Principal audit procedures performed:</b></p> <p>We gained an understanding of the internal control structure and operating effectiveness of key controls surrounding valuation and existence of investments.</p> <p>We tested the valuation of the investments by comparing the prices used in the calculation of the Fund NAV from prices obtained from independent sources.</p> <p>We tested the existence of the Investments by obtaining and reconciling the direct confirmations of the holdings from following sources:</p> <ul style="list-style-type: none"> <li>• Custodians of the Scheme</li> <li>• Reserve Bank of India</li> <li>• Clearing Corporation of India Limited</li> </ul> <p>We matched the holdings as per above confirmations with the Scheme's accounting records. |         | <p>technology due to the significant number of transactions that are processed daily and discrete IT Systems used. The audit approach relies extensively on automated controls and therefore on the effectiveness of controls over IT systems.</p> <p>IT application controls are critical to ensure that changes to applications and underlying data are made in an appropriate manner.</p> | <p>are relevant to our audit and have identified key applications relevant for financial reporting.</p> <p>We obtained an understanding of the entity's IT control environment and key changes during the audit period that may be relevant to the audit.</p> <p>We tested the design, implementation, and operating effectiveness of the Entity's General IT controls over the key IT systems that are critical to financial reporting. This included evaluation of entity's controls to evaluate segregation of duties and access rights being provisioned / modified based on duly approved requests, access for exit cases being revoked in a timely manner and access of all users being re-certified during the period of audit.</p> <p>We also tested key automated and manual business cycle controls and logic for system generated reports relevant to the audit; including testing of compensating controls or performed alternate procedures to assess whether there were any unaddressed IT risks that would materially impact the financial statements.</p> <p>We have also placed reliance on System and cyber security audit reports of AMC and other service providers.</p> |

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees of Canara Robeco Mutual Fund are responsible for the other information. The other information comprises the information included in the Scheme's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The other information is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent

with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management for the Financial Statements**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Board of Trustees are responsible for assessing the Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management of the Investment Manager and the Board of Trustees are responsible for overseeing the Scheme's financial reporting process.

**Auditors' Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a

material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2024, and are therefore the key audit matters. We describe these

matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by SEBI Regulation 55(4) and Clause 5(ii)(2) of the Eleventh Schedule to the SEBI Regulations, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, the Balance Sheet, the Revenue Account, and the Statement of Changes in net assets attributable to unit holders of scheme, the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Scheme; and
  - (c) The balance sheet, the revenue account, the Statement of Changes in net assets attributable to unit holders of scheme and the cash flow statement, dealt with by this report are in agreement with the books of accounts of the Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2024 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Trustees of Canara Robeco Mutual Fund and are fair and reasonable.

**INDEPENDENT AUDITORS' REPORT**

**Board of Trustees,  
Canara Robeco Mutual Fund**

**Report on the audit of Financial Statements**

**Opinion**

We have audited the accompanying financial statements of Canara Robeco Liquid Fund("the scheme") which comprises the Balance Sheet as at March 31, 2024, the Revenue Account, the statement of changes in net assets attributable to unitholders and the Cash Flow Statement for the year April 01, 2023 or the launch date of the respective schemes to March 31, 2024 ("the year/the period") and notes to financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- a) in the case of the Balance Sheet, of the state of affairs of the Scheme as at 31<sup>st</sup> March 2024;
- b) in the case of the Revenue Account, of the Surplus/(deficit) of the Scheme for the period/year ended 31<sup>st</sup> March 2024;
- c) statement of changes in net assets attributable to unitholders of scheme for the year ended 31<sup>st</sup> March 2024; and
- d) in the case of the Cash Flow Statement, of the cash flows of the Scheme for the period/year ended 31<sup>st</sup> March 2024.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the accounting standards issued by the ICAI, as applicable, and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in

accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees of Canara Robeco Mutual Fund are responsible for the other information. The other information comprises the information included in the Scheme's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The other information is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a

material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management for the Financial Statements**

The Management of Canara Robeco Asset Management Company Limited (the “Investment Manager”) and the Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Board of Trustees are responsible for assessing the Scheme’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management of the Investment Manager and the Board of Trustees are responsible for overseeing the Scheme’s financial reporting process.

**Auditors’ Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered

material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2024, and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the

matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by SEBI Regulation 55(4) and Clause 5(ii)(2) of the Eleventh Schedule to the SEBI Regulations, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, the Balance Sheet, the Revenue Account, and the Statement of Changes in net assets attributable to unit holders of scheme, the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Scheme; and
  - (c) The balance sheet, the revenue account, the Statement of Changes in net assets attributable to unit holders of scheme and the cash flow statement, dealt with by this report are in agreement with the books of accounts of the Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2024 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Trustees of Canara Robeco Mutual Fund and are fair and reasonable.

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees of Canara Robeco Mutual Fund are responsible for the other information. The other information comprises the information included in the Scheme's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The other information is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a

material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management for the Financial Statements**

The Management of Canara Robeco Asset Management Company Limited (the “Investment Manager”) and the Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Board of Trustees are responsible for assessing the Scheme’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management of the Investment Manager and the Board of Trustees are responsible for overseeing the Scheme’s financial reporting process.

**Auditors’ Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered

material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2024, and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the

matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by SEBI Regulation 55(4) and Clause 5(ii)(2) of the Eleventh Schedule to the SEBI Regulations, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, the Balance Sheet, the Revenue Account, and the Statement of Changes in net assets attributable to unit holders of scheme, the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Scheme; and
  - (c) The balance sheet, the revenue account, the Statement of Changes in net assets attributable to unit holders of scheme and the cash flow statement, dealt with by this report are in agreement with the books of accounts of the Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2024 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Trustees of Canara Robeco Mutual Fund and are fair and reasonable.

## INDEPENDENT AUDITORS' REPORT

Board of Trustees,  
Canara Robeco Mutual Fund

### Report on the audit of Financial Statements

#### Opinion

We have audited the accompanying financial statements of Canara Robeco Short Duration Fund("the scheme") which comprises the Balance Sheet as at March 31, 2024, the Revenue Account, the statement of changes in net assets attributable to unitholders and the Cash Flow Statement for the year April 01, 2023 or the launch date of the respective schemes to March 31, 2024 ("the year/the period") and notes to financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- a) in the case of the Balance Sheet, of the state of affairs of the Scheme as at 31<sup>st</sup> March 2024;
- b) in the case of the Revenue Account, of the Surplus/(deficit) of the Scheme for the period/year ended 31<sup>st</sup> March 2024;
- c) statement of changes in net assets attributable to unitholders of scheme for the year ended 31<sup>st</sup> March 2024; and
- d) in the case of the Cash Flow Statement, of the cash flows of the Scheme for the period/year ended 31<sup>st</sup> March 2024.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the accounting standards issued by the ICAI, as applicable, and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled

our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees of Canara Robeco Mutual Fund are responsible for the other information. The other information comprises the information included in the Scheme's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The other information is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent

with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management for the Financial Statements**

The Management of Canara Robeco Asset Management Company Limited (the “Investment Manager”) and the Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Board of Trustees are responsible for assessing the Scheme’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management of the Investment Manager and the Board of Trustees are responsible for overseeing the Scheme’s financial reporting process.

**Auditors’ Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a

material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2024, and are therefore the key audit matters. We describe these

matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by SEBI Regulation 55(4) and Clause 5(ii)(2) of the Eleventh Schedule to the SEBI Regulations, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, the Balance Sheet, the Revenue Account, and the Statement of Changes in net assets attributable to unit holders of scheme, the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Scheme; and
  - (c) The balance sheet, the revenue account, the Statement of Changes in net assets attributable to unit holders of scheme and the cash flow statement, dealt with by this report are in agreement with the books of accounts of the Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2024 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Trustees of Canara Robeco Mutual Fund and are fair and reasonable.

**INDEPENDENT AUDITORS' REPORT**

**Board of Trustees,  
Canara Robeco Mutual Fund**

**Report on the audit of Financial Statements**

**Opinion**

We have audited the accompanying financial statements of Canara Robeco Overnight Fund("the scheme") which comprises the Balance Sheet as at March 31, 2024, the Revenue Account, the statement of changes in net assets attributable to unitholders and the Cash Flow Statement for the year April 01, 2023 or the launch date of the respective schemes to March 31, 2024 ("the year/the period") and notes to financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- a) in the case of the Balance Sheet, of the state of affairs of the Scheme as at 31<sup>st</sup> March 2024;
- b) in the case of the Revenue Account, of the Surplus/(deficit) of the Scheme for the period/year ended 31<sup>st</sup> March 2024;
- c) statement of changes in net assets attributable to unitholders of scheme for the year ended 31<sup>st</sup> March 2024; and
- d) in the case of the Cash Flow Statement, of the cash flows of the Scheme for the period/year ended 31<sup>st</sup> March 2024.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the accounting standards issued by the ICAI, as applicable, and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled

our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees of Canara Robeco Mutual Fund are responsible for the other information. The other information comprises the information included in the Scheme's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The other information is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent

with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management for the Financial Statements**

The Management of Canara Robeco Asset Management Company Limited (the "Investment Manager") and the Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, managements of the Investment Manager and the Board of Trustees are responsible for assessing the Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management of the Investment Manager and the Board of Trustees are responsible for overseeing the Scheme's financial reporting process.

**Auditors' Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a

material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2024, and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by SEBI Regulation 55(4) and Clause 5(ii)(2) of the Eleventh Schedule to the SEBI Regulations, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, the Balance Sheet, the Revenue Account, and the Statement of Changes in net assets attributable to unit holders of scheme, the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Scheme; and
  - (c) The balance sheet, the revenue account, the Statement of Changes in net assets attributable to unit holders of scheme and the cash flow statement, dealt with by this report are in agreement with the books of accounts of the Schemes.
2. In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2024 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Trustees of Canara Robeco Mutual Fund and are fair and reasonable.
